Attn: Clerk

I am forwarding you this letter as a formal request for Immediate action in my Case. It is my understanding that I am at the point in my appeals being exhausted. As a result, I am in the line for execution/Murder!

My Problem is that my case, and The issues of "MERTT" in my Case have "Not" been Completed, & Argued, ruled on, and most importantly exhausted. This can be proven via filed documents, Press Releases, and The Matter of Record. To Explain:

* In 2005, I began presenting documents to my attorneys, and The Courts arguing the Jurisdiction of my Case in the Courts on several matters. Documents were forwarded, and filed on August 2nd 2005 @ 11:50 A.M. by Carol F. Speer Abbeville County Court (s.c.) which Consisted of 7pg Brief: "Error Juris Nocet", & Demand to Quash Indictments" which were never challenged, denied or responded to.

* Then on August ~~20th~~ 2005 I filed a 10 pg brief with The Abbeville General Sessions Court filed by Emily McMahan @ 8:30 A.M. A: Motion & Demand for: "Default Judgement". This above Motion lawfully, legally was filed but was never challenged, disputed, argued so it was never adjudicated by law.

* December 12th 2005 I filed a 13 pg Motion @ 8:30 A.M. 12/14/05 by Shandal Boggs which Never was challenged, refuted, debunked Therefore Never adjudicated by law

* April 30th Brief, filed May 2nd Abbeville General Sessions Court by Shandal Boggs @ 8:30 A.M. which consisted of an 11 pg Brief, Never challenged or Responded to which stands as Unjudicated.

* June 23rd 12 pg filing accepted June 28th 2006 @ 8:30 A.M. by Emily McMahan, & was never challenged, refuted, or responded to or adjudicated according to law!

* June 24th 2006 I filed a 14 pg Brief with the Abbeville General Sessions Court June 26th @ 8:30 A.M. with Emily McMahan accepting document which was a "Demand of South Carolina to Prove Jurisdiction", which was never challenged, refuted, denied, & Never Adjudicated as Justice Prescribes, & Constitutions Demand!
(5)

* August 8th 2011 to Judge Stillwell Greenville County General Sessions Court. a 39 pg "Not so brief" which was never challenged, refuted nor adjudicated as law requires, & Justice, & the U.S. Constitution Demands!

* March 27th 2014 Case # 5 2005-cp-01245, 246 2005-cp-37-455, 456 filed by Beverly H. Whitfield clerk of Court 2014 April 1 P.M. 3:15. A 12 pg Brief in the Unconstitutional, Illegal, treasonous wrongful death suit of 1 Donnie Outy.

* December 15th 2010 letter by Emily McMahon where acceptance of 7 pg letter was then illegally "Un-locked" which is obstruction of Process. Filed on the clock @: "2010 Dec 9 A.M. 8:48 and is: Prima-Facie Evidence!"

* 5:14-cv-02168 R.B.H. Date filed 06/05/14 Pgs 1-27 "Habeas Corpus Writ" also same filing # with another 1-31 pgs from U.S. District Court Colo S.C.; and another 1-6 pgs with same docket #, & date as the other two. My Constitutionally Secured Writ of Habeas Corpus in its official title is secure but unjudicated, unchallenged therefore: FACT!

* July 22nd 2017: 4:17-cv-00954 BHH TER Date filed 7/1/17 Motion for Nom Suit 2 of 2. Also: 4:17-cv-00954 BHH TER 40 pg Brief Habeas Writ jurisdictional issues; Conflict of Interest; Due Process Violations; Derelictions of Duty; Perjury; Conspiracies (But Not Limited Hereto)

* 4:17-CV-00954-BHH-TER-filed March 2018 Habeas Writ, Constitutional Violations, theft of legal Notes by S.C.D.C. employees, Denial of Discovery Piss Sgt Hudson (Property Control) this writ Needs to be "Annassed" with my Writ of Habeas Corpus of 06/05/14 Include: 5:14-CV-02168-RBH-filed 06/05/14 March 25th 2018

* Capital P.C.R. Action/Ca. No 2011-cp-01-110 a 39 pg Brief August 8th 2011 to Robin Stillwell Judge for the (13th) thirteenth Circuit Greenville County Courthouse 305 East North Street Suite 315 Greenville S.C. 29601-2113

* On June 16th 2009, I wrote a letter that by law was to be construed as a "Writ of Habeas Corpus" to the Now, former Chief Justice of the S.C. supreme Court Jean Toal, who apparently rubber stamped a dismissal order on it. I also wrote Jean Toal @ the Challenging of Jean Toal's appointing Robert Dudek of the South Carolinas State appellate Defense office Calling Dudek: "Incompetant, an idiot among other things, to which Jean Toal wrote a scathing reply. (which when I was Unconstitutionally ^{moved} to a Total Lockdown on Sept 11th 2024 became missing) (Iie argued, fought, raised hell, Cussed out these dirty Corrections officers to include Defamatory remarks about Bryan Sterling, Henry Mc(Terrorist) Masters & others as when they searched my legal documents they took lots of legal documents, I would add to this filing. but I probably have enough to give you at the U.S. Supreme Court

to Convince you the Court, with all of the Treasonous & traitorous Acts to date. Many "Impeachments" of Federal, State, & local Judges are long overdue. All of these plus many more filings, were forwarded to, all attorneys involved in my Defense/appeals (But Not limited hereto)

* The filing of these documents was/is Validated in an Article in the "Index Journal" web site on August 3rd which was specifically Cited when my attorneys handed up a Motion that (Bixby) I asked the Court to Consider. The Article went on to report: The Judge (Alexander Macauley) said: "He Might Not Consider it because Defendants who have legal Representation Generally are Not allowed to make Motions directly to the Court." "By Law these filings, & testimonies are: FACT!"

* "All of this proves Multiple Points of Law!"

① I properly filed multiple documents with the Courts Via Mail, & in Open Courts of an issue/s that have NEVER been ruled on, or Adjudicated

② The law states that I can file issues of MERIT in my case whether I am represented or not. There is no law that denies my ability to make any filing;

③ The fact that I did file it with Him (Judge Macaulley / my trial judge) solidifies that it is / was an argument I wanted addressed, at the very least it proves Ineffective Assistance of Counsel, by my Court appointed / Death Penalty Qualified attorneys Not making sure it was addressed. and:

④ Having been properly filed, addressed by the Judge on Record (and with the Media) and "never" adjudicated, These issues have Never been Exhausted!

* All of this Provides clear, & Undeniable proof that there are issues in my Cases filed with the several clerks of Court, & in Courtroom proceedings that were addressed, but have never been Adjudicated. they represent issues of "Merit" on Subject Matter Jurisdiction, Ineffective Assistance of Counsel, and Violations of Due Process of Law.

* This means very clearly, that Exhaustion of issues has "NOT" been met in my Case. I am asking you, & this Court to file the Necessary & Proper

documents to have these matters heard & Obtain a :

"Stay of Execution Proceedings"

as you, & this Court are probably aware S.C.
evil feet are running to shed innocent Blood
with Usurped & Repugnant Jurisdiction amongst
other felonies, & Treasonous Acts & Impeachable
Crimes. (But Not limited hereto)

* I am also forwarding a copy of this to the Clerk of
Court of the Supreme Court to insure that the Record
reflects I first requested this of my Counsel of
Record, to assist in my Copying, & mailing Copies
to the, 1st, 2nd, 3rd, & fourth page named intended
recipients of this document !

* Please respond to this letter and my Request for:
A: "Stay of Execution Proceedings" at your
Earliest possible opportunity, as you know my
situation is Now on a Clock. Thank You!

* U.S. Supreme Court Justice John Marshall
once stated: "Justice Delayed is Justice Denied."
also; In Cohen v. Virginia: (1821) Chief Justice
Marshall also stated: Cohen v. Virginia 19 U.S.
264, 404 goes on to say: "It is most true that
this Court will not take Jurisdiction if it should
not; But it is equally true that it must take
Jurisdiction if it should, the Judiciary "Cannot"
as the legislature may, avoid a measure
because it approaches the

Confines of the Constitution. We cannot "pass it by because it is doubtful. With whatever doubt, & with whatever difficulties a case must be attended we must decide it if it be brought before us. We have no more right to decline the exercise of jurisdiction given than to usurp that which is not given. The one or the other would be Treason to the Constitution."

* Here I sit on my bunk this 19th day of September 2024 working on this legal work, with less than 21 hours before S. C. Murders their first inmate illegally in 13 years. As a "Party to its own suit" which is Treasonous to their oaths of office, perjury, Conspiracy, & other felonies which are impeachable, & the only Constitutional Capital offense. Murder is a Statute Law, Repugnant to Constitutional Scrutiny.!!!!

* Unless this Court gives: "Freddie Owens" a: "Stay of Execution", An Aggregious & Constitutionally Repugnant "Miscarriage of Justice will be Committed". I personally am furious that my legal (Notes & Cases) was/, & still is being held, Molested by these "Weer-do-wells" Public Serpents. May our innocent blood be upon them, & their children. & "Father forgive them Not for they know what they do". "They are of their Father the Devil, & the Devils works they will do".

* State of S. C. v Elliot: 169 S.C. 208, 168 SE 1933, March 15th 1933: Please Chief Justice Concurring (16) I am Constrained to Concur in the opinion of Mr. Bonham because the appelliant is sentenced to Death. The Courts of our state have always resolved every doubt in favor of a Defendant or Appelliant, when the sentence imposed upon him results in the taking of his life.

* With all of the above Filings of my very own, to show these illegal acts, by Courts, Judges, Prosecutors, Defense attorneys, Jurors, I have Not only Proven Beyond

a reasonable doubt, but the very evidence presented in these documents, shows, & as Unchallenged evidence "Proves" My Innocence.

* The benefit of "the Writ of Habeas Corpus" was created for Cases just like mine, where the Courts, Prosecutors & system is so "illegal", "Perverted", "Obstructionous", "Fraudulent", "Conspiratorial", "Evil", "Malicious", "Vindictive", & "Constitutionally Repugnant". "Habeas Corpus" means (Bring the body forward.) (Am Case its been forgotten?), & starts similar to Birth/Inception; Inception of Birth, Inception of Jail with out Jail "the Writ of Habeas Corpus is Invalid, without Pregnancy Abortion is Not Necessary. The Capital Habeas Unit/C.H.U. Crew from Charlotte N.C., has done more in my Defense to date, than all of the attorneys Combined since Day one. "BUT", when they are denied Repugnantly access from Inception, & Denied again Repugnantly, to use the most sacred writ: "The Writ of Habeas Corpus" Justice is not only delayed, denied, obstructed, & Treasonously Perverted. -ed it is Not "Allowed" Until a Case is exhausted, which in & of itself is Repugnant! Then as in my Case, The Federal Courts & the fourth Circuit ← (Not a spelling Err.) Courts tell this Court, the U.S Supreme Court, I have no Right of Appeal to them after the state of S.C. Usurped Unconstitutionally Original Jurisdiction, & is now telling this Court they have no Appellate Jurisdiction either. Is this Court truly an inferior Court?? I believe it is this Courts Constitutional Duty to step forward, Grant the irrefutable "Right" to the writ of Habeas Corpus, as the Constitution Demands making me "Sui Juris", Vacating these false charges, Making restitution in the sum given in the James Trenarant Case, & this Court putting its Proverbial foot in S.C. Ass!

* all of these issues Unjudicated in my case. "Cannot," be just brushed off, They hold "Merit" & by law are "NOT" able to be scrutinized, as the state of S.C. Never once challenged, refuted, or denied my: "legal filings," But did help bringing them to the light. This Court did of course have a "DUTY" & a "Right" to intervene in the "Freddie Owens" Case & Grant a "Stay of Execution, because evidence became known because of one Steven Golden that not only did he make a special deal with S.C. & Prosecutors (Never told Defense) (Brady Violations) & the Jurors were never told. (Prosecutorial Misconduct, Suborning Perjury, which are grounds to set aside / Vacate charges, saving an innocent mans life! The Kicker is though that Steven Golden is Free Now. Freddie Owens "Murdered". Steven Golden cant be retried, & Steven Golden in a sworn affidavit (Part of my C.H.U. Case) witnessed and were present for Golden's sworn statement) where Golden not only admitted to murdering the store clerk, but Golden also said; "Freddie Owens wasn't even present for the Robbery / Murder of the store clerk!! I hope the whinning smiveling daughter, who wanted her 15 minutes of fame got her "Closure" By Aiding, & Abetting a Murder. "Innocent Man." These Corrupt, Unconstitutional state Endorsed Murders are: "NEVER" for Justice but for "Revenge", "Vindictiveness, with Malice & Aforethought as truly: "Premeditated Murder"!!!! "I am as I have Unwaveringly Claimed since Day 1 "An Innocent Man"! & the State of S.C. had any Juris diction (which they dont, & Never have) the falsifying evidence, their sidebars of our innocence outside the presence of the jurors, the Fraud prove my innocence.

The time for Judicial Housecleaning & charges of felonies of Perjury of oaths of office against these "Domestic Enemies/Terrorists" is here! Will this Court do what is Right, & set me free as their oaths to the United States Constitution, which they are: "BOUND", by Declare & Demand they do?? Without Delay?? Lots of Rights are required, to address all of the wrongs, just with the illegal Murder of "Freddie Owens" September 20th 2024, a True Day of "Infamy". I would like @ this time to thank the "Entire" C.H.U. Crew for every thing they have done in my Case, they are NOT responsible for the Corruption of the fourth "Circuit" Court or defuncted Appellate Courts whom are Not the Appropriate Appellate Courts Anyways!!

"Let My Freedoms Ring, & Let Treason Suing"! (my Quote for Decades) No Titles of Nobility (Govt. officials & Cops) No Impunity for Criminal Acts (of Cops, Courts, or any State Employees) No One is above the Law, & No one is below the Law "Abraham Lincoln

"Once life is taken it Cannot be Restored" former U.S. Supreme Court Chief Justice John Marshall in Cohen v. Virginia (1821) Have NO Doubt God is Watching. "Offensivity" is My Forte" Secured

Under "Ezekiel 3" trust

Maybe this Court is Unaware, but after the Murder of Freddie Owens, & his Being Promounced by female Dr., a state person in the room to Coward to be Identified said: "State of S.C. v. Freddie Owens Complete". That's Treason & Murder! These rotten sons of whores, & Beelzebubs Bastards" Woe unto them!

80 day Medical
Notes

April 10th 2024:

- ① April 6th started degludec in place of Levemir for long lasting insulin
- ② degludec seems to work faster in lowering insulin!
- ③ Having Mathematical issues with the Medical Crew who want me to take 80 units. I only want to take 50 units! "The Dr Prescribed 80 Units because that's what he wants you to take". All Nurses Verbatim are saying exact same thing! why??? They don't even know the results for this New stuff or any side effects of it! Feel like a Cash test dummy!
- ④ degludec seems to be working ok as my glucose is staying below 200 regardless of what I consume!
- ⑤ Dr. Douche Bag not wanting to fill any of remaining scripts but pushing hard on degludec! Red flag
Beware!

- ⑩ Nurses trying to push 80 units Unmercifully! My Mind says NO so I tell Nurses NO! If my glucose is stable in a short time why mess with a good thing! Besides we have Not even seen Dr.! why?
- ⑪ April 15th: Face rash getting worse, & head itching! Ask Nurse! Put in sick Call!
- ⑫ No sick Call April 1st! what's going on?
- ⑬ Getting scabs on head under hair!
- ⑭ degludec stabilized Glucose almost overnight! Weird! Too high a dose???
- ⑮ Itching getting worse so is rash on my face
- ⑯ Still No sick Call! (supposed to be on Friday this week)
- ⑰ April 19th No sick call No Dr.!
- ⑱ Tingling in Body, feels like I'm having worse issues with Collards!

(15) Dr. Douchebag / Lobity giving hard time on scripts (Ibuprofen, fish oil, Melite Vitamins, Vitamin B1 which was getting feelings back in legs feet!

(16) 1,50 unit dose of degludec covering 48 hrs. If we get 1 shot every 24 hrs where does the other 25 units go if 50 units is taken in slow release degludec? Overdose??

(17) Nurses say on the yard diabetics are Crashing Left & right due to the Degludec! Wow! Glad I refused 80 units but extremely unsure of even 50 units!

(18) Are we Medical Crash Test dummies for Nordisk/Novolog? feel like a guinea pig!

(19) Keeping my lawyers aware of all I'm told by Medical but probably won't last long Nurses getting annoyed for some reason, & they are more silent of issues with New long lasting Insulin!

(27) find myself sleeping on hands so I don't scratch in my sleep! I don't think this is collards though they are zero help! (Collard 3-4 times a week)

(28) where's my mxtes for allergies?? Medical removed all meds from Medical here on Death Row! (which means no epi pens, No Benedryl!

(29) Medical No interested in rash, my hives my burning, itching or anything else. I could be going into anaphylactic shock? "Sign up for sick Call". Evil bastards!

(30) April 29th: Received pamphlet from Nurse on deglodec! Wow! Huge! Front & Back tests & warnings! Including allergic Reactions we were never warned of! It that why Medical Never Warned us or even were interested in my allergic reactions (plausible deniability) all Nurses are involved Massey, Nurse C, all the New Nurses don't Care Anyways! No Dr.! M.I.U. (Missing in Unaction) How can all of Medical be so unconcerned??

(31) deglodec can Cause allergies up to Death Congestive Heart failure ect.....

(32) Did Dr. Lobitz know of all these side effects but did not warn the diabetics? Also why was Levenire stopped by Manufacture - the same Co. who makes Degludec in Aiken S.C.?

(33) What's Dr. Lobitz financial payday for the poisonous degludec!??
Clearly Lobitz has an interest in degludec usage!

(34) May 3rd : Called Kim told her about my severe Rash, & all (Bleeding scabs) Kim said I had Video Visit on Monday with Fretchen!

(35) tried to come out of Cell @ 2:00 PM for my Video Visit with Fretchen & Waldren said NO, & I said I need to come out for Video Visit @ 2 PM. he said it was Count time, I said so, I have legal Video Visit now. "are you denying legal visit? Open the Door Bitch clearly hyperactive, heightened Anxiety from Rash, itching, burning & wanting to connect with lawyer for her to see how bad my allergic reaction was."

(36) May 6th Jretchen lefted D.W. Chestnut about my major allergy issue! On my way to video visit chestnut saw my face, & told me to go see my lawyer & I said look at my face. "To see your lawyer" I did. Chestnut said I'd have a visit with Dr. as chestnut put me on Sick Call through tepts"

(37) Blew a lot of green snot from chest for about 3-4 hrs. straight with last bit as green as death Row shorts & about $\frac{1}{3}$ of small pill bottle full just on the last few blows of my nose. After that I was light headed dizzy & exhausted!

(38) May 7th: Took last dose of deglader May 6th P.M. Face out of control. No Dr., Nurses don't care. I'm going stir crazy, hypersomically! Tried calling Chu Crew No Answers. Can't sleep (haven't for about 43 hrs Now) Due to allergic reaction! Face bleeding in several spots, thick scabs on face, it ~~burns~~ itches, blisters on cheeks & face! Enough to Drive Insane person Crazy

(39) Tried to take Nap Woke up by usual group saying "All" white Women are wholes! ect. outside my door! Took it out on Chu Crew

(40) Tried Calling Lawyers again & an so much in an allergic state & left messages on a Couple of Machines with a Nigger tirade violating a promise too Kim about it & was a whole different person in my allergic state & Couldn't be Consolated

(41) May 13th: Its Been pure hell past week still No Dr High Glucose levels, but rash 85+ % clear on my face after 7 days mo degledec.

(42) I have a Rash the size of a Volleyball with like a solid Red Mark the size of a Baseball on my chest over my heart

(43) Chestnut put in for another Sick Call for today May 15th but Dr Canceled just like last wednesday! whats really going on?

(44) High glucose even on 3 day fasting!! when I was on lockup on B-side for 17 days I was on leyspire prior too But refused all food & Meds! while refusing everything my Glucose was @ 110 - 115 fasting! My Glucose fasting on degledec is rising. last Night May 16th) Glucose was @ 436!

(45) I've not taken any Novolog (Regular Insulin) in over 1 year Now, & Medical is trying to Convince me to take it to lower my glucose quick or it will: "Burn Out my Kidneys". (Nurse Massey) Is it the Diabetes Burning out Kidneys or the poisonous Novolog, & or Degludec?? I sense, & feel a Coverup!

(46) Who Can you Trust in Medical? No one! What do you do when you have a Major Medical issue & ~~that~~ one is responding or Caring? Hypocritical both a joke!

(47) If allergic rash went from my face to my chest what damage to said organs is it Causing? Permanent damage due to Degludec or Medical Malpractice?? What's our Recourse?? There is NO Medical Records, no paper trail other than texts from Treetiken to Chestnut, & Vice Versa! If Chestnut actually did respond!

(48) May 17th 2024: P.M. Checked Glucose @ P.M. Check, & got a 236 with zero meds! That's Great, as I Cannot take Anything Anyways. NO Damn Kops either!

