Good morning.

Our firm represents the Respondent in the above referenced case. Respondent's Initial Brief is due on or before August 1, 2025. However, Appellant has filed a Motion to Amend their Initial Brief which is still outstanding. I believe we are at a standstill but seek clarification; if Appellant's motion is granted, Appellant will then have to file their Amended Brief and Respondent's Initial Brief should be due thirty (30) after service thereof.

Can the Court please provide some guidance as to this matter? Thank you!
