⑬ Capital P.C.R. Action/Ca. # 2011 -
CP-01-110, a 39 pg Brief August 8th 2011
to Robin Stillwell, Judge for the 14th
Judicial Circuit, Greenville County Courth
ous 305 East North Street Suite 315
Greenville S.C. 29601-2113, In Violation
"Privileges & Immunities" S.C. Const Art 1 § 3;
S.C. Const Art, 1 § 14, & Rule 24: "Failure to
answer"! NEVER adjudicated therefore
Now as with the other 12 legal filings stand
as law/Fact! Unchallengeable, Irrefutable
Undisputable Under the Rule of Law & as
in all of the above legal & Constitutional
-ly Bending filings, it is proof of a Coms-
-peracy to Not only deprive me of my
Substantial Due Process Rights
(10)

But is also an "admission" to, by all
the Case #s, & felings of acts of Treason
Conspiracy, Fraud, Perjury of Oaths
(But Not Limited Herefore)

In Violation of S.C. Const Art 1 § 3; S.C.
Const. Art 1 § 14; & Rule 24 Failure
to Answer "Vacating" as "Void-at-Initio"
Conviction by Proving "Vendictive" &
Malicious, Unconstitutional with aforethought
Prosecution with ZERO jurisdiction
(usurped) "Bias & Prejudicial" Legal/Unconst
-itutional Acts" Forbidden by law does NOT
Infer jurisdiction!

"NO ONE IS ABOVE THE LAW, &
NO ONE IS BELOW THE LAW!"
Abraham Lincoln!

⑭ On June 6th 2004 I wrote a letter that
"by law" was to be construed as a:
"writ of Habeas Corpus" to the then, Now
former Chief Drunk of the S.C. Supreme
(Court) "Seymogue of Satan" "Sankhedrin
Court"! (Biblically Condemned) "Jean Toal"
who apparently in her: "Drunken Stupor"
Dismissed, Treasonously Under penalty
of Perjury to her Oath of office & Proving
Bias & Prejudice Acts with Admitted

(By said Dismissal) Conflicts of Interest
Discrimination, Deprivation of Civil &
Constitutional Due Process of Rights Violations
by then Governor Mark Sanford Attorney Gen-
-eral Henry McMaster (Now Governor) Head
of Sled Robert Stewart (But Not Limited
Hereforeto), & all their Underlings/Mini-
-ons to Vindictively Prosecute/Persecute
The Bibbys "Under Color of Law"! "Repu-
-mantly Violating S.C. Const. art 7 § 3; S.C.
Const. Art 1 § 14, & Rule 24": "Failure to
Answer"! Violating said Oaths of Office
"Committing felonious Acts which by the
Rule of Law" Vacates, Not only the offices,
that they held but Constitutionally, &
"Lawfully" Vacates" any & all judgements
"Void-ab-Initio" Due to, & of Self-addm-
-itance of Criminal Acts, & Self Impeachm-
-ent in Rebellion to "Good Behavior" Ethics
& standards Constitutionally Dema-
-nded, but so Blatantly Denied
(But Not Limited Hereforeto)
"Reversible Error"!

⑮ All of the above filings have "Never" been adjudicated by law, & by law all stand as: "FACT"! & are Unchallengeable, Undisputable & clear but only "ONE" Conclusion By The "Rule of Law" (so often stated but like a Unicorn or Bigfoot rarely seen!)

All of my above mentioned filings "Denied" by "Dishonourable" judges prove by Denying my Substantial Due Process of Rights, & Constitutional "Privileges & Immunities" "Constitutionally protected but "Criminally Denied"! The Pattern, & Admissions by said Actors that a Fair & Impartial trial is not/was not / Could not be had by the very "Self-Condemning" Jurisdictional Issues: "Residing in the State v. Steven Bely" in which in the 12/08/03 time period proves that I had at least (admitted by the Caption above) 4 plus million S.C. Residents against me (Its NOT Paranoia if you can prove it.)