- (49) Severe jaw ache on left side upper & lower jaw. (May 18th)
- (50) Rash driving me crazy itching on chest burning as well. Face is getting inflamed again!
- (51) May 19th: Pressure in chest, feels like chest is pushing outwards!
- (52) talked to David Weiss on video chat. told him my issues. (May 20th)
- (53) May 21st Called Kim talked to her told her issues with Rash, burning feeling like shingles, But spreading first from face severely to chest to face again but still on face and is getting worse on face again. I am still being avoided by Dr. Lobitz
- (54) I'm having Major issues which have gotten progressively worse since around April 6th 2024; the same time that Liveness ended & Deglader started. I can't remember certain simple things that I'm looking directly at like for instance food items directly in front of me! Its scary! what the fuck is this Deglader? Poisonous bullshit.

(55) May 25th 2024: Same de same de since May 21st! Memory of Items is about same or slightly worse. Not a lot of Noticeable changes

(56) May 25th 2024 AM. Glucose @ 557 am all New High! Can't take any of the Insulin because it's all experimental by Nordisk in Aiken S.C.! So I am at a medical Impasse due to SCDC's poisonous forcing of Novolog & degludec from the Co. Nordisk!! Still have seen No Dr. for my allergic Reaction!

(57) May 26th: a single white head boil under each arm! On left arm boil is on body under arm. On right arm boil is actually on underside of arm itself.

(58) Memory lapse is Aggravating as it is a defect of progression in Conversations.

(59) May 27th: whiteheads of Unnormal sizes on Boils.

(60) Last Night with oversized whiteheads on Boils woke up with both whiteheads gone!?

(61) May 27th: Still Nurses don't care just like my first major allergy issues on April May 6th one Month later since first Allergy symptoms arose. I keep being told to put in sick Call but Dr. is absent & keeps Canceling Sick Call for 3 weeks Now! (Plausible Deniability) If you don't have sick Call, & Nurses told Not to Care then did it ever happen? Bastards!

(62) May 28, 30 years ago today Kathy took my girls, left, & separated from me & I have not seen my girls in 30 years Now!

(63) Called Michelle Thompson today @ 11:30 & she wouldn't take my Call, & had the Call screener tell me she was working on my case, & to Call her later this week. Very odd since when do my attorneys or like Michelle, My Attorneys assistants refuse my Calls?? They Work for me not Vice-Versa!

(64) May 28th P.M. Meds/Glucose check my Glucose was "421" Can't take Novo-log nor degludec because of my allergy to the degludec as Novo-log/Lenemere/degludec are all made by Nordisk in Aiken South Carolina

(65) May 28th: Still have Major rash on my chest, feels like pressure pushing out of my chest in my heart region as well as itching burning Now around my waist. I Hope this God Forsaken evil shit Hurrys & gets the fuck out of my body It is Uncontrollable just like if I had shingles. I've been out of my prescription Zyrtec since May 16th 2024 with a few refills left supposedly on Auto-refill.

(66) May 29th 2024: Major Headache, didn't eat breakfast, chest itches, Burns, & I am having chest pains, the chest pains are ribs, & heart region that feel like there is outward pressure on chest not like a heart attack that feels like you have someone sitting on your chest. The chest pains only make me gasp for my breath when they are strong which is about every couple of minutes! Thighs are rashy with severe itching with waist & chest. But who cares right? Called to Chew Crew yesterday, No Kim, Michelle. wouldn't take my call, & receptionist told me to call later this week from Michelle who was Right there. The only one from Chew Crew I've talked to was David Weiss

last week @ Video visit, no one else
can be bothered to represent me of
course except Kim last week (26th May)
oh how I feel so Needed! / Wanted since
May 10th! Mental Health Month is Now
aggravated by Chu Crew?!! as long
as my beliefs are same as theirs I
am accepted but they expect me to be
Inclusive, & Accepting but they are
neither if it doesn't equal their
beliefs, & thoughts of abortion, homo
sexuality, Racism, Democracy v.
Republic ect....! They are not opposed
to the constant Rape, Rape, & Rapes
that I have by Blacks for past 20+ years
Now with white women being the main
ingredient to this Barrage of Racist
& Predatory Actions, & Behaviors!
C.O.S are Now becoming voices against
"white whores"! (all white women) they
act all Nice to the white females of the
Chu Crew while talking shit behind
their backs! (Evil Bastards) Yet I am
taking retaliatory Brunt because the
white females of Chu Crew have no clue!
I wish I were as protected as I protect
& guard the girls of the Chu Crew!!!
"If they only knew"! See something say
something ??? (or hear??) "I have NO one"!!!

(67) Retraction of #62: This Itching & Burning has me so fucked up I am one month (June 28th) until the 30 year anniversary of Kathy leaving me, & taking my 3 girls (She didn't want, but didn't want me to have either) away from me! This degleded is real bad, I'm literally losing speech & words, & trains of thought. It is an alarming transformation of myself that even scares me! I'm worried.

(68) May 29th 2024: When I get done scratching I'm re-scratching. I swear to God the Itching, & Burning feels like I have shingles overtaking my entire body but I know its the God Damned degleded I have still flowing through my veins. It is not Collards we have had no Collards for almost two weeks now, & that gets my face, & I have rives just from their presence without any contact.

(69) May 30th 2024 P.M. Glucose was 450⁺ Massey asked if I wanted anything I said NO the poison they including here, were pushing is deadly, & there was no other alternatives! I said to her she was as faulty as Dr. Lobitz as she was

Covering for his Incompetence & Malpractice as she, & the other nurses were not even interested in any issues or having. She said sign up for sick call & told her that's a joke as the past several weeks he Dr Tobity has canceled sick call using it as Plausible Deniability he saw nothing. I didn't have any issues as he wasn't told nor was he aware of any issues as Incompetent Nurses relay nothing, & do the Drs Biddings all corrupt including her & told Massey a pill pass! I've for years backed Massey Now to hell with her. Her oath is as valuable as her! It is worthless for she sees Corruption, is actually part of that very Corruption & she has full access to S.C.D.C Medical director to make things happen!!!!!! But is too yellow to act! Damn her to hell!

(70) May 30th: left jaw aching & shifting its location giving jaw disalignment so its hard to eat!

(71) May 31st: jaw major issue with real bad pain. limited eating because of it.

(72) June 1st 2024: Got scripts of Aspirin & Zyrtec today! Took long enough! popped first of each in a couple of weeks! It doesn't feel like my heart is trying to evacuate my chest the hard way now! (through the Ribs)

(73) jaw still aching like hell! Cant eat much!

(74) June 2nd 2024: Face starting to rash again! No Collards in over 2 weeks now so thats Not the issue so it has to be the Continued poisoning by "degledac"! June 6th is the 2 month period since first taking degledac in April 6th 2024, & ending several years of Levenmere!

(75) Contemplating Fast on June 4th 2024 to see if my Glucose goes down to the low 100's or slightly under like when I was sanctioned on B side 2 years ago, & went on hunger strike. My Glucose went immediately down to low 100's!

(76) jaw still causing major issue where I had sepsis in 2017!

(77) June 3rd 2024: Glucose @ 275 which is lowest since being on degludec almost 1 month ago. So it appears Glucose is lowering on its own with Nothing to aid it! June 16th is the 2 month anniversary starting in the degludec which lasts/stays in your system 48 hrs. each dose!

(78) June 4th 2024: "Fasting all day to see P.M. Glucose reading to see if poisonous degludec is still in my system?? Hopefully its gone?? I have no other alternatives, & trust none of these Nurses to give me the right stuff if something were available. I've no choice but to drop about 30-40 LB^s, & get away from all Medical! Its the only solution to a death, death or death Row situation. Crazy!

(79) June 4th 2024: PM Glucose @ "150" so I'm just about clear of degludec & David Weiss contacted Chestnut today & Chestnut left David Back, & said Dr. Lobitz to see me tomorrow @ Sick Call Nurse (said Lobitz gone till August! All lies talked to Blair today Video visit!

(80) June 5th 2024: Saw Black nurse with Nurse Massey, all my tests were normal, & I'm being put back on Metformin 500 mg twice daily, Ibuprophen again and attempting Vitamin B1! Now I see medical after all the poison of degludec is out of my system! Weight "253" So I'm slowly losing weight so I will continue with my workouts & cut -ting food portions in half! It is steady progress. Saw Nurses @ 2:00 PM!

Dear Gretchen:

Dec 8th 2024

This letter comes to you in need of your assistance in photocopying the enclosed documents. I need 3 Copies plus the original of all of the documents including the 1 page letter of the clerk of Court (U.S. Supreme Court) denying my access to the Court unless I jump through hoops which is a clear "Obstruction of Process", as the Courts are open to "We the People" 24/7/365 for "Redress of Grievance", & as a private Citizen (Not a Lawyer) I am not subject by law to the same scrutiny! This of course is enclosed with my 16 page filing with the Court which is stamped by the Court Oct 16th 2024! Today is my 21 year Anniversary of the attack against us in S.C.'s War Against us to steal, Covert Bear false Witness, Murder, we the Sixty's to widen Hwy 72 in Abbeville S.C. to which the state had No lawful Nor

Legal Right too, as in S.C. a Plat & a Deed stand as facts. Unchallengeable fact? Please include 3 Copies plus this original letter to you. I am extremely apprehensive of the Video visit with Dr. DeMeyers (Shrink) tomorrow as it mysteriously follows the In person visit with David Nov. 21st which infuriated me due to the fact that it was the same date on Nov 21st 1864 that Lydia Bibby (Cousin) received a letter of Condolence from Abraham Lincoln (Lincoln's letters Pg 1332) for the loss of her 5 sons in the Civil War (also my Cousins) 21+ Years of Continued Proclamation of my total Innocence, the murder of my Parents & the attempted murder of myself with the Proof of my Innocence, plus the Eid falsifications in Conspiracy against us where is our justice by Crooked Cops, & Judges who've had zero jurisdiction since day one, but have Usurped Repugnant, & Unconstitutional Jurisdiction! To Murder the Bibbys for Revenge! That we had the

Courage, & Intestinal fortitude to take on the same Treasonous Regime that is, & was as Evil today as it was in its Treasonous acts Prior to the Civil war. There is a Reason why: "Lady Justice" has a blindfold on! Justice isn't the Incident itself it is in Regards of what Brought the Incident on!!! were the Reactions Justifiable by Law because of actions that Created Reactions? In our Case Yes! Police ordered not to go to the Bixby Property at Roll Call (8:30 AM) by Chief Deputy Sheriff, & Sheriff, but the Rogue officer Did Insubordinately, & Illegally becoming a "Felomious Trespasser" with No Warrant, No Probable Cause. Wilson Kicked the door into my Dads head as Dad attempted to close the front door, it was on Wilsons second attempt he was shot. By me in "Self-Defense"/"Self Preservation"! Murder is with Knowledge & Aforethought! How Could we have known what Wilsons intentions were when the Chief Deputy, & the Sheriff himself didnt know that their Deputy was planning Criminal Acts that he was ordered not to do at Roll Call approximately 30 minutes earlier?? all of these Judges (all) are Treasonous

to their oaths of office as they are aiding and abetting each other to commit Murder that is Forbidden by the U.S. Constitution, Not only because the state is a party to its own sin, but also because the Murder "statute" is attempting to Circumvent the U.S. Constitution (Nullifying the statute as it is "Repugnant"!). But Not Limited heretofore! where is my Justice as its supposed to be: "Impartial"! Every Possible Due Process Violation that Can Be Violated Has Been Violated with Total Impunity! "No One is above the law, & No one is below the law"! Abraham Lincoln! Also: "The People are the Masters of both Congress and Courts, Not to overthrow the Constitution but to Overthrow the Men who Pervert it." Abraham Lincoln Also: "If by mere force of Numbers a Majority, should deny a Minority of any Clearly written Constitutional Right, it might in a Moral point of view justify Revolution." Abraham Lincoln (1809-1865) 16th U.S. President, source First Inaugural address 4 March 1861! You know that, in, & by the U.S. Constitution the Religious freedoms are "Forbidden" but yet as day

day one of my case it is Unconstitutionally tested. why? when the Constitution specifically states: "where the state is a party the U.S. Supreme Court shall have original jurisdiction!" (Article 3 Section 2 Clause 2) "The Supremacy Clause" of the U.S. Constitution says: "when a state & the Federal Constitutions are in scrutiny the Federal Constitution Nullifies the state Constitution!" Title 17 Section 17-1-10 states in part the state is a Party to all suits! why the Constant attempt to Call & Condemn me as Crazy? Is it like David said Nov 21st which Coincidentally is the same Crap Richard Frierson at my P.C.R. attempted, & is on the transcript that: "I don't think like you"! So because I have different thoughts, & I am not a "delusional Dumb-O-Crat" (Democrat) I must be Crazy!! ??? Its like I told David is: "Misrepresentation still Representation?? Im Not sure I'll ever be able to overcome the Blatant Betrayal! I've had 9+ psychological evaluations, and as shrinks the must use the same methods and books for evaluation but yet so far all 9 evaluations are different! Impossible!

so is the problem the shrinks of lawyers??
This is why its impossible for me to trust!!!

Its hard for a person too accept betrayal
when those around you feign honor & integ-
-rity, & Trust as Judas! St. Luke 11:45-54!

The U.S. Constitution: Forbids Religious tests
but it does not forbid Constitutional tests!

The Legislatures, Courts, & Executive Branches
have been overrun by Lawyers which is/was
cautioned of by the founders & by quotes
in the Federalist Papers & other sacred doc-
-uments including Scripture with Christ Him-
-self! Mom used to say in Court as she represent-

-ed clients as a Non-Lawyer: "Lawyers
are Omitted from the Constitution, & are
Condemned in the Bible! Lawyers always
challenged My Mom in Court because she
was Not: "a Lawyer Practicing Law"

Mom used to tell the Courts "No I am
Not Practicing Law, I know the Law!
& hold up her N. H. State Constitution!
(NH was first state in Country / Union to
write its own Constitution!) Article

10 N.H. Constitution: Right to Revolt
against Tyranny & Oppression! (Right)

I would also like three (3) Copies of
this letter plus its Original! Thanks

I need all of this A.S.A.P! This letter was Not intended to be this long but it is Really Lomely, & it being the time of year that it is, & being illegally Unconstititionally locked down for execution status but Cant be read the illegal Death Warrant until April or May 2025! This Bill of Attainder Punishing us for Non-Criminal Crimes is forbidden as well but those who do Not know the Constitution will be hung by it because of their Oaths to God to put themselves into a position of trust when either they lied at oaths or lie Now Either one is Treasonous to Oaths or to the Constitution, & this Includes the Supreme Court! It makes my dream I've had at least 2+ dozen times standing in front of the U.S. Supreme Court in D.C. on a dirt pile with a Gallows for 12. I am Not sure if its Used, or Awaits its intended Traitors?!! "Let My Freedoms Ring & let Treason Swing"!! Again Please 3 Copies of this, & other documents plus The Originals! Thanks

" I am forwarding you this letter as a formal request for: "Immediate Action" in my Case. It is my understanding that I am at the point in my appeals being Exhausted, as a result I am in the line for: "Execution/Murder"!!!

* My Problem is that my Case, & the issues of "MERIT" in my Case have "NOT" been Completed, & argued, ruled on and most importantly exhausted. This can be proven via filed documents, Press Releases, and the matter of record to Explain:

* In 2005, I began presenting documents to my attorneys, and the Courts arguing jurisdiction of my Case in the Courts on several matters. Documents were forwarded, and filed on August 2nd 2005 @ 11:50AM. By Carol F. Speer Abbeville County Court (S.C.) which consisted of a 7pg Brief: "Error Juris Nocet" & "Demand to Quash Indictments" which were "NEVER" challenged, Denied or Responded to

* Then on August 22nd 2005, I filed a 10pg Brief with the Abbeville General Sessions Court filed by Emily McMahan @ 8:30 AM. A Motion, & Demand for "Default Judgement" This above Motion, Lawfully, legally was filed, but was NEVER, challenged, disputed argued, so it was never Adjudicated by Law!!

* December 12th 2005, I filed a 18 pg Motion @ 8:30 AM. 12/14/05 by Shandal Boggs which was "NEVER" challenged, refuted, debunked, therefore Never Adjudicated by Law".

* April 30th ²⁰⁰⁶ brief filed May 2nd Abbeville General Sessions Court by Shandal Boggs @ 8:30 AM. which Consisted of an 11pg Brief NEVER challenged or responded to which stands as Unadjudicated.

* June 23rd, 12 pg filing, Accepted June 28th 2006 @ 8:30 AM by Emily McMahan, & was "NEVER" challenged, refuted, or responded to, or Adjudicated, According to Law!!

* June 24th 2006, I filed a 14 pg Brief with the Abbeville General Sessions Court June 26th @ 8:30 A.M. With Emily McMahan accepting document which was a: "Demand of South Carolina to Prove Jurisdiction" - which was NEVER challenged, refuted, denied, & Never adjudicated, as Justice Prescribes & Constitutions Demand.

* August 8th 2011 to Judge Stillwell Greenville County General Sessions Court a 39 page (Not so brief) which was NEVER challenged, refuted nor adjudicated, as law requires, & Justice, & the U.S. Constitution Demand!!!!

* March 27th 2014 Case # 2005-CP-01-245, 246; 2005-CP-37-455, 456, filed by Beverly Whitfield Clerk of Court 2014 April 1, P.M. 3:15, a 12pg brief in the Unconstitutional, illegal, Treasonous, wrongful Death suit of 1 Domnie Outy.

* December 15th 2010 letter by Emily Mc Mahan where Acceptance of 7pg letter was then illegally "un-checked", which is Obstruction of Process filed on the clock @: 2010 December 9th A.M. 8:48, & is "Prima Facie Evidence"!!

* 5:14-CV-02168-RBH: Date filed 06/05/14; pg 1-27 "Habeas Corpus Writ" also: same filing # with another 1-36 pgs from U.S. District Court, Colo S.C. & another 1-6 pgs with same docket # & date as the other two. My Constitutionally Secured Writ of Habeas Corpus: "In its official title is secure but Unadjudicated, Unchallenged therefore "FACT"!!

* July 22nd 2017: 4:17-CV-00954-BHH-TER-Date filed 7/17 Motion for: "Nom. Suit" 2 of 2; also: 4:17-CV-00954-BHH-TER- 40 pg Brief Habeas Writ, Jurisdictional Issues, Conflict of Interest, Due Process Violations, Dereliction of Duties, Perjury, Conspiracies. (But Not limited hereto)

* 4:17-CV-00954 BHH TER Filed March 28 2018 Habeas Writ
Constitutional Violations, Theft of legal notes by
S.C.D.C. employees; Denial of Discovery Pica by
Sgt. Hudson (Property Control) This writ needs
to be "Amassed" with my writ of Habeas Corpus
of 06/05/14 Include 5:14-CV-02168 RBH filed 06/05/14
March 25th 2018

* Capital P.C.R. Action/CA. No. 2011-CP-01-110
A 39 pg Brief August 8th 2011 to Robin Stillwell
Judge for the thirteenth Judicial Circuit
Greenville County Courthouse 305 east north
street Suite 315 Greenville S.C. 29601-2113

* On June 6th 2004 I wrote a letter that by
law was to be construed as a: "Writ of Habeas
Corpus to ~~the~~ ^{now} ~~then~~ Former chief justice of the
S.C. supreme Court Jean Toal who apparently
rubber stamped a dismissal order on it. I also
wrote Jean Toal @ the challenging of Jean Toal
appointing Robert Dudek of the South Carolina
state appellate Defenders office. Calling Dudek
Incompetent, & an idiot among other things
to which Jean Toal wrote a scathing reply
which when I was Unconstitutionally
Moved to total lockdown Sept 15th 2004
I've argued, fought, raised hell, cursed out
these dirty Corrections officers to include
defamatory Remarks about Bryan Sterling
Henry Mc (Terrorist) Masters & others as when

They searched my legal documents they took lots of legal documents I would add to this filing. but I probably have enough to give you at the U.S. Supreme Court to convince you the Court with all the treasonous, traitorous acts to date Many "Impeachments" of federal state, & local judges are long overdue!

All of these plus many more filings were forwarded to all attorneys involved in my defense / appeals. (But Not limited hereto)

* The filing of these documents was / is validated in an article in the "Index Journal" website on August 3rd 2005 which specifically cited when my attorneys handed up a Motion that Bixby (I) asked the Court to Consider. The article went on to report: "The judge (Alexander Macauley) said he might not consider it because Defendants who have legal representation generally are not allowed to make Motions directly to the Court".

By law these filings - and the reported testimonies - "Are Fact"

* All of this proves multiple points of Law:
① I properly filed multiple documents with the Courts via Mail, & in open Court of an issue that have never been ruled on. or adjudicated. ⑧

② "The Law States that I can file issues of "Merit" in my Case whether I am represented or Not. There is NO law that denies my ability to Make any filing"!

③ "The fact that I did file it with him (Judge Macauley / My Trial Judge) solidifies that it is / was an argument I wanted addressed. At the very least, it Proves Ineffective Assistance of Counsel, By My Court appointed / Death Penalty Qualified Attorneys, Not Making sure it was addressed"; And:

④ "Having been properly filed, addressed by the judge on record (& with the Media) and NEVER adjudicated this / these issues have never been Exhausted"!

