Thank you for the letter. With respect to page 188, I can file a more legible copy as I am not sure what caused the issue there. As for Volume 3, pages 54-76, these are printed copies of a spreadsheet originally produced in Excel format. I have pdfs that are better resolution than what has been uploaded. But to be legible, they will still need to be read by using the zoom function. Alternatively, could provide the actual Excel spreadsheets.

If you would like me to resubmit pdfs, should I do so as the Second Supplemental (Public) for 188 and Third Supplemental Record (Sealed) for the spreadsheet?

Thank you.