Therefore Conviction is Nullified by "Rule of Law"!! Vacating, setting aside, Acquitting me of any & all Charges! (But Not Limited heretofore) "Reversible Error"!

(12) The law states that I can file "issues of Merit" in my case, whether I am Represented (or in my case since day one "Mis-Represented" by forced/appointed Noncomp - oops, by then "Chief Drunk" of the S.C. Sanhedrin, symogogue of Satans own Jean Toal) whom denied me equal protection of law, Due Process of law giving Forbidden "Unconstitutional: Titles of Nobility" to "Felomious Trespassers" who "without Warrant", without probable Cause "Under Color of Law" Aggressed attacked, & with Insubordination of Direct Orders @ Roll Call (mere minutes before attack against Bibbys) to NOT go to the Bibbys house on 04 Union Church Road but Did! Vacating said offences by law for the "Insubordination" & "Felomious Acts", by said "Perpetrators" !! I, & we the Bibbys "Murdered NO ONE"! & Did however Under "Self-Defense", & "Self-Preservation" (Inalienable Rights which "supercede" laws of society.) Defend according to the law Dads (Arthur W Bibbys, & my

Steven Bixby's) Lives as is "Religiously
& Constitutionally" so protected by the
"Rule of Law" (But Not Limited Hereforeto)

Remember how in History that God Creat-
-ed Man, & that Man Created Government?
Fore what purpose did man Create Governm-
-ent??? To: Preserve, Protect & Defend
the states & States Uniteds Constitutional
Rights against foreign & "Domestic
Enemies" The above mentioned "Enemies"
(Police, Governors, Attorney Generals,
Prosecutors/Prostitutors (whores who
sell themselves to the Highest Bidders
to Circumvent the: "Rules of Law" &
"Lady Justice Demands") Lying before
God Almighty Himself to their Oaths
of Office, which I myself under
Penalty of Perjury at the same time
of said: "Community Service" /12/08/03
was NOT Under, but in my beliefs
"Once Oath is sworn it follows with
you like Marriage:
"Until Death Do You Part"!
which also Proves: "Beyond any Doubt"
there is "more honor" In Me than all

of the Bad Actors Combined since Day
one in the above Mentioned filings, &
legal documents in Vindictive & Illegal
Prosecution of: "State of S.C. vs. Steven Bilby
P.O.W. / W.R.M. Under the Admittance &
self-Condernation of Not only Omissions
but by the very "Commissions" of "Overt
Acts" In the legal filings Never Adjud-
icated by law, by judges, Prosecutors
lawyers (Defendants lawyers also) in
the: "Aiding & Abetting" the "Domestic Enemies"
/ "Constitutional Terrorists" "Acts of Treason!"
to which there is only one cure of said
acts by Law: "That which you sow, so
shall you reap"! which is the "Only"
Legal & Lawful Constitutional
Capital Punishment / Crime which
is Treason! "Capital Murder" is
"Unconstitutional" because it NOT
only Violates the 1st Amendment's
Religious Rights, & Privileges &
Immunities But also: The Capital
Murder statute was: "NEVER"
"Ratified" by the Rule of law according

to the U.S. Constitution Article 5, which Nullifies said Statute which is "Repugnant" to the: "Supreme Law of the Land" & the U.S. Constitution's Supremacy Clause when State, & Federal laws are in Conflict!

① Remember as previously mentioned the "Accuser" is Satan who also is the "Great Deceiver" who is/was (as referred to in John the Baptist chapter 8) The "Original Murderer"! Referred to as a: "Jew Accur-sed" who through: "Eve's Whoredom Comcierved" "Beelzebub's first Bastard Child The Original Murderer: "Cain"!! (who Murdered Able.) whom God Almighty Himself put a mark on Cain's head that whoever harmed Cain would receive 7 fold all of the Plagues on Earth. Yee Y ourselves under your very Oaths are under the judgements set by your Oaths of office that either you adhere to said Oaths or be Comdemned by them! It is your choice: "God or Manumom"? Will you go along to get along, or do

your sworn Oaths, & expose all the past
"Corruptions, & Lawlessness" so Blatantly
shown ??? (But Not Limited Hereforeto)

More "Reversible Error" !!