* All of this Provides, Clear, & Undeniable Proofs, that there are issues in my Cases filed with the several Clerks of Court, & in Courtroom proceedings, that were addressed, but have NEVER been Adjudicated. They Represent issues of "Merit" on Subject Matter Jurisdiction, Ineffective Assistance of Counsel, & Violations of "Due Process of Law".

* This Means Very Clearly, That Exhaustion of Issues has: "NOT" been met in my Case. I am asking you, & this Court to file the Necessary & Proper Documents to have these Matters Heard:

& Obtain a: "Stay of Execution Proceedings." As you, & this Court are Probably aware S.C.S. "Evil feet are running to: "Shed Innocent Blood" With Usurped, & Repugnant Jurisdiction Amongst other felonious, & Treasonous acts, & Impeachable Crimes." (But Not limited hereto)

* I am also forwarding a Copy of this to the Clerk of Court, of the Supreme Court to insure that the record reflects I first requested this of My Counsel of Record, to assist me in Copying, & Mailing Copies to the, 1st; 2nd; 3rd, & fourth page Named attended recipients - of this document.

* Please respond to this letter, & my request for: "Stay of Execution Proceedings" at your earliest possible opportunity, as you know, my situation is Now on a clock. Thank You!

* U.S. Supreme Court Chief Justice John Marshall once stated: "Justice Delayed is Justice Denied" ¹ also: In Cohen v. Virginia (1821) Chief Justice Marshall also stated: "Cohen v. Virginia: 19 U.S. 264, 404 goes on to say: "It is most true that this Court will Not take Jurisdiction if it should not, but it is equally true, that it must take Jurisdiction if it should, The Judiciary "Cannot" as the legislature may, avoid a measure because it approaches Confines of the Constitution. We "Cannot" pass it by because it is doubtful. With whatever doubts, & with whatever difficulties a Case "Must" be attended. We Must

If it be brought before us. We have no more Right to decline the exercise of jurisdiction which is given, than to usurp that which is Not given. The one or the other would be Treason to the Constitution".

* "Here I sit on my Bunk this 19th day of September 2024 working on this legal work, with less than 21 Hours before S.C. Murders their first inmate in 13 years "illegally"! As a Party to its own suit" which is Treason -ous to their Oaths of office, Perjury, Conspiracy, & other felonies, which are also impeachable, & the only Constitutional Capital Offense. Murder is Statute Law Repeigmant to Constitutional Derecting."

* "Unless this Court gives: "Freddie Owens" a "Stay of Execution", an Aggregious, & Constitutionally Repeigmant "Miscarriage of Justice" will be Committed. I personally am furious that my legal (Votes & Cases) was/is, being held, Molest by these: "Neer-do-wells" Public Serpents. "May our Innocent Blood be upon them & their children" & "Father forgive them NOT for they know what they do". "They are of their Father the Devil & the Devils works they will do"! "

* State of S.C. v. Elliot = 169 S.C. 208, 168 SE 1933 March 15th 1933: "Blease Chief Justice Concurring (6) "I am Constrained, to Concur in the opinion of Mr. Bonham, because the appellat is sentenced to Death The Courts of our State, have always resolved every doubt, in favor of a Defendant or Appellant when the sentence imposed upon him results in the taking of his life".

* "With all the above filings of my Very Own to show illegal Acts, by Courts, Judges, Prosecutors Defense Attorneys, jurors, I have not only Proven Beyond

a reasonable doubt, but the very evidence presented in these documents, shows, & as Unchallengeable Evidence "Proves" my Innocence.

* "The Benefit of : "The Writ of Habeas Corpus" was created for Cases just like mine, where the Courts Prosecutions, & system is so illegal, Perverted, obstructionous, Fraudulent, Conspiratorial, Evil, Malicious, Vindictive, & Constitutionally Repugnant. Habeas Corpus means : "Bring the Body Forward." (in Case its been forgotten) & starts similar to Birth / Inception, Inception of Birth, Inception of Jail, without Jail, the writ of Habeas Corpus is Invalid. "Without Pregnancy Abortion is Not Necessary!" The Capital Habeas Unit / C.H.U. Crew from Charlotte N.C has done more in my defence, than all of my Attorneys Combined since day one "BUT", when they are denied "Repugnantly" access from Inception, & Denied again "Repugnantly" to use the most "Sacred" writ "The Writ of Habeas Corpus" Justice is Not only delayed, denied, obstructed, & Treasonously Perverted it is Not "Allowed", until a Case is Exhausted which in & of itself is Repugnant, Then as in my Case the Federal Courts, & Fourth "Circus" < (Not a spelling err) Courts tell this Court, The U.S. Supreme Court that I have no right to appeal to them after the state of S.C. Usurped Unconstitutionally, Original Jurisdiction & is Now telling this Court they have No appellate Jurisdiction either. So this Court truly an inferior Court ?? I believe it is this Courts Constitutional Duty, to step forward Grant the irrefutable "Right" to the writ of Habeas Corpus as the Constitution Demands making me "Sui Juris", Vacating these false charges, making the Restitution in the sum given in the James Tregarant Case, & this Court putting its proverbial foot in S.C.'s ASS!

* All of the issues Unadjudicated in my Case, : "CANNOT" be just brushed off. They Hold "Merit" & by law are Not able to be scrutinized, as the state of S.C. Never once challenged, refuted or denied my "legal findings" But did help bringing them to the light. This Court did of course have a "Duty" & a "Right" to intervene in the "Freddie Owens" Case, & Grant a : "Stay of Execution", because evidence became known, because of one "Steven Golden" That, Not only did he make a "Special Deal" with S.C. & Prosecutors (Never told to the Defense) (Brady Violations), & the jurors were Never told. (Prosecutorial Misconduct, Suborning Perjury.) which are grounds to set aside / Vacate charges "Saving an Innocent Man's life". The Kicker is though that Steven Golden is Free Now, "Freddie Owens is Murdered". Steven Golden Can't be re-tried, & Steven Golden in a sworn affidavit (Part of my C.H.U. Crew Witnessed, & were present for Golden's sworn statement.) where Golden, Not only admitted to Murdering the store clerk, But Golden also said: "Freddie Owens wasn't even present for the Robbery / Murder of store clerk". "I hope the 'Whinning' & 'Smiveling' daughter who wanted her 15 minutes of fame, got her: "Closure" by Aiding, & Abetting a Murder "Innocent Man" These Corrupt, Unconstitutional state Endorsed Murderers are: "NEVER" for justice but for: "Revenge"; "Vindictiveness", with "Malice" & "Aforethought" as truly: "Premeditated Murder".!!!! I am as I have Unwaveringly Claimed since day 1. "An Innocent Man" If the state of S.C. had any jurisdiction (which they don't, & never have) The falsifying of evidence, their sidebars of our Innocence, outside the jurors presence. The time for Judicial House cleaning, & charges of felonies, of Perjury of Oaths of Office against these Domestic Enemies / Terrorists is Here! Will this Court do what's Right, & set me free, as their Oaths to the United States Constitution; which they

"BOUND" by Declare, & Demand they do ??? Without Delay ?? " Lots of Rights are required to address all of the wrongs, just with the illegal the illegal Murder of "Freddie Owens" September 20th 2024, a true day of infamy".
"I would like to @ this time, thank the "Entire" C. H. U. Gen fore everything they have done in my case. They are "NOT" responsible for the Corruption of the fourth "Circuit" Court or Defuncted Appellate Courts whom are NOT the appropriate appellate Courts Anyways" !!
"Let my Freedoms Ring, & Let Treason Swing"! (My Quote for Decades.) "No titles of Nobility" (Govt. officials, & Cops.) "No Impunity for Criminal Acts". (of Cops, Courts, or any State Employees.) No one is above the law, & No one is below the law "Abraham Lincoln"
"Once life is taken it "Cannot" be Restored." Former U.S. Supreme Court Chief Justice John Marshall: Cohen v. Virginia: (1821) there no doubt "God is Watching" !! "Offensivity is My Forte." Secured Under Ezekiel 3 Trust. Maybe this Court is unaware but after the Murder of Freddie Owens, & his being pronounced by female Dr. a state person in the room to Coward to be identified said: "State of S.C. v. Freddie Owens Complete"! These Rotten sons of whores, & Beelzebubs Bastards!"
"Woe Unto Them"!

Pursuant to the Laws of the South Carolina and the United States Constitutions the above Defendants moves the Court in The interest of Justice and Laws to Vacate above Indictments because of thier Violations Against the Constitutions of both State and United States and that ARTHUR W. BIXBY, RITA G. BIXBY, ANGELA R. MOBLEY and I STEVEN V. BIXBY be released forthwith without any delay in the name of Justice Indictments being VOID AB INITIO. The Demand For Release is sought this 2nd Day of August 2005 A.D. That Justice and also Freedoms And Liberties may be Totaly Restored to the Sui Juris

"Error Juris Nocet"
"Demand To Quash Indictments"

This second day of August 2005 A.D. I Steven Bixby (Defendant) State vs. Bixby's speak also on behalf of Arthur W. Bixby and Rita G. Bixby in the Quashing of Indictments for Violations of Not only the state Constitution But also United States Constitution making Indictments: 04GS01-131 and Indictment: 04GS01-323 and Indictment: 04GS-01-324 (Arthur W. Bixby) and ~~Indictment: 04GS01-130~~ ^{SUB # 04GS01-130} and Indictment: 04GS01-325 (Rita G. Bixby) and also The Indictment: 04GS01-129 (ANGELA R. MOBLEY) and Indictment: 04GS01-132 and Indictment: 04GS01-321 and Indictment: 04GS01-322 (Steven Bixby)

The above Indictments are VOID ab initio for the facts they violate South Carolina State Constitution: Article 1 section 3, Article 1 section 4, Article 1 section 10, Article 1 section 12, Article 1 section 14, Article 5 section 22, and Article 17 section part 2 and part 3 and Not Limited there to!

And I demand the above Indictments Be vacated and Quashed Because of Violations of The United States Constitution: Amendment 4, Amendment 5, Amendment 6, Amendment 7, Amendment 14, But not Limited thereto!

It being given into evidence today this 2nd day of August 2005 A.D. The above listed Indictments

having been Construed through Malice, Fraud, Revenge Coercion, Conspiracy and attempted Murder as well as other Felonies Violating Oaths of office to uphold The Constitution of South Carolina as well as the Constitution of the United States of America to which said Violations are Perjury of Oath of office a Felony as follows:

On March 15th 2004 A.D. 18 Grand Jurors to include Mr. James Burriss and 17 other accomplices (other Jurors) along with Natalie Talbert and Townes Jones did violate not only thier Oaths of office but also the Constitutional RIGHTS of ARTHUR W. BIXBY, RITA G. BIXBY, ANGELA R. MOBLEY and I STEVEN V. BIXBY by knowingly and willfully violating Defendants said rights both willfully and maliciously. The Grand Jury was Convened lawfully to the point of entering the building thereafter they committed Crimes by (A) allowing any statements or testimony by anyone while none of the above defendants were present. (B) By James Burriss and his Co-Conspirators bringing a Verdict which proves trial was had against the (C) Four above Defendants which Violates the RIGHTS of above said defendants and has irreparably harmed the above said Defendants unlawfully, Illegally, Unconstitutionally making the Indictments #s: 04GS01131, 04GS01-323, 04GS01-324 for ARTHUR W. BIXBY and Indictments: 04GS01-130, 04GS01-325 for RITA G. BIXBY

and Indictment: 04GS01-129 ANGELA R. MOBLEY
 and Indictments: 04GS01-132, 04GS01-321, 04GS01-322
 for STEVEN V. BIXBY all VOID ab initio because they
 Violate the rights of the Sui Juris above named Def
 endants as well as the Violation of the sacred Oaths
 of office which were sworn before God Almighty which
 Townes Jones, Natalie Talbert, James Burriss and the
 other 12 Jurors Knowingly and Contemptuously Violated.

Both South Carolina State and United States Constitu
 tions were violated^{sub.} in the following manners:
 South Carolina Constitution: Article 1 section 3:
 The above Defendants Arthur W. Bixby, Rita G. Bixby
 Angela R. Mobley, and I Steven V. Bixby were illegally
 Indicted on March 15th 2004 in Abbeville when we were
denied Liberty and Life because we weren't allowed to
 be present to face our accusers while a mock Jury
 was enpaneled which violated thier Oaths and the Const
 itutions of both State and U.S. which is a Felony (Perjury)
 On March 15th 2004 Knowingly and Maliciously we the above
 Defendants were also denied equal protections of the
 laws which is discrimination as well as a direct Violat
 ion of both Oath of office and Violation of State and
 U.S. Constitutions which is Felony (Perjury) Crimes by
 Jones, Talbert, Burriss and 12 other Jurors and any other
 person there in the Courtroom while said Crimes were
 Committed. Article 1 section 9 was also Violated in the

Constitution of South Carolina on March 15th 2004 when
 We the above defendants were denied equal access to
 be at the Trial where a Verdict was reached and we
 were unable to legally defend ourselves due to the Violation
 of our Rights By Jones, Talbert, Burriss and the 17 other
 Jurors. Also on said Indictments of March 15th 2004
 for Arthur W. Bixby there are three (3) Warrants and Five
 Indictment Charges. Where are the other two (2) Warrants
 No Warrants where did the other charges arise from
 And Steven V. Bixby also (3) Warrants (5) Charges Where are
 the other Warrants?? Natalie Talbert Witnessed and
 Townes Jones was apparently there as well as others I
 would imagine which would show Conspiracy by us not
 allowed to be there. The police were there the Solicitor
 was there the Jury was there Trial was Had, evidence
 was illegally submitted without any of the Defendants
 allowed to face or question their accusers which is a
 blatant Violation of Constitutions as well as oaths to
 support those Constitutions By Corrupt Public Servants
 which have violated their offices numerous times already
 who enforced the Rights of the above Defendants on
 March 15th 2004??? Who kept or made the Jury fair and
 impartial (under Article 1 section 14) ??? Which is another
 Constitutional violation of both oaths of the Planti-
 ffs and The Constitutional Unalienable to keep the
 Jury impartial and fair. Also : Article 1 section 12 : We are
 still incarcerated after a Trial on March 15th 2004 where

there was also a verdict found which is in Violation of our RIGHTS under our Double Jeopardy where we have been tried without being able to be present and The Jurors, Talbert, Jones and anyone else in the Courtroom allowed to present evidence, give statements, sway and Coerce Jurors to bring Verdicts without any of the Defendants able to defend themselves against such attacks. All the above Indictments are all VOID ab initio because of the Errors and Violations which were Sworn to by the Grand Jury and Townes Jones, and Natalie Talbert.

At the Indictment of August 3rd 2004 we Under Color of law were Re-indicted for the Second time for Rita Bixby for the second and third time for Arthur Bixby and for Steven V. Bixby Verdicts were reached but we still were not allowed to be present (we: ARTHUR BIXBY, RITA BIXBY, ~~STEVEN V. BIXBY~~^{SVB.} ANGELA MOBLEY, not STEVEN BIXBY).

Also United States Constitutional RIGHTS were Violated By the Grand Jury, Natalie Talbert and Townes Jones as follows: Amendment #4 Amendment 5, Amendment 6, Amendment 7, and Amendment 14. all in Violation of the Jurors Oaths, Natalie Talberts Oaths, Townes Jones Oaths and by Violations of Oaths The Jurors have Committed Perjury So have Jones and Talbert Committed Perjury for Oath Violations. The states charges are all therefore VOID ab initio And Demand is made that all of the above said defendant's be released from illegal incarceration immediately forth-

With without any further delay and that our records
 Arthur W. Bixbys, Rita G. Bixbys, Angela R. Mobleys and
 nine Steven V. Bixby be cleared and that we be returned
 Sui Juris as we should have been since 12-08-03!

It is further demanded that all those present for the March
 15th 2004 Illegal Indictment as well as the August 31st 2004
 Indictment be brought forward to answer for their Crimes
 of Violations of Oaths of office (Felony, Perjury) as
 well as Violations of our rights. Any delay in either the
 release of ARTHUR W. BIXBY, RITA G. BIXBY, ANG
 ELA R. MOBLEY or Me STEVEN V. BIXBY with all of
 the above mentioned records expunged or a delay in the
 apprehension and arrest for Felony Perjury of all Grand
 Jurors, and Natalie Talbert, or Townes Jones shall be
 deemed and construed as a direct violation of the
 Oath of office of the sworn to Brandish Justice as
 well as a violation of State and United States Constit
 utions, and should be considered Harboring and Aiding and
 Abetting Felony Fugitives, which are Felonies as well
 as dereliction of Duties also a violation of Sworn
 Oaths as Public Servants.

This Court has been shown Constitutional Rights Violat
 ions, proven and Condemned by their own papertrail
 to Conspire to illegally detain Arthur, Rita, Steven Bixby
 under Color of law. Therefore We the above DEMAND
 our Freedoms and Liberties be Restored IMMEDIATELY
 with no further delay whatsoever. We DEMAND that

True Justice be administered by the four (4) Defendants be release cleared of all charges and the Jurors who broke thier Oaths (sworn to uphold) and Natalie Talbert who Violated Oaths Committed Crimes and Townes Jones who Violated ^{SVB} ~~SVB~~ Oaths of office and illegally and Maliciously have incarcerated us the last 20 months unlawfully Be brought To Justice! Bixby jury will come from another county

Family members are charged in officers' slayings

August 3, 2005

By VIC MacDONALD

Index-Journal regional editor

From left, Greenwood and Abbeville Counties Chief Public Defender Charles Grose, murder suspect Steven Bixby and attorney Bill Nettles listen to questions from 11th Circuit Judge Marc Westbrook during Tuesday's hearing.

ABBEVILLE — County residents will not sit on the jury that will decide the innocence or guilt of a man accused of murder in the shooting deaths of two law officers 20 months ago.

Circuit Judge Marc Westbrook decided Tuesday that jurors will be impaneled in another county and possibly brought to Abbeville for Steven Bixby's trial. Although a trial date has not been set, Westbrook said it could take place between mid-February and mid-March.

The question of whether the trial will remain in Abbeville hinges on a security plan that Westbrook instructed Abbeville County Sheriff Charles Goodwin to prepare. Once the plan is made available to attorneys in two weeks, the court will hear arguments about keeping the trial location in Abbeville.

Bixby attorney Charles Grose argued for the change-of-venue motion because of the "dramatic impact this case has had on this county."

"People knew these officers," he told the court, with family members of the victims sitting in the audience. "People have opinions."

Steven Bixby and father Arthur are charged with murder in the deaths of Sheriff's Sgt. Danny Wilson and constable Donnie Ouzts, who had gone to the Bixby home on S.C. 72 to mediate a land dispute related to the widening of the highway.

The state is seeking the death penalty against Steven Bixby.

Rita Bixby, Steven Bixby's mother, is charged with accessory before the fact of murder, conspiracy to commit murder and misprison of a felony, which means failure to report the planning of a crime.

Westbrook said his decision to have jurors from another county hear the Steven Bixby trial should be viewed as "a positive thing." He said it showed the good stead in which the officers were held by the people of the community.

Eighth Circuit Solicitor Jerry Peace said after the hearing that he did not oppose the change-of-venue motion because "I couldn't imagine it not being granted."

It would have cost the defense \$10,000-\$20,000 to survey the public on its opinions about the case,

he said, in an attempt to determine if people likely to be picked for the jury could be impartial. Peace also said he could not find a legal reason to object to a defense motion in Rita Bixby's case that would allow her to visit Arthur in the Laurens jail.

Rita Bixby attorney Jeff Bloom asked Westbrook to grant the visitation because the Bixbys, who have been married for 40 years, have "some matters to discuss ... related to their relationship."

Rita Bixby also will be allowed to visit the Abbeville house where the 14-hour standoff that resulted in the two officers' deaths and the arrests of her son and husband happened Dec. 8, 2003.

Bloom said there are photos, legal papers and medical files in the home that are necessary for Rita Bixby's defense. The bullet-riddled house has been boarded up since just after the incident.

Rita Bixby will not be allowed out of jail on bond, however. Westbrook agreed with Peace's arguments that Rita Bixby's 60 years living outside South Carolina gave her connections to people who could assist her in avoiding prosecution. Peace also successfully argued that Rita Bixby is a danger to the community.

Steven and Rita Bixby had separate hearings before Westbrook at the Abbeville Courthouse. At one point, Steven Bixby rose to address the court.

His lawyers quickly huddled with him, on Westbrook's instruction, and then whisked him off to a room for a private conference. Afterward, they handed up a motion that Bixby asked the court to consider.

After reading the handwritten document, Westbrook made it available to reporters. The judge said he might not consider it because defendants who have legal representation generally are not allowed to make motions directly to the court.

Bixby's seven-page "motion" asked for a quashing of the indictments in the case because the charges had "been construed through malice, fraud, revenge, coercion, conspiracy and attempted murder as well as other felonies violating oaths of office to uphold the Constitution of South Carolina as well as the Constitution of the United States of America to which said violations are perjury of oath of office a felony ..."

The document alleges that the prosecutors and grand jurors violated their oaths of office when they issued indictments on March 15, 2004.

"He showed no remorse," said Marilyn Lee, Wilson's sister. "No remorse at all."

She said Wilson family members attended the hearing and plan to attend all hearings and trials because "we owe that to him - the whole town owes that to him."

