SC Court of Appeals Appellate Case No. 2025-001036

Amended grounds for Appeal.

I was promised by my attorney Hillary C. Futch Esq and Solicitor Vincent Drago of the 14th Circuit Court that I would be getting a sentence of 4 years credit for 374 days time served non-violent and it would run concurrent to the CDVist because the CDVist alleged offense was a little odd and my lawyer told me we could beat the CDVist at trial. However when I got to SCDC they have me doing a violent 85% on the CDVist with the failure to stop running concurrent to it, which is totally opposite of what I was promised by Solicitor Drago and my attorney Hillary Futch Esq. I was told I wouldn't do but 13 months non-violent that's the only reason I accepted the plea because I'm not guilty of the CDVist I've been telling them this the whole time, so I request the sentence that was issued by the Judge be vacated and I be brought back to the County Jail for a new sentence or plea offer that will be non-violent as I was promised.

Sincerely

Odis Rhoden