⑮ Last but NOT Least: My filing on the
of the 29th Day of September 2024 stamped
received October 16th 2024 by the: U.S.
Supreme Court which was legaly / Lawfu
-lly / Comstitutionally filed although
Not by: "The Rule of Law" challenged
Refuted, argued or Disputed as Law
Requires therefore showing / Proving
Rule 24 Violations by the U.S. Supreme
Court themselves because of Substantial
Due Process of Rights themselves of
Uncomstitutional (U.S.-!) Deprivations
which said document (17 pages in all
with Courts Cover letter.) Under Rule 24
of Appellate Rules: "Failure to Answer"
by law is / does stand as "Fact" by
the "Rule of Law" No one is above or
Below the Law! Abraham Lincoln

⑯ Let all of the above Mentioned filings:
"speak for themselves as the "Uncomstitut
-ional" therefore VOID "Religious Tests"
which are NOT only forbidden, &

Therefore Constitutionally Repugnant but also Violate my Substantial Due Process of Law Rights of: "Conscience" (Freedom of Religion) but also are a U.S. Const. 4th Amendment Violation/"Illegal Search & Seizure"! also a U.S. Const. 5th Amendment Violation against: "Self-Incrimination"!, & a U.S. Constitution 8th Amendment violation! as The Unconstitutional/Forbidden Religious Conscience Test is "Unusual" in its Compelling force of "Judicial Overreach", & Encroachments", while Constitutional Merits were NEVER adjudicated by Law!

How can any Court Deprive me of My Constitutional Privileges & Immunities, Yet Compell me to do something Constitutionally Forbidden by Law??

One Act or the other is Treason to the U.S., & or State Constitutions which are by Law the "ONLY" legal, lawfull Constitutional Capital Offenses"!!

Proving by Law Unconstitutionally Usurped Jurisdiction as the Judges since day one, who are a party to their own suits are in an admitted

Conflict of Interest themselves because they are: Residents of S.C., & are in their own "Self-Interest", "Bias & Prejudiced", so how by the "Rule of Law" Can they ever be: Fair & "Impartial" According to the Law???

They Cannot! "Reversible Error"!

② all of the above (But NOT Limited hereforeto). Stand as: "FACT"!!!, as filed legally, Lawfully but "NEVER Adjudicated" by Law! They Cannot be challenged, or Reputed Under Rule 24: "Failure to Answer"! (appellate Rules.) I am, & have been since 12/08/03 "AN INNOCENT MAN"!!! The "ACCUSERS" (Satan) has lied, deceived, "suborned Perjury" Falsified Documents for the sole purpose of Vindictive Prosecution in their "Bill of Attainder" to "Murder" the "Innocent"! Turning Constitutional Privileges, & Immunities, & Rights into Crimes (Ex-Post Facto) which at the time of: "Alained Offences" were Not any Crimes at all! ②

②① For these = "FACTS" the ONLY legal Recourse by the "Rule of Law" is: "Reversible Error" "Reversal of Conviction" which automatically is/was Unconstitutional from Inception!

②② If this Court Denies me of my Substantial Due Process Rights (By Aiding & abetting Domestic Enemies) How can this Court violate forbidden Religious Tests? The one or the other would be "Treason" to state, & or Federal Constitutions!!!! "Reversible Error"!!

②③ "Psychological Evaluations are NOT only subjective but Objective! (They are also Constitutionally Forbidden) used by: "Dumb-O-Crats" who: "If you don't think like they do they declare people: "Crazy"! The "Dumb-O-Crats" Never consider they might be the Crazy ones! "Imagine that"! "Reversible Error"!