I STEVEN V. BIXBY This 16th of August 2005 A.D.
DEMAND a "Default Judgement" against the State
of South Carolina in the ~~04~~^{S.V.B.} Case Referenced to because
of the states non-answer of Motions filed August 2nd
2005 A.D. @ 11:50 A.M. in the Abbeville General Sessions Court
accepted and Recieved By Your Honor Macc Westbrook in
Hand Regarding the Motions to "Quash" above Referenced
Indictments as well as "Error Juris Nocet" and VOID
ab-initio Accepted by Carol F. SPEER Clerk of Court.
The Paperwork was Accepted by the Court filed with the
Court because of "MY RIGHT" to file and be Heard by the

Court "For" "THE RECORD" "Impropria Persona" "Sui Juris"

On August 2nd 2005 A.D. Apparently Judge Marc Westbrook (Judge Appointed over the STEVEN V. BIXBY TRIAL) read the Motions and gave a statement to Vic MacDonald in Regards to the Motions Steven V. Bixby filed August 2nd 2005 A.D. Which Was Given in an Interview form August 2nd 2005 A.D. And written as a news paper article In the August 3rd Index Journal which I will Now Quote "for the Record" After reading the Handwritten Document, Westbrook made it Available to reporters. The Judge said he might not Consider it because defendants who have legal representation generally are not allowed to make motions directly to the Court." End Quote. 1
Q What laws prohibit the filing of Motions to the Court by a "Impropria Persona Sui Juris Pro Se Defendant"? Is it Article 1 Section 2 of the South Carolina Constitution which gives each person "The right to petition the government or any department Redress of Grievances"? OR ARTICLE 1 Section 3: Due Process nor shall any person be denied the equal protection of the Laws"? OR Article 1 section 9: "All Courts shall be public and every person shall have speedy Remedy therein for wrongs sustained"? OR ARTICLE 1 Section 14: "And to be fully heard in his defense by himself or by his Counsel or by BOTH"! OR the United STATES Constitution: Amendment #1: Freedom of Speech and Right to petition (through Motions in this case) the government for a Redress of Grievances OR AMENDMENT #5 'Nor be deprived of Life, Liberty or Property, without Due Process of Law"! AMENDMENT #6 "And Have the Assistance of Counsel

for his defense"! OR AMENDMENT 14: "No State shall make or enforce any Law which shall abridge the Privileges or Immunities of Citizens of the United States; Nor shall any State deprive any person of Life, Liberty, or property, without due Process of Law; Nor Deny to any person within its Jurisdiction the equal Protection of the Laws! There-fore How Can this Court in the Interest of Justice Violate (Knowingly) my Rights to address the Court?? Also If I am not allowed by the Court the GOD given "RIGHT" TO "FREEDOMS of SPEECH" Then ~~Why~~ why does the Court go through the Process of Swearing me in on each and every single appearance Since Judge Macc Westbrook was appointed October 1st 2004? I am sworn in to tell the Truth the Whole Truth and Nothing but The Truth So Help me GOD! If the Court Denies my Right to address the Court (MY RIGHT) then that is a Violation of MY STATE and United States Constitutional Rights in direct Violation of Oaths of Office as well as Discrimination and Bias and Prejudice: "Therefore the Court Must: Grant: Quashing of above Indictments on or before Arthur W. Bixby and Rita G. Bixby, Angela R. MOBLEY and E Steven V. Bixby and ALSO Grant (because of non address of Grievances) 'Default Judgement' against the State and County of Abbeville County! The State was given ample time set by the Court and Judge Westbrook to address the motions filed and accepted on August 2nd 2005 A.D.! Rules of Procedure allow (Federal) 10 days or about to challenge Motions! From August 2nd to August 12th is ten days and I have added 1e way to the State in filing this Grievance and Demand before the Court "for the Record"!!

Also: The statement given by Marc Westbrook in my absence as was given to Vic MacDonald is also in direct ^{and conflict} ~~order~~ of a "GAG" order given By Judge Westbrook on October 1st 2004! The only choice given to the Court is to "go by the laws" and exonerate the 3 Bixbys and Angela Mobley forth-with with not a nano-Second of delay and Honor the laws and Oaths that have been sworn by you to uphold! Some "Greedy for Power" and "Corrupt Public Servants" Try to Manipulate The Very Constitutions they swore to uphold knowing they are bound only by those who are educated enough to "Know thier Rights and Dare Maintain them"! This Court Has Been given "NO CHOICE" but to do thier Sworn Job (under Oath) and bring forth the Bixby's and Mobley Freedoms and Liberties or stand on the Record Knowingly and Intentionally (in front of the Entire Nation) Committing Crimes against "We The People" "The Sovereign" "The MASTERS" Judicial being Subserviant to "We the People"!!! "BOUND by Article VI on Paragraphs 3 and 4 which States: "This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the Supreme Law of the Land; And the Judges in every State shall be bound thereby, anything in the Constitution or Laws of any State to the Contrary NOTWITHSTANDING"

"The Senators and Representatives before mentioned, and the several State Legislatures, and all executive and Judicial officers both of the United States and of the several States, shall be bound by Oath or Affirmation, To support this Constitution; But no Religious Test shall ever be Required as a Qualification to any office or public

Trust under the United States": "Oaths have been Sworn to GOD ALMIGHTY" And you Cannot serve two masters you must chose either "GOD" or "Mammon" GOD sets the 4 above "VICTIMS Free"! and "Mammon" Violates under Oath to GOD for no other reasons than for Self-Protection of Corruption and each other (Who will in Violation of this Demand be self Condemning)!

I have been Sworn in 3 times by the Court in Front of Judge Macc Westbrook I have Sworn to tell the Truth; "which the Court doesn't want to hear". The whole Truth: "which im not allowed to present in my favor"! That puts this Courts "HONOR" in Question for the fact that according to statements given to Vic MacDonald (I may not be allowed to address the Court because I have "Legal Representation" (as far as Motions are Concerned)! How Can the Court allow Partial Constitutionality and Not Total Constitutionality? IT CANNOT! Partial Right to address the Court as far as being "legally Interrogated" by the Court! But no Right to the ability to tell the Truth The whole Truth and Nothing but the Truth ~~help~~ me GOD ?? Which I have been sworn in for each and every time Since this Trial Started!! The "ONLY" Reason for not addressing Motions filed By me Steven Bixby on behalf of Arthur J Bixby, Rita G. Bixby, Angela R. Mobley and myself is because "Truth and Justice are Unchallengeable"! If these Indictments are not "Quashed" "Error Juris Moret" "Void Ab-initio it will Prove one of the Smartest Men this Free (or once free) Country Has ever Known Could foresee through Divine Intervention" our Future 229+ Years before its Occurance which Reads: "Our Rulers will become Corrupt, Our People Caceless, the time

for fixing every essential right on a legal Basis is while our rulers are honest and ourselves United. From the Conclusion of this War, we shall be going downhill. It will not be then Necessary to resort every moment to the people for support. They will be forgotten, therefore, and their Rights Disregarded. They will forget themselves, but in the sole faculty of making money and will never think of uniting to effect a due respect for their Rights. The shackles therefore, which will not be knocked off at the Conclusion of this War, will remain on as long, will be made heavier and heavier, Til our rights shall revive or expire in a Convulsion"! ("Comments and notes to the State of Virginia," QUORY 17 Page 10 1784) Thomas Jefferson! And also:

"Power Corrupts." The full Quote is: "Liberty is not a means to a higher political end. It is itself the highest Political end. Liberty is the only object which benefits all alike, and Provokes no Sincere opposition - The danger is not that a particular Class is unfit to govern. Every class is unfit to Govern - Power tends to Corrupt, and absolute power Corrupts absolutely". Lord Acton (1834-1902)

If the Court Denies Justice and Freedom be enforced to the 4 Defendants under "Default Judgement" "Error Juris Nocet" Motion to Quash Indictments" as "VOID Ab-initio, Totally Disregarding "The Supreme Law of The Land" What Laws have they that Supersede the Supreme Laws of the Land?? Any laws that violate the S.C Constitution or the United States Constitution are "Null and VOID" "VOID Ab-initio" for all intents and Purposes!

Would any law that knowingly Violates the rights of a "Sovereign" Not actually being law but put under disguise to appear to be lawfull is VOID Ab-initio! Have the once Free People given up essential Liberty for a little temporary Safety ?? "They that can give up essential Liberty to purchase a little temporary Safety DESERVES NEITHER LIBERTY NOR SAFETY." BENJAMIN FRANKLIN!!!

THEREFORE: Let the Courts order be right, True and also Just in the immediate release and Quashing of the Illegal Indictments through the Papers filed in Abbeville General Sessions on August 2nd by and because of a "Default Judgement" ordered against the State filed with this Court (for denial to address the Motions in a timely fashion) and that the Sui Juris Defendants be restored without further delay and stall Tactics for doing; as you under no Coercion or threat Swore Under Oath to do!! "Our Founding Fathers gave us the Declaration of Independance and the Constitution of the United States of America to protect us from Corrupt Governments and Ruthless Dictatorships Not to protect Corrupt Governments and Ruthless Dictatorships against US!" We the 4 above named Defendants Demand you to do your Job as a public servant Bound to the Constitution through "We the People" or hereby to condemn yourself by not only the illegal incarceration of yet also the illegal Persecution of the Defendants: Arthur J. Bixby, Rita G. Bixby, Angela R. Mobley and J Steven L. Bixby Let the Demand for Default Judgement be the key of Knowledge that brings Justified, Correct, legal and Honest.

Liberties and Freedoms to the falsely and illegally accused!
This Court here today has the ability to Resist Tyrants
Will it? OR will it prove to be the Tyrant? If the Laws in
this Motion Entered "In the Evidence" for the Record are Violated
Tyranny has been unveiled and exposed! And "Resistance to
Tyrants is Obedience to GOD" Benjamin Franklin!

I Speak for the other (3) three Defendants when I say
Remove these charges which are given under Fraud, Decept-
-ion, Conspiracy, Coercion to which the State is also in Default
on answering or challenging in required time! "But not limi-
ted thereto on anything in this ten Page Demand!"

The above is the Truth and
Nothing but the truth and
GOD FORBID Anything
else!

men to do nothing." Edmund Burke

December 12th 2005

I Steven Bixby this 12th day of December 2005 A.D. Bring Before Judge Macauley a Demand of Freedom I ask for NOTHING But Demand JUSTICE be served on the States "DEFAULT" to which they had the time and opportunity to have responded and or challenged the "TRUTH" I Filed August 2nd 2005 And Again August 22nd 2005. This Court Claims to be a Court of Law? But doesn't Follow by the Laws. I on Behalf of the above Defendants in the interest of "JUSTICE" Demand that The

Above Defendants be restored "Sui Juris" And that our "RIGHTS" be secured from being Violated from a "Rogue" "Corrupt" "Unchallengably Unconstitutional" "Totalitarian" "Oppressive" "Tyrannistic Dictatorship."

"It is to late for the state to challenge the "TRUTH" of the August 2nd and August 22nd 2005 "Legal" and "Factual" Documents which stand as fact because they were unchallenged! The State is in Blatant Default and the only Remedy to the Situation is to "DO" the "Oath" sworn to do in Front of "GOD" or be in Self-Condernation. Another "Unquestionable" "Fact" is That My Lawyers are even according to the "Supreme Law of The Land" "Assistance of Counsel" "With the Utmost Respect". I am Filing this Demand Not For a Argumental Challenge That Opportunity has long Passed and in "TOTAL" "DEFAULT".

Will the Very Oaths Sworn to by this Court be again in "ERROR" "???" OR Will This Court do as Prescribed by The "CONSTITUTION" which is the "SUPREME LAW of THE LAND" And Set ARTHUR, RITA and STEVEN BIXBY Free Restore thier Liberties making the above Sui Juris again the way the should have been and Stayed since December 8th 2003 The Day The Defendants were "Illegally^{SUB} Attacked at

04 Union Church Road in Abbeville!

To this date we the Bixbys have not received any Justice at all in The State of South Carolina! We were model citizens Prior to 12/08/03 Then Just Went Bad ??? NO That is a "LIE" Straight from "LIARS" MOUTHS! NOT ONLY Were "Felony" CRIMES COMMITTED against us December ~~8th~~^{5th} 8th 2003 But They have been Continually Committed since 12/08/03! Our Civil Rights have been VIOLATED in Ways to Numerous to mention in Less than a Briet Smaller than The New York Phone Book! Regardless Your Oaths were "SWORN" Comit to "TRUTH" or Comit to The Continuing Lies Regardless of which You Still must either Follow by the Laws or You have shown Your "Disobediance" and "Lawlessness" Are you above the Laws? GOD FORBID! We the Bixbys have all endured Cruel and Unusual Punishment ~~Due~~ to the States "CRIMES AND COVERUPS" AFTER 24 MONTHS and 4 days are we the BIXBY'S Finally going to find Justice with JUDGE Macauley? I PRAY TO GOD JUSTICE Has been found after 734 days of ILEGAL and Injust Incarceration for the mere Purpose of Covering up the GOD'S Honest "TRUTH" AND ALSO BRINGING THE EVIL as Well as ABBEVILLE

And Sled To the light out of the Darkness where they preferred to have remained!!

Opportunity was given for "JUSTICE" to have been administered Prior to the middle of September of this year and "GOD ALMIGHTY Himself" did administer Swift Justice! Coincidence? NO!

Matthew 7:1-2: "JUDGE not, that you be not Judged". "For with what Judgement you Judge, You will be Judged; and with the measure you use it will be measured back to you".

We the Bixby's have been accused of being a threat to society! How? We are not now nor have we ever been a threat to society! We are Considered a threat to the Corrupt Judicial System in exposing all of their knowing Unconstitutionality!

If this Court doesn't bring forth our Releases and execute our Releases forthwith they are in Constitutional Error and Condemn themselves!

JAMES 2:10: "For whoever shall Keep the whole law, and yet Stumble in one Point He is guilty of all."

Those who do lawlessness and are wicked be Warned: Ezekiel 3:18-19: "When I say to the Wicked, 'You shall surely die,' and you shall give him no warning, nor speak to warn him the Wicked from his Wicked way, to save his life that same Wicked man shall Die in his iniquity; But his Blood I

Will Require at your hand." Yet if you warn the wicked and ~~he~~^{SUB} He does not turn from his Wicked way nor from his Wickedness he shall die in his iniquity; But you have delivered your soul.

Zachariah 5:3-4: "This is the 'CURSE' that goes out over the face of the 'WHOLE EARTH'; 'Every thief shall be expelled', according to this side of the scroll; and 'EVERY' Perjurer shall be expelled, according to this side of It." "I Will send out the 'CURSE'", says the Lord of Hosts; "It shall enter the house of the thief and the one who swears falsely by my name." It shall remain in the midst of his house (Courthouse?) And Consume it with its Timbers and Stones." That is The Vision of the Flying Scrolls.

What is the Fear of GOD ?? "The Fear of GOD is to Hate EVIL" If you Hate EVIL Do You Cover it up ?? "GOD FORBID"! IF YOU TRULY HATE EVIL You Bring EVIL to the LIGHT! "Since 12/08/03 (and before evidence Proves) the Bixbys have brought evil to the light" How long has Evil been present in Abbeville? When Was Abbeville founded? Where is the Center of Abbeville? Where else but at the Courthouse on the Square in Abbeville is Reknowned Center of Abbeville! "GOD Has Given his Word against those who Perjure thier Oaths to him!"

Need more proof? Still not a believer? Want to
 be a believer?? Do you want more evidence??
 Can you handle the GODS Honest Unquestionable
 Truth?? There's no question GODS Divine Intervention!
 This is "GODS WRATH": On September 14th 2004
 The Honorable Macc Westbrook was assigned to the
 Bixbys Cases! On August 2nd and August 22nd 2005
 I Filed Paperwork against the State and the Court
 regarding not only Civil Rights Violations but also
 showed Corruption and Evil through the system in
 South Carolina and it wasn't even a tip of the
 Iceberg as evidence will Prove! But of Course
 not Limited thereto! And the Court had 20 days to
 challenge, refute, argue or fight the accusations
 why didn't they? Because the TRUTH Can't be
 fought. This whole incident arises from 12-08-03
 challenging the Courts open and Bias Equal and
 Guaranteed Protection of laws which have been
 Violated by the State against the Bixby's and
 is a total Violation of the Bixby's and also
 Mobleys Due Process Rights! To say the least
 But not limited thereto! By the Court not respond-
 ing to paperwork Filed by me on August 2nd 05
 and with the paperwork I filed on August 22nd 05
 they are (the State) is and was in Default! Judge
 Westbrook tried to sweep the paperwork under the
 rug but is and was unable to Cover up the Truth!

I have every right guaranteed under the Constitution to Prepare, Submit, Present and Have heard any and all Paperwork for my defense and it cant lawfully be Stopped, Blocked or denied because its a guarantee! To Stop, Block, deny or Withhold such paperwork is a Violation to support, Protect and Defend the State as well as the United States Constitutions and also a "Violation" of Oath SWORN TO GOD.

Well by trying to ignore my August 2nd and August 22nd paperwork Westbrook Violated his Oath of Office! Marc Westbrook was Killed in an Automobile Accident on September 14th 2005 Exactly one Year to the date that Westbrook was assigned to the Bixby Case! Marc Westbrook Was Buried more than Coincidentally on September 17th 2005 Every True American Knows that September 17th Is Constitution Day! Westbrook's not only Violating the Constitution but his Oath to GOD ALMIGHTY as well first and foremost; was buried on the 17th of September Constitution Day! "Poetic Justice!" "GODS Will Be Done"! I was initially shocked not for Westbrook's Death But GODS Promise of TRUE JUSTICE and GODS Incredible WRATH! Unquestionable and Unbridled Power! "GODS Will be Done on Earth as it is in Heaven". And GOD has Forbid Evil to stop his messengers and the TRUTH! Who is there who will challenge GOD?? Test and see!!

Who claims to be the Law yet believe they are
 above that very Law??? Your choice it is either
 GOD or Mammon! GOD Set the Bixbys (Arthur
 Rita, Steven) Free as well as Mobley! Mammon is a
 Leap of Faithlessness Self Condemning to an ^{eternity} ~~eternity~~
 of HELL! It should be a no Brainer! I know Justice
 is Lacking severely in South Carolina in Abbeville
 Greenwood and Last but not least in Anderson
 with Public Defender Jenniffer Johnson play-
 ing musical charges thinking shes a Solicitor
 Kurt Tavenier also a Public Defender Conspiring
 to threat, intimidate, Coerce Fred Randal Brown
 in open Court with the aid and admittion of the
 Solicitor and because Fred Brown challenged
 Tavenier with a Grievance and had an investig-
 -ation of Tavenier, Tavenier along with the
 Solicitor Conspired together in Front of Judge
 Newman to railroad Fred Brown! This all happen-
 -ed on 12/08/05 at the Anderson Courthouse!!!!
 I have well documented Cases of threat and
 Coercion and intimidation by the Public Defenders
 office "Either Plea Bargain or sit in Jail till
 you Will Plea Bargain" We are supposedly innoc-
 -ent until Proven Guilty" We are treated worse awai-
 -ting trial then those Convicted Trustees are who
 Came from Prison! Why havent the Bixbys been
 brought to TRIAL? I Submit The State has no

Case against the Bixbys and That Arthur Bixby and Rita Bixby are still alive! In January of 2004 I was told when I ordered a Speedy Trial that I would be in Trial by December 2004 then I was told Spring 2005, Then Summer 2005, then Fall 2005 Then Spring 2006 and now Summer 2006 How many more Non-Compliance of Rule 5 and Brady Motions are to be allowed? If the state has such a Case against us why the delays?? Still where is my Parents and my Justice?? Why are the real Criminals still on the street while we are in Jail when we were the ones attacked??? This Case is loaded with Proof of GODS Promises being fulfilled and GOD destroying Evil and his Peoples Enemies!! Was New Orleans another Sodom and Gomorrah?? New Orleans was a City of Sin!! GODS WRATH WILL GET WORSE BEFORE IF GETS BETTER IF IT EVER DOES GET BETTER AGAIN!!!!

The proof is in the August 2nd And August 22nd 2005 paperwork all you need to do your honor is to do what is right and backed by Laws that say set us Free! NOW! Its your sworn Oath and your Duty as being a Judge to Preserve, Protect and Secure Justice That Your "Bound" by The State And United States Constitutions to do!! Will You do Your Job?? Your Oath To GOD FORBIDS

Any thing else! I dont know You, but time will tell
If We are Released like the Law Demands!

If Not no more need be said you have Condemned
yourself by your own actions!

I Pray you are an Honest, Fair and TRUE
Judge who follows By his Oath First and to
be foremost in your career and in your life!

If you are then I Hope im not the first and
I will Pray im not the last to Bless you through
GOD for Your Honesty, TRUTH and Sacred Oath!!!

IF NOT I DONT BELIEVE I NEED SAY MORE!
The LORD shall Deal with you in his own Special way!

