ORDER

On December 19, 2024, this court dismissed this appeal because Appellant failed to file a designation of matter in compliance with the South Carolina Appellate Court Rules.¹ On December 27, 2024, Appellant filed a motion to reinstate his appeal, which we construe as a petition for rehearing. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

¹ This court wrote to Meyers on November 25, 2024, explaining the document he filed titled "designation of matter" did not comply with the South Carolina Appellate Court Rules and allowing Meyers ten days to file a compliant designation of matter. Although Meyers filed a document titled designation of matter on December 3, 2024, this document also did not comply with the South Carolina Appellate Court Rules.