②④ The state of S.C. Ras: "Suborned Perjury" Under the Attorney Generals (12/08/03 then Henry McMaster, Now Alan Wilsons) & their Minions to include (But Not Limited Hereforeto) Jerry Peace & his Underlings along with other Known & Unknown felonious bad actors (pgs 544-548 trial transcript) Anthony: "(assistant County Prosecutor under Peace)" Anthony admits supposed statements to Domakue (Sled agent) would go to "Negate" Murder or any of the Crimes (without the Trial Jurors Present @ sidebar.) & would go to "Prove" Anthony says it doesn't appear Mrs. Bibbys statement to Domakue to act as a furtherance of Crime but it would actually go to "Negate" anything that had been done before: End Quote!

This trial transcript is NOT only a Proof of "Reasonable Doubt" admitted in a side bar after jurors were excused: ("for legal Discussion told to jury by Judge Macaulley") this is Proof of Conspiracy to Commit fraud Vindictive Prosecution (But NOT Limited Hereforeto) "Reversible Error"!

②②

, & should have Demanded a "Directed Verdict" by My then: "Defunct, Misrepresentation." (Grose & Nettles)

②⑤ All of these Numerous Improperities are Memorialized but so frequent that it is: "Mind Boggling" to think that so Blatant a "Miscarriage of Justice" could be allowed in so many: "Courts of Justice" under the "Rule of Law"!

②⑥ Trial Transcript pg 754 lines 1-17 Parrott admits sled form didn't exist when he signed a 2003 date on a 2006 sled form. (Fraud, Brady Violations / Commission, & Omission, to chance possible Criminal charges.) How Damning was the Document exchanged with the Original "Numbered" Document" as Prior to trial & Demanded my lawyers Not only have Sequentially Numbered Discovery Documents, but Daily transcripts of Trial! Sequentially Numbered Discovery Proves Many: "FACTS"!

① "Brady Violations" "Reversible Error"!

② "Conspiracies" (the then A. G. Henry McMaster & his Underlings, County Prosecutor (But Not Limited heretofore) Because for the Discovery to be in sequential

born it had to be done at the A.G's office! The County Prosecutors: "Suborned Perjury" by continuing the Criminal felonies of Parrott, Ais continued testimony without the state & County Prosecutors Correcting false testimonies (NOT corrected NOR objected to by my trial lawyers) (But Not Limited Hereforeto)
"Reversible Error"!

③ Pg. 774 Lines 10-13 trial transcript testimony of Parrott by Mark McDougal (My Defense Attorney) "Quote": You wouldn't disagree with me that the Murder of Deputy Wilson took place very close to the door???" McDougal admitted, & told jurors that it was: "Murder" when evidence proves different" (Legal Incompetance) (But NOT Limited Hereforeto) "Reversible Error!"
I was denied daily transcripts, & the acoustics were sub-par at the Abbeville Courthouse!

④ Pg 811 of trial transcripts of Joseph Powell: Gun Powder Residue test on Danny Wilson shows powder on left hand back, & front & Gun Powder on back of Right hand of Wilson, but NO mention of Wilsons Right hand Palm! why???. Wilsons hand (Right Hand) had his sidearm in it, as Wilson was Right Handed!

which Not only Proves Wilsons true Intent
over & above: "Insubordination" of Direct
orders at "Roll Call" to NOT go to the Bibbys
House @ 04 Union Church Road, but also as
a "felonious Trespasser" ordered to leave
at least 3 times by Dad (Arthur Bibby)
It also proves states/counties attempted
Cover ups of "Wilson's Crimes"
(But NOT Limited herefore to)
"Reversible Error"!

(27) Pg 961 of trial transcript prosecutor
Jerry Peace: "We have testimony from
witnesses who said that the Bibbys were
going to do what they did on Monday" (How?
Wilson & Outy @ Roll Call were Ordered
to: "Not go to the Bibby house) we have
on the kidnapping charge (How can a
dead man as the "Aggressor" who in
"Insubordination" of Direct Orders of
superiors, who was dead before he hit
the ground" Coroner @ Autopsy (testified
to) we have the Defendant Himself admi-
-tting that he shot the officer (felonious
Trespasser) (No Warrant, No probable cau-
-se, & was ordered @ Roll Call Not to go
to the Bibby house.") Peace continues
that he pulled the Officer into the House"

Peace Continues Perjury. "On the shooting of Outry he was shot in the back (Really? I refer you to Pg 86 of Discovery) Final Anatomic Diagnosis: "Gunshot wound to the back" Yet at the very bottom of the same page of Discovery Pg 86 "Cause of Death:" Gunshot wound to the chest "with Resultant Cardiac Trauma"! (so which is it? ?)