Im not asking for a Miracle Im asking God to
Make Justice true Swift and Correct by releasing
us Free from all of these Corrupt evil and Unjust
Incarcerations immediatly without further delay!
You would be protected by the Laws because
you would be abiding by the Laws you have
Sworn to uphold! Somewhere in this Totalitarian
and Oppressive state there should be a Judge who
believes and follows to a "T" what they swore
thier Oath to! Are You That man? After 734
days of ilegal detainment I Hope you are that man!
We are ~~not~~ the Criminals here The State Knows this
Our Friends Know this (and yes we have plenty of
friends out there!) Consider this my special appear-

- once there is nothing to be argued the time is up your moment has slipped away! I ask now that you do your Job, release us and make things right as is perscribed by law!!!! Also the Laws State that Under the Double Jeopardy Clauses of the South Carolina as well as the United States Constitutions that: "No person shall be put in Jeopardy twice of Life, Liberty or Pursuit of Happiness". Therefore Any thing that Violates Those Sacred Laws that "ALL" JUDGES are "BOUND" by when they take Thier Oaths is invalid, VOID Ab initio and UnConstitutional NULL AND VOID!

Now I Know Some (they will remain nameless at this time) would say this is all "RHETERIC" But the same Unearthly Power that Led me to write ~~the~~^{21st} the August 2nd and August 22nd Letters and Motions Led me to this! And ILL Say for the Record (as this will be filed) "The Truth is not Rheteric Unless the Truth would be prefered to be left in the Dark by Oppressors and Tyrants"! LET OUR FREEDOMS RING! TURN ARTHUR and RITA and STEVEN BIXBY LOOSE and also set Free ANGELA MOBLEY!!!

This Demand is made on this 12th Day of December 2005 TO be a YES or NO Decision Not up for any arguments or Discussion

Whatsoever! Thank you for your time and your attention to the need for Justice for the Bixby's from illegal Incarceration and Persecution!!!
Your answer your honor will be Unquestionable and will determine which side of the laws you Stand! Do Justice! Fulfill your Oath! GOD is watching!

Thank you
Sincerely Yours

Johnson JR. (The Questionably Honorable) other Co-Conspirators involved in the ilegalities are to include: Lester J. Johnson JR (SLED), Sherri Lydon, Lansing "Pete" Logan, David H. Givens, Natalie Talbert to which the Wire tap was/is ilegal its a Violation of the above named detendants³¹¹⁹ Constitutional Rights of the 4th 5th Amendments and is an ilegal Search and Seizure is also Ex Post Facto Warrants There are Blatant Lies from Robert Stewart all the way down the chain of Command in the attempt to ilegaly and Unlawfully through Color of Law, Collusion, Conspiracy, Deceit, Perjury

Corruption, Mallice, Knowledge of the above listed Crimes with no care or regards to the Detendants Rights ^{SUB} or thier sworn Oaths of Offices (of the above agents) that swore by Oath or Affirmation to secue, protect, defend the Constitutions against both foreign and domestic enemies Under the letter-head of Marc Sanford/Governor for the December 8th Wiretap illegally achieved, Unlawfully obtained, Malliciously Under many "Lies" Granted by Judge Johnson JR. But Not Limited Hereto.

Summary: For these Reasons and many more this Court has no choice but Exclude these Violations from Discovery and under the Exclusionary Rule the Warrants and all that pertain to those Warrants is inadmissable in Court/Trial.

ALSO: Because of the Indictments of August 2nd 2004 and of March 15th 2004 fall under the Same Catagories for all the above mentioned Detendants as well!

Conclusion: Had I Not seen all of the Blatant and Criminal Warrants by all of the Above entitled Individuals I'd have never believed it! There are so many other things I could have gotten into about the above warrants but they are well addressed in this letter and will be even Further addressed if need be!! We the Detendants Demand that these Warrants be Excluded immediatly in the name of Justice! By Law I have a Right to address the Court but the Court is out of Order so it may not acknowledge this filing

If that be the Case then this is filed in the Record and will be shown to the Jury If this Case gets that ^{sub} far. We the Bixbys are not and can not be blamed for any of the occurrences of the 08th of December 2003 regardless of how the state tries to twist the Case around to fit its own Coverup and agenda of the actual events of December 8th 2003! I for one will not allow that to happen Regardless of the States plan or agenda to Cover up thier Criminal Conspiracies All of thier Lawlessness will be uncovered and fully exposed that is my promise!

JUNE 24th 2006

I Steven Bixby; For and on Behalf of the above Listed, and Named Defendants/Demandants, Demand That the State of South Carolina Under Law, Without Any Delays, Come forth, and Prove Jurisdiction of Above Entitled Case Forthwith,

I Steven Bixby; For and on Behalf of the above Named and Listed Defendants/Demandants have found in my Research/studies "Ground Re-breaking" Case Law (a Lawyers most sought after requirement) which coincides with my Court

filed paperwork of August 2nd and August 22nd 2005.

I Steven Bixby; Will NOT argue the August 2nd, 22nd paperwork through this or any other Court as The State of South Carolina had "Ample" time to have Challenged the August 2nd, 22nd 2005 paperwork and are Contemptuously in Default Therefore the Filings Stand as Fact (They did anyways) and are Indisputable, Unchallengable in themselves.

DEMAND:

The above Named Demandants seek the State of South Carolina to Prove they have Jurisdiction that exceeds the Supreme Law of the Land: Thus The "UNITED STATES CONSTITUTION" of which the Solicitor the Judge the Police have all Sworn Allegance to for thier "Public Servant Roles" to "We The People" which By Said Oath they are "BOUND" to that Constitution only; Not to any man or to legislature or Congress But "Only" to "The Supreme Law of the Land of The States so United of America!"

The Demandants Contend:

① The above named Demandants Contend and Can and Will prove by "LAW" the state does Not Can Not have Jurisdiction our "RIGHTS" are well secured in the History of this once Great Nation that has been Through Hostile Aggression of Tyrants and Oppressors

And thier "Lawlessness" "Robbed" of "Precious Freedoms and Liberties" our Forefathers are Rolling in Thier Graves over; For they fought and died for us so we could have a better life away From Tyrants and Oppressors of which we are now Enslaved by! Not by Law, of Course, but, by force, an ilegal standing Army / Regime of Lawless Unfettered, Murderous, Armed Bandits we know and do Recognize as Police / Cops Not there for our Benefit but only for our Control, who Kill / Murder with Total Impunity, No Reason, No Justification further Proof Needed? "According to the U.S. Dept. of Justice Count," the death toll by police as of November 9th 2000 by Shootings has already exceeded 1,045,000 and is growing exponentially by the day. That was six or almost six years ago, and I'd be willing to bet, That less than one percent were claimed Unjustified for police target Practice !!!???? More likely; I'd bet Less than 1 percent of 1 percent were Called / Declared Unjustified!

② The above Mentioned Demandants Contend Under South Carolina Laws CHAPTER II "Offenses Against The Person" part E; "Venue and Jurisdiction; Clause 6 which reads:

"There must, of Course, be Jurisdiction within South Carolina, a fact as to which the state has the burden of proof. Anderson v. State 338 S.C. 629, 633, 527 S.E. 2d 398, 400 (Ct app 2000) If the requisite act took place on property within the boundaries of the State but as to which the Federal Government had formally

accepted exclusive Jurisdiction, South Carolina 'Could NOT' try the Case. However, in the absence of the requisite notice of acceptance of Jurisdiction by the Federal Government, The State may still prosecute acts which take place on Federal Property, State v. Parker, 294, S.C. 465, 366 S.E. 2d 10 (1988).

WOW: The above Mentioned Demandants Contend The Statement: "If the requisite act took place on property within the boundaries of the state, but as to which the Federal Government had Formally Accepted Exclusive Jurisdiction South Carolina 'Could Not' try the Case". Is Extremely Strong and of utmost importance because South Carolina accepts and acknowledges in that phrase the "Supreme Laws of the Land" And rulings Passed down as of the years 1988-2000 Proving there is still Hope for South Carolina and its Judicial System yet. All thats needed is: "They Knew thier RIGHTS" and dared Maintain them". The above mentioned Demandants Contend: Under the "Supreme Law of the Land" the United States Constitution "Article 3 Section 2 clause 2 which Reads: "In all Cases affecting Ambassadors, other public Ministers and Consuls and those in which a State shall be a Party, the supreme Court shall have original Jurisdiction". The Demandants fully Contend that the Federal Government (U.S. Supreme Court) not only has "exclusive" Jurisdiction but also "Original Jurisdiction". Revoking any and all authority by the State of South Carolina or any other of ~~the~~ States United which as in Title 17 Section 17-1-10 of the South Carolina Rules of Criminal

Procedures which so reads: Manner of prosecuting Criminal action: A Criminal Action is prosecuted by the State, as a Party, against a person charged with a Public offense for the Punishment thereof." The above Mentioned Demandants Contend: Title 17 Section 17-1-10 of the South Carolina Rules of Criminal Proceedure is in direct Violation to and of The Supreme Law of the Land The United States Constitution therefore Nullifying "VOID Ab-initio" Not only Title 17 Section 17-1-10 But all Laws of South Carolinas (Excluding S.C. Constitution which acnt repugnant to the United States Constitution) Rules of Criminal Proceedure as being founded on the "General Provisions" That The State is and as a Party to all its Swits is in Violation and "Totaly Unconstitutional from thier Very Enactments"

③ The above mentioned Demandants Contend: Under the "Supreme Law of the Land" (this Court ie; Judges, Solicitors, Jurors, Judicial, Legislative, Executive and "All Public Servants" are "BOUND" by with thier Oaths or Affirmations Violations being Felony Perjury/Treason) there are only (4) four Crimes Listed in The United States Constitution and These are: ① Counterfeiting of Securities and Current Coins (Art. I Sect. 8) To which the States and Federal are and have Violated and Continue to Violate. ② Piracies and Felonies Committed on the High Seas (Art. 1 sect 8) ③ TREASON Against the United States (Art. 3 Sect. 3) ④ Offenses against the Law of Nations (Art. 1 Sect. 8) "Thats It." "No Power

To Congress beyond these four (4) define a Crime. In 1821 Chief Justice (one of the greatest even today, but especially today) John Marshall of the United States Supreme Court stated in an opinion, "Congress has no RIGHT to punish Murder in a fort, or other places within its exclusive Jurisdiction; But No General Right to Punish murder Committed within Any of the States." Further he added "It is Clear that Congress Cannot Punish Felonies Generally;" (Cohen v. Virginia, 4 Wheat (US) 264 (1821)) One great man in History once said "The more Corrupt the State, The more Numerous the Laws"; (Cornelius Tacitus, Roman Senator, Historian A.D. C.56 - C.115.). The above mentioned Demandants contends the state as a party to all suits (S.C.) has no Jurisdiction whatsoever except through the people ignorance and the States Gross Usurpation of Unconstitutional Unbridled Lawlessness and Illegal Power.

United States Supreme Court Justice John Marshall goes on to declare in Cohens vs. Com Virginia 19 U.S. 264, 301, 302:

"It appears then from the Constitution, that where a state is a party, This Court has original Jurisdiction: It appears from the opinion of this Court just Quoted that it excludes appellate jurisdiction. But a State is a party to the present Case, it is a Judgement for a penalty inflicted for the Violation of the Public Law; The prosecution Commenced by a presentment of a Grand Jury, Carried on by an information filed by the attorney for the Commonwealth and the Judgement Rendered in the name of the Commonwealth and the Case has come before this Court ^{by} a writ of error which

is surely appellate Jurisdiction. If then, when a State is a party This Court have Original Jurisdiction; If the grant of Original, exclude appellate jurisdiction, if, as in this Case this Court Cannot take Jurisdiction in this way if they Could take it at all. (19 U.S. 264, 302) 3. My last proposition is, that Considering the nature of this Case, and that a State is a party, The Judicial Power of the United States does not extend to the Case, and that, therefore, This Court Cannot take Jurisdiction at all. This is a Criminal Case both upon principle and authority - A Crime is defined to be, an act committed or omitted in Violation of some public law Commanding or forbidding it. The offence in this case is one of Commission. A Prosecution in the name of a State, by information, as this has been shown to be, to inflict a punishment upon this offense, is, therefore, a prosecution for a crime, in other words, a Criminal Case. Upon Authority, too, penal actions are called in the books of Criminal actions, But if it be a Criminal case, it is Conceded, That the Courts of the United States Cannot take original Jurisdiction over it - inasmuch as that Right fully belongs to the Courts of the State whose laws have been Violated; and that Jurisdiction having once Rightfully attached, they have a Right to proceed to judgement; But if they have no Original Jurisdiction, I have shown, in the discussion of the Second point, that they Cannot have appellate jurisdiction, and it Consequently follows. That they Cannot Have Jurisdiction at all. Justice John Marshall Continues later in his ruling: 19 U.S. 264, 314, 315 - "If the Constitution Does not Confer on the Judiciary of the United States the appellate Jurisdiction claimed, it is not enough that the Act of Congress may purport to Confer it.

The framers of the Judiciary act manifested a distrust of their authority, they seem to have foreseen that the State Courts would refuse to give judgement according to the opinions of the Supreme Court. The Case decided in the State Court was not a Case in law arising under the Laws of the United States. It was a prosecution under a law of the State. Should a mandate issue in this Case, and obedience be refused, this Court will give judgement on a prosecution for Violating State Laws. If the Case decided in the State Court be regarded as a Case in which a State was a party, The Supreme Court has, by the Constitution, Original jurisdiction and not appellate Jurisdiction. Who has original jurisdiction of those other Cases? The inferior Federal Courts. Some of those other Cases are those of admiralty and maritime jurisdiction, of which Certainly it was not intended (19 U.S. 264, 315) that the original jurisdiction should be in the State Courts. Justice Marshall goes on to Say: 19 U.S. 264, 328: "Judges are Now BOUND by treaties as Supreme law, if an alien Plaintiff sues in the State Courts he ought to be bound by their decision; and if an alien is sued in a State Court, he ought to be BOUND by the decision of the State of which he resides or sojourns, which protects him, to which he owes a temporary allegiance and to whose laws he should yield obedience. The people could not have intended to give to Strangers a double chance to recover, while Citizens should be held bound by the first decision; that the Citizen should be bound by the judgement of the State alone while the stranger should not be bound by the judgement of the State, and also of the United States. A Statute Contrary to reason, is void. An act of Congress which should Violate the principles of natural Justice

, Should also be deemed Void. It is worthy of Consideration; whether this Clause is a Judiciary act, which grants an ~~appeal~~ to one party and denies it to the other, is not VOID, as being partial and unjust. If in any Case brought before them, The State Courts shall not have jurisdiction the defendant may plead, to the jurisdiction, and the Supreme Court of the State will finally decide the point. If this is not a Sufficient Security for justice, as I apprehend it is, an amendment to the Constitution may provide another Remedy. If the defendant submits to the Jurisdiction of the State Court, and takes a chance at a fair trial, it is reasonable that he should be bound by the result." 19 U.S. 264, 347: "Any individual may allege that he has such a privilege in order to remove his case from the State Court to this; because no injury would ensue, as the Case would be sent back with damages: and even if there might be some inconveniences, from improperly bringing Causes here, they ought rather to be Submitted to, than to hazard the possible violation of the Constitutional Rights of a Citizen." 19 U.S. 264, 381: "This is the Authoritative language of the American people; and if gentlemen please, of the American States. It marks, with lines too strong to be mistaken, the characteristic distinction between the government ^{of SUB} ~~and~~ the Union and those of the States. The General government, though limited as to its objects, is Supreme with respect to those objects. This principle is part of the Constitution; and if there be any ~~to~~ who deny its necessity, None can deny its Authority." 19 U.S. 264, 404 goes on to Say: "It is most TRUE that this Court will not take jurisdiction if it should not: But it is equally TRUE, that it must take jurisdiction if it should, The Judiciary

Cannot, as the legislature may, avoid a measure because it approaches the confines of the Constitution. We cannot pass it by because it is doubtful. With whatever doubts, and whatever difficulties, a case must be attended, we must decide it, if it be brought before us. We have no more right to decline the exercise of Jurisdiction which is given, than to usurp that which is not given. The one or the other would be TREASON to the Constitution."

CONCLUSION: For this Just to name a few of the reasons "Again" The above mentioned Demandants be released forthwith without further Delay which is Proof Positive this Court has no, Can be given no, and Can only Usurp Jurisdiction which is TREASON. TREASON if you Continue this Case is as clear and is also well defining By U.S. Supreme Court Justice John Marshall in the Case of Cohen v. Com Virginia 19 U.S. 264 (1821) The State has no excuse no recourse, No Justification and is already liable for the Serious injustices already done and Lawlessness perpetrated against The Bixby Since December 8th 2003! "You have No JURISDICTION" Set us free immediately!

ALSO: In *Esmail v. Maccrane*, 53 F.3d 126 (7th Cir, 1995) by chief Judge POSNER: We held that the equal protection Clause provides a remedy when "a powerful public official picked on a person out of sheer vindictiveness" (Peace, Macaulay, the State ????) Id. at 128. Although the Clause is more

Commonly invoked on behalf of a person who either belongs to a vulnerable minority or is harmed by an irrational indifference in treatment. It can also be invoked, we held, by a person who can prove that "action taken by the state, whether in the form of Prosecution or otherwise, was a spiteful effort to get him for reasons wholly unrelated to any legitimate state objective" *Id.* at 180. . . . The plaintiff had to and did allege that the Denial of his applications was the result not of prosecutorial discretion honestly (even if ineptly - even if arbitrarily) exercised but of an illegitimate desire to "get" him because of lawful actions by him that had aroused the mayors ire. It was in that context that we pointed out that the complaint alleged much more than Uneven Enforcement. . . ." (Emphasis added) In at least one Federal Court the Court has held that when Vindictive and Selective enforcement is alleged the plaintiff may bring a claim under a "Vindictive Prosecution" Theory" (*Leach v. Manning*, 105 F. Supp 2d 700) To Succeed on a "Vindictive Prosecution" Claim, a plaintiff must show " (*Oleck v. Village of Willowbrook*, 160 F.3d 386 (7th Cir. 1998), 120 S.Ct 1073, 1074, 1999) The exercise of a protected Right; (*Oleck supra* at 1073) The Prosecutors "Stake" in the exercise of that Right; (*D. Merriam, Good and Evil in the Village of Willowbrook: The story of the Oleck Case*, 23 ZONING & PLAN. L. REP., May 2000, at 33, 34) The Unreasonableness of the Prosecutors Conduct; and. . . . (*Thorp v. Town of Lebanon*, 1612 N.W. 2d 59 (Wis. 2000) *Sanders v. Lincoln County Ca.* No. 01A01-9902 - CH - 00111 Tenn. App.

LEXIS 610) that the prosecution was initiated with the intent to punish the plaintiff for the exercise of the Protected Right" (Leach supra at 716) The Court characterized the "Protected Right" in Leach v. Manning, as the First AMENDMENT Right "To publicly criticize local Government officials without fear of reprisals, in the form of selective enforcement of local law against the speaker." (Leach supra at 715) Thus, when Vindictive and Selective treatment of a Property owner is alleged a Vindictive Prosecution theory may be an alternative to an equal Protection Claim. (Emphasis Added)

And finally: U.S. Supreme Court EX PARTE BAIN 121 U.S. 1 (1887) 121 U.S. 1, 13: "It only Remains to Consider whether this Change in the Indictment deprived the Court of the Power of Proceeding to try the Petitioner and Sentence him to the imprisonment provided for in the Statute. We have no difficulty in holding that the Indictment on which he was tried was no Indictment of a Grand Jury. The decisions which we have already referred to, as well as sound Principle, require us to hold that after the Indictment was changed it was no longer the Indictment of the Grand Jury who presented it, Any other doctrine would place the Rights of the Citizen, which were intended to be protected by the Constitutional provision, at the Mercy or Control of the Court or prosecuting attorney; For, if it once be held that changes can be made at or by the Consent or order of the Court in the

Body of the Indictment as presented by the Grand Jury, and the Prisoner can be Called upon to answer to the Indictment as thus changed, The Restriction to which the Constitution places upon the power of the Court, in regard to the prerequisite of an Indictment, in reality no longer exists. It is of no avail, Under such Circumstances, to say that the Court still has Jurisdiction of the person and of the Crime, for, though it has possession of The Person(s), and would have Jurisdiction of the Crime, if it were properly presented by Indictment The Jurisdiction of the offense is gone, and The Court has no Right to proceed any further in the progress of the Case for want of an Indictment. If there is Nothing before the Court which the Prisoner, in the language of the Constitution, Can be "held to answer" he is then Entitled to be discharged so far as the offense originally presented to the Court by the Indictment is Concerned. The Power of the Court to proceed to try the Prisoner(s) is as much arrested as if the Indictment had been "Dismissed or a Nolle Prosequi had Been entered". There was Nothing before the Court on which it could hear evidence or pronounce sentence. The Case Comes within the Principles laid down by this Court in *Ex Parte Lange*, 18 Wall 163; *Ex Parte Parks* 93 U.S. 78; *Ex Parte Wilson* 114 U.S. 418, 5 Sup Ct, Rep 935 and other Cases. These Views dispend with the Necessity of examining into the question argued before us Concerning the formation of the Grand Jury and its removal from place to place within the district

We are of opinion that the petitioner is entitled to the writ of Habeas Corpus, and it is accordingly Granted!

