

The South Carolina Court of Appeals

The State, Respondent,

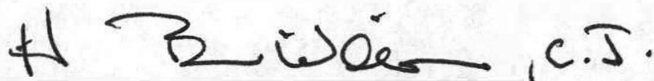

v.

Dyshawn Titus Hines, Appellant.

Appellate Case No. 2025-000815

ORDER

On May 15, 2025, the court dismissed this appeal because Appellant failed to timely serve the notice of appeal. On June 6, 2025, Appellant filed a motion to reinstate, arguing that a scrivener's error resulted in the dismissal of the appeal. Respondent did not file a return. After careful consideration, we grant the motion to reinstate.