"Reasonable Doubt" or Continuance of "Proven Subornation of Perjury" ???

BOTH! Peace Continues: "we had Admissions from the Defendant through the letters that he shot the individual in the back"! ("I never said I shot or hit anyone, I did say I fired a "Near Miss" @ Outry left hip to be a warning shot to Outry it would have never been fatal"! also: Using Crime scene Photos (arial) shows, & Proves along with Outry's Autopsy Report that with the trajectory of said bullet that killed Outry there is NO possible way that the bullet that killed Outry could have come from the Bigby House. Further Proof is of the supposed witnesses (Craig Jagmom, the 2 Medical Responders) who saw me on the front porch of Dads & Moms, as I ordered Outry to leave he was trespassing Proving with the Bullets Trajectory the ONLY possible

"Subornation of Perjury"! Continued by Solicitor Peace! "Reversible Error"!!
(But NOT Limited Hereforeto)

also: In Deborah Graham's sworn testimony & trial transcript pg 192 Graham stated: Outy Headed back to his Cruiser" If that was so why then was he/Outy behind My Concession Trailer ????"

* "Do you love your?" Perverted, & Evil Religio-
-us tests? Yet Hate scripture that Condemns the very: "soothsayers, Necromancers, & Idoltries" Cursed by God Himself ????

You think you are in Gods Realm, but you are doing the works of the Devil! The Fear of God is to: "Hate Evil". If you Hate Evil what do you do ??? Cover it up ?? God Forbid!! In order to prove the Hate of Evil it must be Brought, to the light, & Exposed fore what it is! Otherwise you are Condemning what is Evil, & giving it Life in the World, & in your Heart. Exposing Evil & seperating yourself is scripturally Encouraged, & also Prayerfully Noteworthy as: "A House divided Cannot stand! & satans House is against itself It Cannot possibly stand"

You have but one choice, if you want to live, & come out alive. You must set aside any Compunctions you have about shooting another man because in this situation it becomes a case of "Kill or Be Killed" !! (The Inalienable/Unalienable Premise of Self-Defense/Self-Preservation is a: God Given Right!)

* "Mans Overtures of the "Lords Prayer", is Vastly different from my: "Divinely Inspired" (Good Friday) April 17th 2020 Orthodox Easter Lords Prayer which Reads "My Father God Almighty, who art in Heaven. Hallowed Eternally be thy Name, thy Kingdom Come, thy Will Be Done, on Earth as it is Done in Heaven, Give Me this Day, My Daily Bread, & Eternally Curse, those whom Curse you, & deceive you, Let these Devils Lead me NOT into Temptation (fore you God Almighty "Do NOT" tempt, Nor will you be Tempted.) But God Almighty Deliver me from all of their Evils; fore I

Am surrounded by: "Blasphemes" & "Anti-Christ Christians" / "Deceptive Demons" until Your second Coming. AMEN!!!

* "I've been pecked on, attacked, Bullied" (Unmercifully) since about 5 years of age "I am a product of society"!! In 2008 I needed new glasses badly. "Nightmare Relived": The only glasses S.C.D.C. gave for a choice were the exact same glasses which caused the Bullying, & turmoil of my entire adolescence!! "I ended" & even made a joke about, & is periodically laughed about today, My calling the said glasses "Abstinence Enhancing Eyewear"! Were these glasses the Test, & trial Eliminating Conjugal Visits?? what if as a trial Experiment (Because Religious/Adultery is NO longer Practiced) women were given these Glasses by these "Planned Abortionhood Clinics" as forms of Birth Control instead of Murdering Innocent Babies???, & forcing Citizens to pay for said Murders? (Points to Ponder!)