Your Right of Defense Against Unlawful Arrest

"Citizens may resist *unlawful* arrest to the point of taking an arresting officer's life if necessary." *Plummer v. State*, 136 Ind. 306. This premise was upheld by the Supreme Court of the United States in the case: *John Bad Elk v. U.S.*, 177 U.S. 529. The Court stated: "Where the officer is killed in the course of the disorder which naturally accompanies an attempted arrest that is resisted, the law looks with very different eyes upon the transaction, when the officer had the right to make the arrest, from what it does if the officer had no right. What may be murder in the first case might be nothing more than manslaughter in the other, or the facts might show that no offense had been committed."

"An arrest made with a defective warrant, or one issued without affidavit, or one that fails to allege a crime is within jurisdiction, and one who is being arrested, may resist arrest and break away. If the arresting officer is killed by one who is so resisting, the killing will be no more than an involuntary manslaughter." *Housh v. People*, 75 Ill. 491; reaffirmed and quoted in *State v. Leach*, 7 Conn. 452; *State v. Gleason*, 32 Kan. 245; *Ballard v. State*, 43 Ohio 349; *State v. Rousseau*, 241 P. 2d 447; *State v. Spaulding*, 34 Minn. 3621.

"When a person, being without fault, is in a place where he has a right to be, is violently assaulted, he may, without retreating, repel by force, and if, in the reasonable exercise of his right of self defense, his assailant is killed, he is justifiable." *Rumyan v. State*, 57 Ind. 80; *Miller v. State*, 74 Ind. 1. "These principles apply as well to an officer attempting to make an arrest, who abuses his authority and transcends the bounds thereof by the use of unnecessary force and violence, as they do to a private individual who unlawfully uses such force and violence." *Jones v. State*, 26 Tex. App. 1; *Beaverts v. State*, 4 Tex. App. 175; *Skidmore v. State*, 43 Tex. 93, 903.

RE: Steven V. Bixby

The ^{Vs.} STATE of South Carolina
Capital PCR Action/CA.No.
2011-CP-01-110

August 8th 2011

Judge Stilwell:

I recieved the above Captioned letter that you wrote on the fourth day of August 2011!

This legal filing is My "Special Appearance" not giving, nor granting, any jurisdiction to this Court because this Court, Nor the S.C. supreme Court, have any jurisdiction except the illegally "Usurped" Unconstitutionally forced "Tyrannical Criminal" Treasonous acts used and enforced under threat/terrorist in Nature by local and state illegal "standing Armies"! Under the U.S. Constitution which all judges are "BOUND" to by Oath or affirmation your obligations are to preserve, protect and to defend against all foreign and Domestic Enemies. This Court as well as the S.C. supreme

Court are in total violation of their oaths of office! Article III Section 2 Clause 2 says:
"In all Cases affecting ambassadors, other public ministers and Consuls, and those in which a State shall be a party, The supreme court (U.S.) shall have Original Jurisdiction". End Quote Now South Carolinas Rules of Criminal Procedures says: "Title 17 Section 17-1-10:" General Provisions: "Manner of Prosecuting Criminal Action: a Criminal Action is prosecuted by the State as a party, against a person charged with a public offense, for the punishment thereof". Now in the footnotes of this illegal Unconstitutional Statute is a "HISTORY" that shows its Unconstitutionality began in 1870 and proves Rebellion (even after the Civil War) against the Union! South Carolina which under the Wade/Davis Bill of 1865 is not a legal state as they never properly rejoined the Union! The South has, since the Civil War Created Criminal and Unconstitutional Legislation to usurp Authority it doesn't lawfully or legally possess! why? Vengeance! The South has never gotten over the loss of the Civil War and Call us "YANKEES". "Northern Aggressors" of which I say, who fired the first shots? who was the rebellious group to the U.S. Constitution? who in violation to the U.S. Constitution Re-Established the Confederacy that my Family Members fought and died for to eliminate the U.S.

Revolution? who in violation of the U.S. Constitution, elected a former Union General who was Treasonous and Traitorous to his sworn oath to the U.S. Constitution (Jefferson Davis)? The Civil War started not on the day South Carolina succeeded from the Union (December 20th 1860) But on I believe it was April 13th 1861 the very Day Jefferson Davis was illegally sworn in as President of the Confederacy! Proof is that a lot of South Carolinas statutes were made and created to subvert and circumvent the U.S. Constitution: "a nation can survive its fools and even the ambitious, but it cannot survive Treason from within, An enemy at the gate is less formidable, for he is known and carries his banners openly against the City. But the traitor moves among those within the gates freely. his sly whispers rustling through all the alleys, heard in the very halls of Government itself. For the traitor appears not a traitor, he speaks in the accents familiar to his victims, and he wears their face and their garments, and he appeals to the baseness that lies deep in the hearts of all men, he rots the soul of a Nation, he works secretly and unknown in the night to undermine the pillars of a City. He infects the Body politic so that it can no longer resist." "A Murderer is less to be feared" Cicero 45 B.C. That in and of itself is self explanatory! I file these legal documents

not only as an Objection to this states ilegal
and Unconstitutional Laws/statutes but also to
Bring these Exils to the light! My Lawyers to date
have done little or nothing to protect my God
given Inalienable Constitutional Rights but have
played "Footsie" with the Courts ad prosecution
with their Unconstitutional, therefore Null and Void
statute laws! There are so many proofs that the
Lawyers (Lawyers are not Counsel) forced upon me
and my parents in these Cases never worked for us
but were officers of the Court whos allegiances
and loyalties were not with protecting our Rights
for how Can you possibly defend the rights of
others when you are ignorant to know your own
rights? Plus is the overwhelming Conflicts of
interest all around like the fact we the Bibbys
were attacked by an illegal state subsidiary
(SCDOT) on December 4th and 5th 2003 then we
Arthur Bibby and I Steven Bibby were attacked
on "Private, Posted Personal Property by one
Corrupt, rogue felonious deputy who was
Criminally Trespassing without right or
authority, Under Color of law and later we
Disorder was ordered not to go to the Bibby
house alone which is "Insubordination" as
this order was given by one Marion Johnson
(Chief Deputy of the Abbeville sheriffs dept)
to all deputies and Constables at "Roll Call"
at about 8:00 AM on December 8th 2003 to
the above referenced Rogue Cop whos name
is Danny Wilson! see my ad my parents

Lawyers are to Coward / Gutless / Spineless to bring these facts to light or they are Coerced threat-ened or intimidated by fear of retaliation by the Crooked Bureaucracy! There are a Couple of retaliatory incidences by Government that are Known because lawyers went after these people and the Governments attacked with a total ad Exil Vengeance! ① F. LEE BAILEY Lead Lawyer who fought and won exoneration for O. J. Simpson! ② R. Peter Decato (formerly one of the state of N. H.'s best attorneys, Bar None) who fought and won a case of Richard Billodue (of Contrecook Canada) vs the state of N.H. (1991 Case) where 1 prisoner and 2 state troopers were killed in an Automobile accident caused by the state troopers! Mr. Decato proved fraud, conspiracy and numerous other criminal acts by N. H. state police to railroad an innocent man!

all Cops are Corrupt by their Actions!

They swore / swear an oath of office ad are each personally responsible because of said oaths for their actions! all police use a criminal act to get arrests or to convict a person whom they "think" is a criminal!!!!

There is not one (Cop / Police officer) just Not one! Judges also create illegal and Unconstitutionally forbidden Titles of Nobility, Ex Post Facto laws and Bills of attainder which is in Total Violation of Article 1 section 9 Clauses 2 and 6 and Article 1 section 10 clause 1! To do so is an act of Treason which is the only Capital Offense Authorized
(5)

and legitimate to the Bill of Rights! Now according to the U.S. Constitution Article III Section 2 Clause 2 not only does S.C. have zero Jurisdiction at all to have arrested, charged, tried, convicted, imprison, punish or anything else whatsoever and it makes S.C. the Kidnappers, felons, aggressors, attempted Murderers, and many many other charges to numerous to mention but all done in a total Conspiracy not because we committed any Crimes but for Vengeance because we are not by any means typical! Our Patriotism wasn't self established it was established in abbeville S.C. by illegal acts of hundreds of felonious state employees all done to steal a piece of personal property that all evidence proves S.C. had no right of way to! See Jerry Peace and his assistant and evil abbeville cohorts not only deceived the Courts but also knowingly deceived the Jury, that wasn't of my Peers but the Peers of the Courts and of the prosecutions! Under the law at any time I can Challenge the "Jurisdictional Defects: "Jurisdictional Defects Can be raised at any time" Mark E. Robertson V. State 276 S.C., 356, 278 SE 2d 770 (1981) Murdoch Vs. State S.C. SE 2d Op. No. 23623 (April 16th 1992) (But not limited hereto) why haven't my attorneys even Challenged these above referenced issues or the Continued issues throughout the entire document?

(16)

It's not very good job security if they expose these Unconstitutional issues and it also goes to expose evil intent of either Complacency or ignorance! Neither is excusable! Either is proof of ineffectiveness assistance and or Incompetence! Neither of those are excusable either! I Cannot expect any lawyer to commit to the requirements of loyalty and obligation to even begin to expose what I've already exposed let alone what I am about to expose! F. LEE

Bailey once said: "86% (or so) of all lawyers are incompetent And Melvin Belli once said that 89% of all lawyers are incompetent. (Both Being my Heroes) Now the state of S.C. is their Jury Questionnaire, use ignorance of scripture to deceive and sway juries to their personal agendas by asking prospective jurors "what is your understanding of Eye for Eye, Tooth for Tooth ?? which improperly, illegally and corruptly misleads, coerces and influences juries, and is done by the state as a party to its own suit by Judges like Malcaulay and also Jean Toal (But not limited hereto) who take scripture out of context knowingly to mislead and influence potential prospective jurors for their own personal evil agendas! where did the questionnaire originate ??? who created it ? By what standard is/was it challenged or scrutinized ? Are the Judges, lawyers, Senators and legislators all in Conspiracy to imprison Non-Conformers?

(7)

The above questions could all be answered with a
apparent YES! The full Eye for an Eye, Tooth
for Tooth scriptural term is found in: "Deut
-eronomy 19:14-21: "Thy shall not remove thy
neighbors landmark, which they of old time have
set in thine inheritance, which thou shalt inherit
in the land that thy Lord thy God giveth thee to
possess it." One Witness shall not rise up
against a man for any iniquity, or for any
sin, in any sin that he sinneth: at the mouth
of 2 witnesses, or at the mouth of 3 witnesses
shall the matter be established. If a false wit-
-ness rise up against any man to testify against
him that which is wrong; Then both men, between
whom the Controversy is, shall stand before the Lord
before the priests and the judges, which shall be
in those days; and the judges shall make diligent
inquisition: And behold, if the witness be a
false witness, and hath testified falsely against
his Brother; Then shall ye do unto him, as he had
thought to have done unto his Brother: so shall
thou put the evil away from among you. And
thine eye shall not pity; but life shall go for
life, eye for eye, tooth for tooth hand for hand
foot for foot." End Quote!!! That is the Un-
-perverted, entire Context of what the state
has so early deceived and indoctrinated all
prospective juries throughout this state, and
has been knowingly misrepresenting facts and
shifting the burdens of Defendants by doing
so, so that the presumption of innocence is
not only lost but, Beyond Reasonable Doubt
is turned into a Perponderance of evidence!

and total Circumstantial (Unconstitutional) evidence is used to Convict someone based on theories not on factual evidence! There are not 2 Cooborating Witnesses period in any of the Witnesses that the state called to testify! There are not any eye witnesses period except Arthur Bifly who the state has illegally / Unconstitutionally / falsely imprisoned in a Mental institution without trial or hearing in absentia and without Credible or Competant legal ~~the~~ assistance and misdiagno- sed by Non-Doctors as having alzheimers / Dementia which isnt proveable until autopsy has been Conducted and then is questionable and Highly Controversial even with todays medical Knowledge! My Medical assessment is better and more reasonable and proves the states intent of Maliciously and falsely diagnosing Arthur Bifly. The Misdiagnosis of Arthur Bifly is intended to discredit, and disqualify possible testimony by him that would confirm every single thing I have said since day 1 of our Cases! I have had ZERO Contact with ~~Dad~~ since 12/08/03!!!! Why? Because with zero contact no one can possibly say we contrived these facts by Conspiracy Can they? Arthur Bifly was shot after the Sled (Satan's Little Evil Demons / Sanfords Little Evil Demons) recon team removed Deputy Wilsons Carcass! without resistance, without incident! When they did a once over with Wilsons Carcass they were no doubts absolutely furious! After Wilson was ordered to leave the Bifly house by Arthur Bifly 12/08/03 Wilson decided it

would be a good idea to kick the front steel entrance door into Dads face (also able to be proven 100% through the states Discovery) it wasn't enough to attempt injury once on Dad No lets try again! On the first kick of the door into Dads face by Wilson it left a big indentation on Dads Left cheek! From Dads forehead to chin. See I thought Wilson was leaving as I was standing behind Dad, over Dads Right shoulder. I literally excused myself, to extinguish a Cigarette in the ashtray! Had I known Wilsons intent I could have acted in a different and less Merciful manner! By Hard! after Wilsons first door kick I grabbed my Rifle a Model 70 XTR Winchester 7mm Magnum rifle!! Dad was bent over groaning from the door hitting him in his face that Wilson Malicious - ly and Unlawfully Kicked into Dads face!! I was not going to shoot over Dads head if necessary, and possibly wound Dad by trying to stop this Deputy who I did not recognize (until my lawyers told me who it was months later) as you face the front door of the house from Highway 72 there is a window (solid, stationary) mullion (2 single windows together side by side) by the front door that are approximately 18 inches wide each or about 36 inches total with by about 2 feet in height! I placed my above named rifle in the window to defend my father and myself against an aggressive (without cause) dirty Cop who had already committed numerous felonies with intent to commit many more

proven by, not only his actions, but, by his evil demeanor. I warned Wilson to "stand Down" but he chose his own fate, no one else chose it for him. The rifle was not aimed directly at him as Discovery proves! Now here is where that prosecutor Peace and his evil cohorts attempt to twist the facts to lessen damage by truth. They knowingly falsified and mislead jurors in facts because the truth proves "Vendictive/Malicious Prosecution! Not for Punishment of any Crime, as Self-Defense is No Crime! when Wilson's right foot kicked the front door a second time and he made his choice to aggress that second time I squeezed the trigger of my rifle! Had Wilson been a second earlier it would have missed, had Wilson been a second later in his felonies it would have missed him! why did I squeeze the trigger? because not only had Wilson committed his continuous felonies but he decided to use his side arm! There are four witnesses to this account, 1 witness died for his acts then there is Arthur Bifly and I Steven Bifly with the ultimate witness as our Lord and savior Jesus Christ! whom I can prove was present! As even sled agents at the Bifly house that night saw something but arnt sure what it was because they are not true believers and dont really know the Lord! You may think I am Crazy But I assure you I am not Crazy and have a much larger I.Q. than all those who attempt to discredit me regarding actual facts of

our Cases! Sled and all Concerned have been
seared of me specifically since December 8th
2003! Why? Because of what they witnessed and
Discovery proves! He that protects me also is
protecting my Father and Mother which is also
proven by the Murderous sled agent whom
Jean Toal, in her decision, aids and abets and
condones perjury and other felonies committed
by said agent! This agent claims Arthur Bifby
shot his robot with a chrome revolver which
is debunked and refuted by other sled agents
that through testimony swore under oath
and through investigation only 2 weapons
were fired at the Bifby house 12/08/03!
one was a 7mm Magnum long rifle the
other was a Remington 12 gauge Semi-Auto
Shotgun! Unquestionably perjured testimony
by a Veteran sled agent aided abetted and
condoned by former sled Chief Robert Stewart!
Three days before the event that has put all
three of us Bifbys illegally in Unconstitu-
tional imprisonment a letter was written
by Arthur W. and Rita Dr. Bifby properly
named: "To Whom it may Concern" which
was faxed 12/05/03 by me to Mark Sanford,
Andre Bauer, Henry Mc Masters, Strom Thurm-
ond, Lindsey Graham and others to stop
the hostile aggression and fraudulently
evil attempt to steal private posted personal
property by S.C.D.O.T and Abbeville for public
use without Due Process of law or just Comphe-
-nsation! This letter is part of Discovery and

clearly exhibits our honest attempt to stop
the evil aggression towards us?! Under
state law, which Sanford was and is in total
dereliction of duty. Sanford, Bauer, McMaster
Thurmond, Graham could have all defused the
situation we the Biflys were given zero alter-
-natives or choices in! See Jerry Peace and his
scoundrel henchmen claim Wilson was shot
just for being on Moms and Dads front porch.
Nice try genius! If that story held true then
how did we know that (as video of my hearing
at Greenwood Courthouse) Wilson had no
warrant (I believe its also in the supposed
statement I didnt write, Couldnt read and
refused to sign but has my signature
and initials on it after sled has ransacked
my apartment without a legal warrant and
with Criminal intent to cover their tracks to
hide all of the felonies committed by Wilson
and Outy and others! As a former Computer
self taught expert I could create a document,
with writing of yours, claiming you, were not
only a child molester but also enjoyed a
little Beastiality on a frequent basis and
put your signature upon it! all I would
need to do this, is one letter, hand written and
a current signature! Sled had hundreds of
signatures from legal documents, Money
orders and many other documents to do all of
the crimes Ive accused them of! That is how
furious sled was at us Biflys for not dying
when they attempted to Murder us 12/08/03!!
sled and all police in South Carolina and in this

once great Country as well as the National
Guard are an "Illegal Standing Army" as defined
and forbidden in the U.S. Constitution! Article
1 Section 10 clause 3: "No state shall without
Consent of Congress, lay any duty of tonage, keep
troops or ships of war in time of peace."!!!!!!!
why are these illegal standing armies allowed
to exist? In several decisions by the current
U.S. supreme Court the Justices (majority) have
said: "Police have no obligation to serve or
protect Nor duty to preserve or protect either".
Then if they aren't here to serve or protect then
that means they are here to Coerce, Conform
intimidate, and raise Unconstitutional revenue,
for their Unlawful exactions using fear of
harm or death to all resistors and using those
forces to collect spoils of Unconstitutional War!
One of My former lawyers has several thou-
sand pages of my legal research and several
hundred (at least) pages of Discovery that he
has kept from me since discovery was first
given by Sled and Peace! This lawyer is the
infamous Charles Thore! Everything he has
refused to send me proves his loyalties are
the same as the prosecution in these cases!
at PCR hearing I'm told My Ex-Lawyers are
going to be on the same side as the Evil
Prosecution! How fitting! I've fought as
much with my past lawyers as I have with
the prosecution and Courts and at times
I wonder if the prosecution were to remove
their heads out of their rearends if I
could tell the difference between them and my
Court forced, unloyal treacherous attorneys?

I will admit that Grosse admitted and filed the proper paperwork for ineffective assistance as he is well aware of his incompetence! I can't argue truth with facts to support it but my problem is that there are literally hundreds of issues that he nor any other of my attorneys challenged or refuted and could have. And most are enormous Constitutional issues that demand reversible error on all counts! A lawyer is only as ignorant as their professors (judges included). It is well proven that in order to achieve what Macaulay, McIntosh, Toal (But not limited hereto) have done could not possibly be by accident! It screams being intentional! In June of 2004 I wrote a multi page document to Jean Toal of the S.C. supreme Court which under Federal law: "U.S. Vs. Zuleta - Molina 840 2d 157 (1st Circuit 1988)" In some instances, particularly when a defendant appears Pro-Se Cor in The Biflys Cases "Impropria-Personal; Siu Juris" a rule 35 motion may be construed as a petition for relief under 28 USC § 2255". Jean Toal knows well that the legal work I filed in June 2004 was an Unnamed Writ of Habeas Corpus! And under Rules 24A (Rules of Procedure) and Rule 55.2 (Appellate Court Rules) which state: "FAILURE TO ANSWER":

"Failure to answer formal charges shall constitute an admission of the factual allegations". The South Carolina supreme Court never denied, nor refuted, only dismissed charges

without explanation or reason! In 2007 again I filed legal paperwork with the S.C. Supreme Court and was denied "Equal Protection Due Process Rights unless I paid extortion fees to get a copy of the paperwork I filed but my attorneys and the states attorneys, the prosecution all got free copies of my filing but to this date I still haven't received a copy of these 2 separate legal filings not even after requesting it from the legal representatives forced upon me by the state who have better represented the state than they have any of us Bipbys! Now there have been claims that My I.Q. is only 85!!!!. (Barely above Retarded) If that is so (which I have repeatedly challenged with my lawyers) Then either My lawyers, The Numerous Prosecutors, Judges and forensic psychiatrists who have made several references to these frauds in an attempt to discredit me! But just for a minute lets for humorous reasons say they are correct If my I.Q. is only 85 and it is Barely above Retarded then how much lower are the I.Q.s of those making those claims and assertions? I'll admit my spelling needs help at times and that my punctuation is not great either but I guarantee that this document is well understood whether or not its ever admitted publicly! I try to be very ~~strong~~ ~~thoughtful~~ and articulate! and as seen amazing amounts of research! Richard Frierson and Donna Schwartz Watts (Frierson using the

tests given by Watts to make his own Conclusion
never really doing legitimate testing of his own!
psychiatry is Based on theory and Conjecture!
If a person is questioned (interrogated but,
not read Miranda Rights, but Compelled by
lawless Courts, in Violation to, and of, ones 5th
Amendment Constitutional right involving self
incrimination by Judges like Macaulay, Toal
McIntosh and others with Treasonous Intent!)
lies or withholds information they have no
obligation, duty or allegiance to offer or to
submit to people like Frierson or Watts it
Changes all Conclusions of their theory and
therefore changes their entire diagnosis!!!!
In the December issue of Newsweek 2007
Health for life article: "Michael Craig
Miller M.D. Harvard Psychiatrist who
wrote a Book Called: "Diagnosis came as
it never was" says: "The Politics of ~~society~~
psychiatry diagnosis however are not so
straight forward, for one thing people cherish
their individuality and resist being labeled,
also the power to name is significant
Diagnosis labels, when misapplied can esta-
-blish people as deviant, deprive them of rights
or heap upon them Burdens of shame or stigma
Even when intentions are good, diagnostic
systems - like the science they are rooted in,
are inevitably Constrained by the intellectual,
ethical, and political trends of the Era"!!!!
Frierson and Watts are fraudulent in their
diagnosis and Conclusions to further personal agendas!

