In The Court of Appeals

APPEAL FROM GREENWOOD COUNTY
Court of Common Pleas

Charles M. Watson, Jr., Special Referee

Case No. 2025-000569

Greenville Mills, Inc., Respondent,

v.

Rodney White., Appellant.

APPELLANT'S DESIGNATION OF MATTERS FOR RECORD ON
APPEAL

The Appellant hereby designates the following matters to be included in the Record on Appeal. For the transcripts of the November 6, 2024 hearing on the motion for partial summary judgment, as well as the transcripts of the February 21, 2021 transcript, the Appellant designates the full transcripts, which are fairly brief, which he contends is necessary given that his argument is that the court failed to hear evidence sufficient of making a determination of Appellant's legal, equitable, and possessory rights to the land in question. The Appellant respectfully designates the following material:

1. Transcript of the November 6, 2024 hearing.
2. Transcript of the February 21, 2025 hearing.
3. Complaint and its exhibits.
4. Answer.
5. Motion for Partial Summary Judgment.
6. Deposition of Rodney White.
7. Deposition of Jay Self.
8. Order granting Partial Summary Judgment.
9. Final Order issued February 21, 2025.
10. Notice of Appeal.
11. Respondent's Rule 60(b) Motion to Trial Court.

Respectfully submitted