* "Psychological Evaluations" like their individual Examiners are theoretical Conjecture at best riddled with all sorts of: "Psychobabble" with Agenda Driven ulterior Motives unsubstantiated (ad-Nauseum) Conclusions, which vary as frequently, & Variably as the Examiners themselves.

Drawing many different Results from
* Misdiagnosis of one Individual (fore
instance ME!), & who will be the one to
challenge, & Debunk these individual "FRAUDS"

* "From Early Childhood I acquired an Ability

letting those around you speak their minds.

"NO ONE" is capable of Dazzling you with
Brilliance or of Baffling you with Bullshit!!)
& given enough time (usually mere minutes)
they will self-Destruct into a Ball of flaming
feces!! with their own self-Agrandizement
& superior Intellectual Misguidance, &
Degradations! My Ability: ("God Given" /
"God Enhanced" used to prove, & expose
fraud by Examiners, & shrinks who Misdi-
agnose me, but yet are themselves the
very definition they "Accuse" (Satan) me
of!! But they also prove that my supposed
Paranoia, & Trust issues are justly
founded by their very Evaluations
& illegal / Unconstitutionally Forbidden
Tests!! Fore Instance with my: "Honor"
& "Integrity" test & led Demier into his
own self-Made delerium of Meglomatic
advanced Inferiority! (They Probably make
Pills fore that.) But Dont Fear: "all"

shrinks have the exact same inferiority complex! They use this lack of ability /to/ of slander, & Defamation, when trying to shift their own shortcomings from view to Refocus attention back on their current victims! why do you suppose they unknowingly like to be called a: "therapist" Their very Nature is in the word itself, & they are too stupid to see it "!!" a Therapist is "the" "Rapist" of the Mind! Unconstitutionally, torturing, harming, Causing Perpetual Trauma Over & over, & over, & over without any Remorse or Consideration of the Continuum of PTSD! which there is "zero" help or hope for inside of these: "fail Growth Industry Hellholes"! for the innocent like me, who have, like myself proven My "total Innocence" since Day One, with Justice Denied because of Corrupt dirty Cops, Judges, Prosecutors (But Not Limited heretofore)

* "Back to Demier: Pg 23 of Demier's Evaluation report which reads:

"He said (Demier referring to me) he expected his attorneys to: "always challenge the Constitutionality of Psychological Evaluations"! He did NOT appear to appreciate the irony that he was explaining this to me while I was conducting a psychological evaluation! !!!

Quite to the Contrary! Doesn't that make it "Double Irony" that Demier could NOT Comprehend that the Honor & Integrity that he so lacks was being exposed by his "Moral Ineptitudes" & "Malfeasance"!!! It also exposed Demiers Unnecessary Bias & Prejudice used again to deflect his own: "Inferiority Complex"!! &: "Narcissistic" Deficiency Disorder! (while out on the street my Mom used to tell me I needed to be at least a little Diplomatic, I Never was able, so I bought a keychain that said: "I refuse to have a battle of wits with Unarmed People"! & showed it to Mom who said: "That's worse than having zero Diplomacy". Dad said: "He's Your Son" to Mom. ! Lol! Almost 58 years, & "it still aint easy being Me"!

* scripture says: "Judge NOT lest you be judged." "I've been falsely judged, fraudulently judged by Satan, & his Evil Demons! My judgement is True! God Forbid Anything Else!! (Ezekiel 3) I don't care what my: "Accusers"/Satan do, but I am going to avoid God's wrath & punishment by bringing all of this Evil, to the "light" from out of the Darkness! & I have Paranoia, & I have trust issues why?? I Cursed, I Cussed I denegated

, & Demoralized Demier to both of his faces!
I did the same thing to Breisner & Maddox!
I pulled NO punches! The Constitutional Viol-
ations of forced, & Treacherously Treasonous
psych. Evils. is the work of the Devil!! It is
NOT Paranoia if you can prove it! & I
Have Proven it!!