It infuriates me to no end every time I see an
Idiot Senator, legislator, Judge, Lawyer or
"Presidential Imposter" (But Not limited hereto)
talk about this Country being a "Democracy"
This Country, not Now nor has it ever been a
Democracy! Article 4 Section 4 of the U.S.
Constitution states: "The United States shall
Guarantee to every state in this Union a
Republican form of Government." There are
4440 words in the U.S. Constitution not once
is Democracy ever mentioned! Also take
note that of those 4440 words in the U.S.
Constitution Not once are attorneys or
Lawyers specifically mentioned. Democracy
and Lawyers are omitted from the U.S. Constit-
-ution and Condemned in the Bible!; "Luke
11: 46-52: "Jesus said: Woe also unto you Lawyers
-ers/scholars of the law, ye impose on people
burdens hard to carry, but you yourselves do
not lift one finger to touch them! Woe to you!
you build the memorials to the prophets whom
your ancestors murdered, consequently you are
witness and give consent to the deeds of your ancest-
-ors, for they murdered them and you do the build-
-ing: Therefore the Wisdom of God said: "I will
send to them prophets and apostles; some of them
they will murder and persecute in order that this
generation might be charged with the Blood of all
the prophets shed since the foundation of the
world from the Blood of Abel to the Blood of
Zechariah who died between the altar and the tem-
-ple building. Yes I tell you this generation
will be charged with their Blood. Woe to

you scholars of the law, you have taken away the Key of Knowledge you yourselves did not enter and you stopped those trying to enter." End Quote! Back to Jurisdictional issues: The state being a party to its own suit is not only Unconstitutional in a Ethical aspect but also for moral reasons Under a Conflict of interest especially in the Bixby Cases where the state were the thieves of private and personal property for public use which is a Due Process Violation but their attack was intended to subvert and Circumvent the U.S. Constitution they swore oath to and are in opposition Treasonously to! The same thieves Unconstitutionally Kidnapped all 3 of us Bixbys Under Color of Law, have held us all Hostage without ransom requests, have Conspired together to illegally imprison us and seek to Murder us again after the Unsuccessful attempts 12/08/03! The only rule in S.C. that allows the state to try or charge us is Totally Unconstitutional and that is the S.C. Rules of Criminal procedure Title 17 section 17-1-10 that is in opposition to the U. S. Constitution Article III section 2 Clause 2 which is part of: "The Supreme Law of The Land" to which: "Gibbons Vs. Ogden 1824: when a Federal and state law are in Conflict, The Federal law is Supreme. The Supremacy Clause tilts the balance of power in favor of Federal Legislation!" End Quote! This is of course also backed up by the Most Constitutional.

agenda based, Judicial terrorists/activists!!
who, by all means, think they are above the law!
why didn't the Chief executive officer at the time
Mark Sanford do his duty instead of being
derelict of duty? Was he with his whore
in Argentina?? It sure would be interesting
to find out! Under Cohen Vs. Virginia: (19 U.S.
264, 350): "It is true there are some cases
where this Court cannot take jurisdiction, though
the Constitution and laws of the Union are violated
by a state, but whenever a case is fit for Judicial
Cognizance, or whenever a states tribunals take
Cognizance of it, whether properly or not, the
appellate power of this Court may intervene
and protect the Constitution and laws of the Union
from violation. Doubtless a state might grant
titles of Nobility, raise and support armies and
navies and commit many other attacks upon the
Constitution which this Court could ^{not} compel, but if
these acts were made by Judicial means, or if
Judicial means were used to compel obedience
to these illegal measures. The authority of this
Court, could and would intervene." End Quote!
Chief Justice Marshall continues: "19 U.S.
264, 393: "If a state be a party, the jurisd-
-iction of this Court is original; if the case
arise under a Constitution or a law the

jurisdiction is appellate. But a case which which a state is a party may arise under the Constitution or a law of the United States, what rule is applicable to such a case? what then, becomes the duty of the Court? Certainly we think to construe the Constitution to give effect to both provisions, as far as it is possible to reconcile them and not to permit them seeing repugnancy to destroy each other. We must endeavor so to construe them as to preserve the true intent and meaning of the instrument!"

U.S. Supreme Court Chief Justice John Marshall continues in Cohen VS Virginia: 19 US 264, 404:

"It is most true, that this Court will not take jurisdiction if it should not: But it is equally true, that it must take jurisdiction if it should. The Judiciary cannot, as the legislature may avoid a measure because it approaches the confines of the Constitution. We cannot pass it by because it is doubtful. With whatever doubts, ~~and~~ with whatever difficulties, a case may be attended. We must decide it! if it be brought before us. we have no more right to decline the exercise of jurisdiction which is given than to usurp that which it is not given. The one or the other would be TREASON to the Constitution; Also 19 US. 264, 426: ".....

Congress has a right to punish for Murder in a fort or other place within its exclusive jurisdiction; But no general right to punish Murder committed within any of the states (19 U.S. 264, 428):" It is clear Congress cannot punish felonies generally and of consequence

Cannot punish Misprison of Felony!" End Quote!
It couldn't be or get any more clear! Even for
Domestic enemies lurking everywhere in the
Judicial, Legislative, Congressional, Executive
and political arenas! If My I.Q. is only 85
then either every public servant whether
Executive, Legislative or Judicial who swore
oath but can't comprehend because of Treasonous,
Traitorous, rebellious public servants who
admit rebellion or Confess stupidity and
ignorance of what they swore to preserve and
protect from and also defend against foreign
and Domestic Enemies. It proves public
servants either lied when they took these oaths
or have lied since! Regardless its felony per-
jury! I tried everything to get my lawyers in
the past to challenge these Courts but they
wouldn't! Its incorrigible and inconceivable
their total complacency! Of course their necks
aren't on the line and their brethren and selves
helped create the corrupt system that now
exists, and to change it now would admit that
their acts have been criminal and wouldn't at
all help their job securities either financial
-ly or politically! Now to the Grand Jury:
The Grand Jury that indicted us was totally
unconstitutional as it is in opposition to
6th Amendments right to a "Impartial Jury"
and "public trial" and also: S.C. Constitution
that states all juries shall be public
impartial and speedy. There is no opening for
a closed/secret Grand Jury where the accused
is not able to be present which is also illegal
(22)

under the 6th Amendment to the Constitution which gives absolute right to face all accusers! which is also backed by: "Thompson Vs. State of Utah heard in the U.S. Supreme Court 170 U.S. 343 (1898) where 170 U.S. 343, 354: "... such being the relation which the citizen holds to the public, and the object of punishment for public wrongs, the legislature has deemed it essential to the protection of one whose life or liberty is involved in a prosecution for felony, that he shall be personally present at the trial, That is, at every stage of the trial when his substantial rights may be affected by the proceedings against him. If he be deprived of his life or liberty without being so present. Such deprivation would be without that due process of law required by the Constitution!" End Quote! By the above referenced law all three Bigbys (Arthur W. Rita D. and I Steven) were denied Due Process of law again, but for the record not a single objection by any lawyers for these clearly Unconstitutional acts by any of our lawyers Criminal Co-Conspirators! If as has been proven so far (and lots more is yet to come) our lawyers are too ignorant or coward or treasonous to know or fight for their own rights how could they possibly know or be willing to fight for any of the Bigbys rights? Pathetic and Embarrassing! Charles Diose has been asked in writing in filed Court documents, during visits and on the telephone to deliver/mail or get to me accumulated

(23)

evidence he has held but promised to get to me since February 21st 2007! Lets for a moment forget that Title 17 section 17-1-10 is so blatantly Unconstitutional and Treasonous and just Challenge the Murder statute on its own merits.

Ⓐ It is discriminatory because it includes certain groups of people it wishes to protect with an Unconstitutional Title of Nobility.

Ⓑ S.C. Murder statute excludes discriminately certain groups of people it wishes to protect like women who are knowingly pregnant who wish to abort babies that they knowingly carry in their bellies or there would be no necessity to abort! Abortion is Pre-Meditated!

Ⓒ Pre-Meditated Murder according to S.C. law is illegal but without direct eye witness there is no proof except through theory conjecture and Circumstantial/Unconstitutional evidence that it was Pre Meditated let alone Murder!

Ⓓ True Murder is: a group of persons set as prospective jurors by Judges, prosecutors aided and abetted by lawyers supposedly representing the accused who decide guilt in opposition to Constitutional law as Murder is not a Capital offense in the Constitution of the United States even though the Death Penalty is addressed in the U.S. Constitution for Treason! why isnt Murder specifically mentioned in the Constitution? Because it is Forbidden in the Bible and scripture in: Genesis 4: where God put an eternal curse

upon Cain for the Murder of Able and said: any who slayeth Cain (Genesis 4 V. 15) Vengeance shall be taken on him seven fold. And Lamech in Genesis 4 V. 23 & 24 when Lamech killed a man in self Defense God said anyone who harms Lamech he shall be Avenged 77 fold! Some people think that through their perverted Anti Christ Christian beliefs they can justify Murder which isn't necessarily Murder, but without Cooperating, actual eye witnesses, may well be killing with absolute justification by lawful means! As in self-Defense or for the Conviction of Treason! Everything else is ~~done~~ especially in S.C.'s Death Penalty as being Pre-Meditated Murder used illegally and Unconstitutionally for Vengeance, and discriminates against the accused, by Corrupt "Elite Serving" agendas of judges with Pre-dispositions of Circumventing and Subverting the U.S. Constitution for immoral and illegal judicial Misconducts! These judges include: "Macc Westbrook, Alexander Macaulay, Lawton Mcintosh Jean Toal, 2 of the other 4 Justices on the S.C. Supreme Court as listed in Toal's Bias and unquestionably Prejudicial decision that aids and abets Domestic Terrorists, Domestic Enemies which is clearly Treasonous to the U.S. Constitution (But Not limited in scope to the judges or their known Criminal acts heretofore) Judge ("Dis-honorable") Macaulay committed "Embriacery", Jury stacking, Jury Packing also knowingly Mislead, intentionally gave false information

to prospective jurors; Never properly sworn in (as the U.S. Constitution Dictates) the jurors ad assigned, chose, picked jurors of his ad of the prosecution's Peers! Mislead/lie to jurors stating that the state (always first in all of the jurors Pre Voir-Dire) and Mr. Birby have a right to a fair trial! The state has no right to anything period! But this is another major issue my lawyers never raised! For Fraudulent and Co-Conspiratorial reasons the Judge (Macaulay) constantly allowed illegal acts to be done by the prosecution! Judge Macaulay with his Co-Conspirators Jerry Peace ad his 3 other henchmen set up an impenetrable wall against any evidence ad all evidence (that by law we as defendants are allowed regardless of Content or Context) That would exonerate ad prove our innocence! Did my lawyers feel defeated? Yes! Do I understand their feelings? to a certain degree! Yes! Because Macaulay didn't disallow one or two issues he disallowed dozens!!! And at one point Macaulay as is in transcripts ad proves through transcripts that my lawyers felt threatened ad intimidated!! My lawyers never used such intensity again! There are several issues that my lawyers brought out that were in ad of themselves highly prejudicial ad qualify under the law as reversible error but were never recalled after trial on direct appeal! That is ineffectual assistance as well! I've found literally hundreds of separate issues never addressed or raised that should

have been raised but were not! There also were Bias and Prejudice Juror potentials allowed to retire and mingle with other jurors that were asked for impeachment purposes about any of the bias and prejudicial feelings that they may feel and none of those later proven to be Bias and prejudicial come forward! Sled being investigated (chief in our cases) and also being a state agency who testified against us Biplays with the state as a party Causes a Constitutional Conflict of Interest never addressed by any of our attorneys. Many sled agents who swore oath to: "tell the truth the whole truth and nothing but the truth so help (them) Me God": died and can be proven from the transcripts! Sled and their Co-Conspirators destroyed or attempted to destroy every piece of evidence that proves our innocence! Why? To Cover/aid/abet Treasonous acts of fellow Domestic Terrorists! There are Numerous issues we brought up to My lawyers that they have never through Brady Rules sought from the prosecution that I personally know to exist! That's why I have demanded Grose who was the lead investigator in My case to get and give me every single document Numbered or unnumbered that the state as a party possesses! I guess I'll have to use a full Brady Motion on Grose to Compel him to get off his lazy ass and file another with The Attorney General's office to do the same and if one or the other even honestly accidentally doesn't submit even one page that the other has submitted I'll use it against them totally

(27)

as being intentional because of my lawyers
lack of loyalty and the states attempt as I am
already able to prove, that, they not only will do
all they can, even create false documents that
werent even created yet back date them and put
them in Discovery to try to cover their frauds!
This was exposed by Marc McDougal at my
trial against the head forensic agent with
sleed which makes all of Discovery not only
questionable but also Corruptable! The
Jury of course being Peers of Macaulay and
the states, not mine. decided to overlook
these very facts! Macaulay stopping all of
my lawyers from doing proper Voir-Dire as
some jurors think / thought self Defense
is / was Murder! And my lawyers werent allowed
to straighten that improper situation out as
Macaulay said that could be done with his
instructions!! Evidence also proves and my last
several attorneys know not just by my words
but by trajectory, forensics, and ballistics
that Donnie Outy was not shot by anyone in
the Bieflry house on 12/08/03! It is totally
impossible! Facts prove and so do actions that
Deborah Graham shot and killed Donnie Outy
and the state knows it also though probably
would / will never admit it because of the
consequences of such cover up! I shot at
Outy dont get me wrong but it wouldnt have
been fatal period! It would have been a "near
miss"! Evidence proves Outy was shot in the
front not the back! Although the state has
claimed the back even prior to autopsy completion

which occurred after receiving warrant stating charge and Cause of Death and the autopsy also didn't/wasnt Completed until after I was arraigned in Greenwood County Court! so therefore who was the person who or persons who made the assec-ment that Outy was shot in the back when autopsy shows, proves Outy was shot in the front!!! where are The Autopsy Pictures or Videos as they will prove also that what I have said / told is true as Well! all Judges are Bound by oath or affirmation to support protect and Defend the Constitution against all foreign and domestic enemies and only remain Judges (even supreme Court Justices of the U.S.) under good behavior! Does anyone else find it amazing that all of the discriminatory acts of the state and Federal Death Penalty acts for Murder give certain people preferential and special treatment while eliminating all rights for other groups? Pre-Meditated Murder is illegal! Pre-Meditated Murder of and by Pregnant Mothers, or, Abortion is a legal right!! These are the perversions we face! Envy and jealousy have been the biggest evils since the beginning of time! The World hates this Country because of who our leaders and the controllers of this Country are! The same evils God Cursed in Sodom and Gomorrah by Mongolized, perverted, Anti Christ, Heathen, Bastards is overrunning the Country that my family (some of the very first, off the ships) built. Idiots that know so little about this Country or its origing they think its a Democracy!

(29)

This Country is not now nor has it ever been a Democracy! According to Article 4 Section 4 paragraph 1 This Country is a Gauranteed Republic! Is it any wonder, this once great Country that allows illegals to come here to do all they want to destroy the original intent of my family and others who created, established this Country and made it what it once was the Country all other Countries in the World wanted to be!! Has fallen into such ill-repair? Start using the laws against all these Judges and Lawyers and Legislators regarding Treason and I will help build the "Sallows" they shall all swing by! "Let Freedom Ring, Let Treason Swing." Look at all the ~~evil~~ that surfaced at the Conclusion of the Cayce Anthony Case in the State of Florida! The true Murderers came out of the woodwork to threaten, intimidate and coerce not only that jury but all other potential future jury! I'll bet you some or most of those protesting Idiots (Mostly females) all think its ok to abort a baby as long as it is them?!! And I'll guarantee you those same people think we do live in a Democracy! A Unconstit~~utional~~ utronal Democracy is "Mob-Rule" where a Republic is "Each person is ^{SE}sovereign!!!!!!!!" We the Bifbys are charged with and under the "Felony Murder Rule" which means that "a felony was progress when the Murder was committed!" what felony was that? Kidnapping? How could we kidnapp a person who was ordered to leave but wouldn't and was ordered by his superiors

not to be there in the first place? Was the felony in progress Conspiracy? Conspiracy is such a farce as there is no way on earth we possibly could have known Wilson was coming to the Birby house or Wilsons intents! Was the felony in progress possession of a firearm? the second Amendment of the U.S. Constitution clearly states: "The Right of the people to Keep and Bear Arms shall not be infringed". More Proof of "false Charges" and "Vendictive Prosecutions"!! "We The People" (Birbys) were on Private, legally posted property that proven by evidence had no legal right of way for Highway 72 as it (the Birbys piece of land was on Highway 246 / Union Church Rd. (04 Union Church Rd. to be exact) Both Wilsons and Outrys Carcasses were on the wrong side of the No Trespassing signs which proves that they were with or without uniform felons without legal or any warrants whatsoever!! That was never brought up by any of our attorneys! By Wilsons and Outry own exils which is clearly insubordination to direct orders given not more than 1 1/2 hours earlier by their Commanding officer or officers! we had not done anything illegal / Criminal or wrong prior to those Criminal acts by either Wilson or Outry! We the Birbys were not the aggressors, we were not the attackers we are not the Criminals, we are not the felons! I had no obligation or duty to testify at trial Neither Did my Parents as evidence

proves (The states Discrepancy) if our lawyers had done their jobs exposing all of these crimes against us we wouldn't be here in these evil places Now! But because of their indifference and Complacencies and the prosecutors known Misconducts, conspiracies, frauds and perjury (which I can prove 100%) and all these agenda focused (To Murder the Bittlys) judges who care about nothing but Vengance and use Judicial Misconducts, Embarrasing, Jury Packing, Jury stacking, Conspiracy, Fraud, Racketeering, and many, many other felonious acts (Not to exclude Treason by all of the above) to secure the outcomes that they seek by whatever means is necessary! also is the fact that Under the 1st Amendment of the U.S. Constitution "Congress shall make no law respecting the establishment of religion; nor the free exercise thereof". And in the 10 Commandments said: "Thou shall not Murder". (there is a major difference between Killing and Murder.) We Killed in Self-Defense S.C. intends to Murder (Pre Meditated) all three Bittlys Under their Unconstitutional statutes which were Created in opposition intentionally after the south lost the Civil War! S.C. tried to subvert Constitutional law against Blacks and Yankees after the war by Creating these evil Vengeful lawless rules!! This is by no means the Bible Belt its The Devils Belt! Jesus said in scripture that: "People would call good, evil and evil, Good!" He was right Again!

S.C. according to its state Constitution is a jury nullification state and is also Backe by other U.S. Cases i.e. . . . : "The pages of history shine on instances of the juries exercise of its prerogative to disregard instructions of the Judge"; U.S. vs. Dougherty 473 F2d 1113, 1139 (1972); "You have the right to take upon yourselves to judge of both and to determine the law as well as the facts" (State of Georgia vs. Brailsford et al, 3 Dall) as well as many former U.S. Court and Chief Justices to include: "John Jay 1st U.S. Chief Justice (1789); Samuel Chase, U.S. Supreme Court Justice (1796); Oliver Wendell Holmes, U.S. Justice (1902); Harlan F. Stone 12th Chief Justice (1941) (But Not limited hereto) On April 15th 2004 we Bixbys were Unconstitutionally Indicted in absentia, unable to face our accusers beyond the Federally specified time limits by a partial jury! On August 3rd 2004 we The Bixbys were Re-Indicted in absentia, unable to face our accusers, again, beyond federally specified time limits and beyond the 180 day rule to have tried us after Arthur Rita and I Steve Bixby (all 3) Demanded a "Speedy Trial" On the issue of the April 15th 2004 Indictment we (Arthur W. Rita I most Steven V. Bixby) were even arraigned within 72 hours as law requires (Not challenge by any of our attorneys) Between The end of July 2004 and August 3rd 2004, Now Former County Attorney "Townes Jones" "Nolle Prosequit" The first of all 3 Bixbys Indictments, while, both of the Indictments were in affect at the same time! Totally Unconstitutional in Numerous aspects For 1: "Guaranteed Right of Indictment by Grand Jury Implies Indictment may not be Granted" Ex-parte Bain Fed. I. U.S. T 75 (1781, 30 L. Ed. 849; (33)

all three Biflys be released! also: Under the
Article 1 § 24 "Victims Bill of Rights":
which reads: "Victim which means a person
who suffers direct or threatened physical,
psychological or financial harm as a result of
the Commission ~~of~~ or attempted Commission of
a Crime against him. (Theft of private property
without Due Process of law or just Compensation
by rouge Cops Wilson and Outy) The term Victim
also includes the persons spouses, parent,
child or lawful representative of a Crime Victim
who is deceased, who is a minor, or who is
incompetent, or who ~~was~~ was a Homicide
Victim, or who is physically or psychologically
incapacitated: "Wilson nor Outy are Victims
they chose their evil paths and evil intents
and will both serve their eternal lives in Hell!
They both are fully responsible for their actions.
Their actions caused our just and correct Reactions.
also: "U.S. Vs Van Dyke 14 F 3d 415 (8th Cir. 1994)
: "Exclusion of Defendants expert witness testin
ony was found to be in error where prosecution
was permitted to elaborate its argument on some
issue expert was supposed to testify on: End Quote
Macaulay Denied Defendants expert witness ~~who~~
was to testify regarding the states Non Right of
way and expose the frauds but was illegally and
Unconstitutionally denied but state claimed a
Right of way all through trial without any
evidence to support such claim because it
doesnt exist therefore is giving false testimony
knowingly to jurors which is Reversible error.
also: the Biflys were denied rights to not
testify on our behalfs because of many issues
prosecutors said and judges allowed that made

The Biflys look guilty because we didnt testify!
which is a total miscarriage of justice under:
Frances V. Franklin: 471 U.S. 307, 85 LEd 2d
344 105 Sct. 1965 (1985) The language of the
jury instructions cannot shift the burden of
proof from the prosecution who must prove the
guilt of the person charged with the crime, not to
the defendant to defend his innocence: which was
done not only by the prosecution numerous times
but also the judge numerous times throughout
our trials! also: "Mack Vs. Stewart: 137 F3d
630 (9th Circuit 1997): During Voir-Dire state-
ments made of one prospective juror who was
later dismissed were found to have had the
potential of "Tainting entire jury panel. failure of
the Court to dismiss entire panel or conduct
further Voir-Dire to ascertain impact of jurors
statements was reversible error:" also: "Morgan V. Illinois: 504 U.S. 719 119 LEd 2d 492
112 S. Ct. 2222 (1992): It was a violation of Due
process for trial Court to refuse to ask potential
jurors in a Capital Case whether they would auto-
matically impose the Death Penalty if defendant
was convicted: The supreme Court also held that a
juror who would automatically vote for the Death
penalty in every case was not impartial because the
presence of aggravative or mitigating factors were
irrelevant to such a juror. Voir-Dire must adequ-
ately identify such unqualified jurors and to this
end certain inquiries must be made in Capital Cases.
also: Title 10 § 10-11-600: Wilson New the
No trespassing signs were legal, was ordered
to leave but refused committing felonies against
Arthur & Steven Bifly as a Criminal Trespasser!
also: Arthur & Steven Bifly were charged with
kidnapping because we seized the Dead Body

of a felon who happens to be a deputy sheriff, who was insubordinate to direct orders of superiors, who was placed under Citizens arrest and placed in handcuffs by myself to secure both his and our safety. Wilsons side arm was also put in a location about 10-12 feet away from him but in plain view! By Myself! I've demanded several times autopsy pictures or video that also would prove further our total innocence over and above just illegal acts by the state and the use by the state to Unconstitutionally try, convict, sentence or Murder the Biphys in violation of the "Supreme Law of The Land". My/our lawyers again will not do their jobs and the evil Corrupt Courts will not/Have not acknowledge/recognized our absolute Due Process to be heard over and above our lawyers! also: "An Unconstitutional act is not law; it Confers no rights, it imposes no duties; affords no protection, It creates no office. It is in legal Contemplation, as inoperative as though it had never been passed". Norton Vs. Shelby County 118 U.S. 425 p. 442; also: "The General rule is that an Unconstitutional statute, though having the name and name of law, is in reality no law, but is wholly void, and ineffective for any purpose. Since Unconstitutionality dates from the time of its enactment and not merely from the date of the decision so branding it. No one is Bound to obey an Unconstitutional law and no Courts are Bound to enforce it!" 16 Am Jur 2d Sec 177 Late 2d Sec 256. also: Even though there are many other urgent and important issues in literally running out of my legal paper and have given at least 100 plus issues that Demand Reversible error if this is used for

for P.C.R purposes alone! This also Could/should
be used by you judge Stelwell to deliver/forward
to the U.S. supreme Court as a Habeas Corpus Writ!
You can no longer say you don't know these laws
and you can't say that you weren't told of all these
major issues! As a sworn officer of the Court
/Courts your obligation to preserve, protect and
defend the U.S. Constitution against all foreign
and domestic enemies was supposed to be sworn
under oath or affirmation with your right hand
on the Bible and your left hand raised therefore
making God a Witness of either your honor or
of your dishonor and perjury to Him! To not do
your sworn duty now is inexcusable and will
be construed as Treasonous against the U.S.
Constitution and will be witnessed by either your
actions or inactions! Recusal of yourself also
does not lessen your obligations or duties!!!
If I have personally offended you I apologize as
it was never my intent! Sometimes I seem to be
offensive and bitter but walk one mile in my shoes
knowing your total innocence of any Criminal
offenses (same with Mom and Dad) but constantly
being railroaded by corrupt public servants
in a corrupt and unconstitutional system! also:
Last But absolutely Not least: "Under S.C.
state "Blue Laws" I was not only convicted
on Sunday by violators (Judge, Jurors and
prosecution) of the Blue laws but Jurors were
also picked on Sunday a week prior to my
conviction! Under Sunday Blue laws these evil
people minimum are to be charged separately
for each and every single recess with minimum of
Misdemeanors but under my case it should be

felonies as ignorance of the law is no excuse!
Whether Misdemeanors or felonies it doesn't
really matter it does of course Nullify their
verdict regardless of any or all other legal or
illegal actions committed by them on before or
during the trial! I know South Carolina doesn't
like to have their own laws used against them!
Conclusion: So for all these reasons and many
many more reversible error of entire case should
as the law demands be ordered. I have spent 2
entire days (12 plus hours each day) researching
the notes I've taken and reviewing the laws that
I have researched to properly place them at
different intervals throughout this 39 page
legal filing and also have done it prior to the
possible appointment of any attorneys as I
know from past experience: "The road to Hell
is paved with good intentions". I know and so
do you that there isn't a lawyer out there with
courage or intestinal fortitude enough to go
after all these evil Bastards the same as
I have in these documents! I mean after all
what are the courts going to do? Put me in
prison? Cancel my appeals? Murder me?
Lol! why because of their criminal acts??
Thank You for your time!

The Representatives of the Outy Family are the "Domestic Enemies", Treasonous with the Past Judges "Alexander Macauley, Lawton McIntosh; Stillwell ad Now (Notified March 25th 2014 by a letter from Daniel Westbrook of March 24th 2014 of April 8th 2014 "Damages Hearing in Oconee County @ 2:00PM) one "Cordell Maddox Will be the presiding Judge: "Judge of what?" "FACTS" ??? Standeffer ad his other "Henchmen" have lied and sworn to their lies, Conspired ad lead astray, to distract from the truth pertinent facts that Due and through my Ex. Attorney (Charles Grose Jr.) in this Civil Case "Incompetantly" ad "Intentionally" with full "Ineffectuality" withhold certain Details which I believe to be substantial pertinent evidence that had this evidence been disclosed it would have changed these proceedings to more of a different outlook then the Treasonous and Evil path to come forth April 8th 2014 executed by Aider/Abetter Cordell Maddox of Criminal acts in violation of Sworn oath to the U.S. Const-itution of which: "Article 6 Clause 2 of the U. S. Constitution which states: 'This Constitution, ad the laws of the United States, which shall be made in purs-ueance thereof; and all treaties made, or which shall be made, under the authority thereof, the United States shall be the 'Supreme Law of the Land' 'And the 'Judges' in every state shall be 'Bound' thereby. Any thing in the Constitution or laws of any state to the contrary Notwithstanding."

③
This Hearing of April 8th 2014 seeks what is known as a "Summary Judgement" performed by a judge in "Error at Law" In Violation of "Oath to Office" "In Treason" to the Constitution and "Denying Substantial Due Process" to the Defendant "Under Color of Law" "Without Jurisdiction" whatsoever as, the Defendant (Myself) is an innocent man and evidence of which, at trial I had "No obligation" "Nor duty to divulge" or present any Defense whatsoever Constitutionally Guaranteed, and sat "Mute" Because the state never met its Burden Pretrial let alone at trial! There are many issues remaining that will come forth as My Former Attorneys have admitted they were "Ineffectual assistants of Crime" and are "negligent"!! They admittedly, under oath, during P.C.R. Hearing that they presented no Case on my behalf. They Literally played "Russian Roulette" with my life! The Standeffer law firm and Standeffers four other "Ambulance chasing Henchmen" seek financial gain from who? Me? A Pauper? Indigent! Destroyed by false charges and by Erl Dodless Bastards like themselves and the Outy Clan. "Woe Unto You!" Can we forget "Domnie Outy"? a Constable for Abbeville County "out of his Jurisdiction" "Trespassing" Criminals on "Posted" "No Trespassing" "Private Property". How can these obstacles ever be overcome? They Can't. Constable Outy (For Identification Purposes only) and His "Dead Carcass" was not only on the wrong side of the "No Trespassing" signs but also was

(4)

Not shot by anyone inside or in close proximity of the Bifly house! And if the Standeffer Ambulance chasers had done their due diligence they could have easily discovered these Facts! It is all in Discovery (Sleds Discovery) and I am the one who brought this to the attention of my Ex Lawyers (Drose, Nettles, Schuttz, Dudek and others representing me.) If the Standeffer Ambulance chasers had done their Due Diligence this would have easily been disclosed but the Standeffer Ambulance chasers followed false propaganda put out by the likes of "Charles Goodwin and his Evil Brood and the States Prosecutors and Abbeilles Solicitors! This allowed the Perpetrator of Donnie Outys Murder Set away with total knowledge of this Murder as it must be classified as Murder because the Person who shot & Murdered Outy blamed it on the Biflys to Cover up their acts, and it was "perpetuated" by original Perpetrators in "Conspiracy" to "Defraud" "Justice" and to "Obstruct Justice" to the Biflys! After I disclosed certain Evidence to a News Paper, The Perpetrator Resigned their post (Person who Murdered Outy.) I proved that this person Murdered Outy and the Trajectory and the Ballistics easily prove that: "No one in the Bifly House or its perimeter could have or could have been able to shoot or hit Donnie Outy!" This is supported by Sled & Discovery! And again "Donnie Outy Carcass" Not only was Dead before it hit the ground but was on the wrong side of "No Trespassing signs

⑤

Discovery also proves that the Weapon that Murdered Outy was: "Undetermined". How Could that be? I Know! Ask Outys Coroner! (Bozeman^{SE}) Could it be because the Weapon so claimed by persons at the initial scene in Abbeville Told Bozeman what he was to say? Yes! And Discovery Proves these Facts as Well! Regardless Because of Outy Will - ful disregard for the law and his lawlessness he (Outy) was Murdered by a "Third Party" I believe accidentally but because of putting false Murder Charges upon the Biblys, it has Made Murder one Charges for said Perpetrator! This same Perp has numerous Co-Conspirators who know of these facts as well Out to cover up for their incompetence the lie continues! See evidence proves that I was wrong to think in my letters to Alane Taylor that I even hit Outy when I fired my rifle in his direction after ordering him to leave and Outy raising his sidearm in a offensive manner! If my shot had hit outy it would have been a "Near Miss". And I was sadly Mistaken of my thinking I'd shot outy when I hadn't. Discovery Proves my innocence regarding being the shooter of Donnie Outy! If I had of shot Donnie Outy it would still have been justified as He was Criminally / Feloniously Trespassing which Cant be excused or forgiven! Ask Dad! I Missed said target, But Godalmighty saw fit to see that Outy Enls ad Trespasses did not go Unpunished!

⑥
I've heard since day one: "He has no Remorse".
I say "Remorse for what?" The Bibles weren't
the aggressors. We are the "True Victims"! We
were where we belonged and had a right to be. But
Wilson & Outy and others weren't!! Wilson, Outy
& others had no Right, No Warrant, No Probable
Cause to be at 04 Union Church Road on Private
Personal Posted Property! As a Matter of Fact
The Perpetrators Wilson & Outy at Roll Call
at the Abbeville Sheriff's Dept. at approximately
8:00 AM 12/08/03 were specifically "Ordered"
to stay away from the Bible house and because
they were "Insubordinate" to direct orders of
their superiors: "a suit challenging the constitutionality
of a state official's action is not one against the state.
Since the state could not authorize the action, the officer
was stripped of his official or representative character and
was subjected to the consequences of his official conduct. The
Court went on to say, as discussed above the injunction in Young
was justified, notwithstanding the obvious impact on the state
itself, on the view that sovereign immunity does not apply
because an official who acts unconstitutionally is stripped
of his official or representative character" (see Ex Parte
Young 209 U.S. 123, 160, 28 S Ct 441, 454 52 L Ed. 2d
714 (1908)); Further we see in Scheuer v. Rhodes 416 U.S.
232 (1974): "When a state official acts under a state
law in a manner violative of the Federal Constitution
he comes into conflict with the superior authority of that
Constitution and he is in that case stripped of his official
or representative character and is subjected in his person
to the consequences of his individual conduct. The state has
no power to impart to him any immunity from responsibility
to the supreme authority of the United States."

Does it or Could it get any clearer That Wilson & Outy clearly are / were outside their Authority and were "Feloniously Trespassing" about 40-50 plus feet admittedly without Warrant, Without Right without Order and Without Probable Cause! Now If Judge Cordell Maddox wants to exceed his authority at the Hearing April 8th 2014 he has been

Fairly Warned and: "when a Judge acts as a trespasser of the law, and when a judge does not follow the law, the judge loses subject matter jurisdiction, The U.S. supreme Court stated: "when a judicial officer acts entirely without jurisdiction or without compliance with jurisdiction requisites, he may be held civilly liable for abuse of process even though his act involved a decision made in good faith that he had jurisdiction." also Lets address the: "Summary Judgement" Fraud!:" The Summary Judgement statute is totally Unconstitutional therefore "Void ab-initio" for all intents and purposes because it blocks numerous Civil Liberties/ Rights Guaranteed by the United States Constitution like "Due Process of Law." why do you suppose it is that the Wilson family has
never filed a Civil suit for wrongful Death prior

(Impropria Persona.)

"Habeas Corpus Writ"
Warden McFadden Defendant

May 31st 2014

I Steven Bifby this above mentioned date seek justice to my Redress of Grievances as I am a "Death Row" Inmate at PCR in Abbeville S.C. and have had additional S.C.D.C. sanctions levied against me by an immoral S.C.D.C. staff where there is an in house tribunal where an S.C.D.C. officer/state employee acts Under Color of Law as a Judge (Bau^{SP} Kman) rendering her bias prejudicial decisions without authority or jurisdiction!

Because of these Unconstitutional tribunals and sanctions I have been relocated in another cell away from my entire legal work (books, personal notes). Even denied religious items (ie Bible, Daily Massals and other items). All involved are my: 1st Amendment, 4th Amend. 5th Amendment, 6th Amendment, 7th Amendment, 8th Amendment, 9th Amendment, 10th Amendment, Article 1 section 9 paragraph 3 & 8, Article 1 section 10 paragraph: 1; Article 3 section 2 paragraph 2; Article 4 section 1; Article 4 section 2 paragraph 1; Article 6 Section 2 (paragraph); Article 6 paragraph 3, and all other of

my substantial Constitutional and Due Process Rights possibly not mentioned that may exist or become further relevant to this aforesaid Action at Law. (But not limited hereto.)

The Case in Part.

I am a "Death Row" inmate "Innocent" of all charges, seeking justice, believing after 10 years 5 months 22 days & 14 hours (It's 10:30 AM) that justice could be found? The incident that put me here occurred on 12/08/03. My attorneys (present ones) as well as past attorneys have somewhat aided me in defense. Not always following my requirements even though they are at my hire, not Vice-Versa! They assist me, or are supposed to. I am in stage 3 of P.C.R., meaning that I've gone to PCR hearing for the second time, and am supposed to be going too part 3 of P.C.R. hearing. The amazing similarities by the Department of Corrections, and the state Courts is more than Coincidental (I don't believe in Coincidences.) The dept. of corrections, brings forth charges, tries them, and executes sentences against alleged prisoners. (Judges, Jurors, and executioners) which is a conflict of interest, a Violation of Due Process Rights, of fair, and impartial trial, and other substantial Civil Rights Violations (But not limited hereto.) I am here today because of the Department of Corrections has moved me away from my legal and personal property, as well as, Religious property, since the 8th of April 2014! I started off on illegal window-lock, on March 14th 2014 without going before Classification

(3)

board as required by SCDC policy, before Custody level changes. On the 14th of March 2014, at 9:30 AM, I was put on window-lock by Corporal Williams (who later brought said charges against me.) I asked Corp. Williams, why I was being put on windowlock. He stated: "ask Brighttharp." (Brighttharp is one Captain Brighttharp, AKA "Little Willie" by D.R inmates) On March 21st, 2014 I was served charges by Sgt Barrett, Charge 1. Inciting Disturbance, charge 2. Disrespect!

Even if the policy wasn't Unconstitutional (which it is totally Unconstitutional/Null & Void) I wouldn't qualify for Inciting Charge, as I don't/wouldn't meet specific Criteria for said Charge! Second: Disrespect! "How can the people owe the least amount of respect, (officers) demand respect, when they show little, or no respect themselves towards inmates???" Amazingly on the 8th of April 2014 (I don't believe in coincidences; but coincidentally I was supposed to be in Circuit Court on a Wrongful Death suit in O'Connell County on April 8th) they held a Kangaroo Court/Star Chamber hearing where I was found guilty of said charges, of which days prior too I filed a 10 pg challenge to the above referenced charges. (10 pg statement was submitted as evidence.) I refused to sign said charge papers, to which, Lt. Vaughn had an absolute hissy-fit to, and I was ordered back to Cell 237-A, too which I was almost set free inside of Cell 237, when Captain Brighttharp ordered the C.O.s with me, to Cease and not un cuff me as I was being relocated! (without proper authority) I was put in Cell 135 first till April 11th because of raw sewage on floor, leaking from toilet since April 8th! (fully known by C.O.s Lt Vaughn, Capt. Brighttharp, Sgt (Ging) I was relocated then, to Cell 131, where I am partially located as of Now! On Window lock, on restrictions. Because of said restrictions, I'm being denied legal work (all of it books and notes and evidence favorable to me. On the 23rd of May 2014, while I was in the shower, a Lt. Lawrence and officer Howell, without my permission, or Authority, and without my being present, per order of Capt. Brighttharp, did Enter Cell 237

(4)

Commit an illegal / Unconstitutional Search & Seizure, of what: "They Deemed" to be legal property; not at all what the actual property was! They admittedly searched for what they decided what was legal work. Under the Law I have a right to any, and all evidence favorable to me, and, regardless of quantity, to be at my fingertips in my presence! I have at least 18 books hundreds of pages of hand written notes, Countless pages of cases photocopied, and sent to me by friends, and lawyers! All of the belongings in Cell 237, have a connection to either legal or, to my religious beliefs! I've been denied all of my religious materials (I am Roman Catholic) therefore, I am at an impass/standstill on my research, and my own investigation of my Death Penalty Case. Because of the further false charges since 12/08/03 I am not able to put up a adequate defense, and because of the literal "Ransacking" of Cell 237, and my materials, I couldn't be sure that all of the books, notes, papers, and materials are all there, and could be accounted for! It also poses as an issue, because it can't be said, or proven, that my defense hasn't been compromised by said state employees, who illegally searched, and seized, property of Cell 237; didn't read, take, steal, destroy, said evidence to seek how I intended to pursue the furtherances of P.C.R. Hearing! It is an impassable, and Un-Correctable Damage with only one alternative!! Issuance of "Writ of Habeas Corpus" All of these trials aside, Discovery from the state also proves my/our innocence as well! My Original Attorneys were incompetent / ineffective assistants of Counsel, Derelict, and in no way, were effective in the Constitutional aspect of the case! I filed Motions throughout the case that, under appellate law Rule 24 / Rule 55.2 (Not answered

(5)

allegations by me.) Put the state in Default! I filed in (on August 2nd 2005 (I believe it was) Abbeville Circuit Court, a "Writ of Habeas Corpus" / "Error Corrun Nobis" and a "Jurisdictional Motion" of which, it was, pushed of the side (I remember what the Jurisdictional issue was with the "Habeas Corpus", "Error Corrun Nobis" and Motion to "Quash Indictments",) after time of elapsed, I then filed a Motion for "Default Judgement". Now all of these Motions / are / were filed and clocked with the Court, but to no avail, as they were never challenged by state, or even tried, according to law, that they should have been! which Violates my "Due Process Rights", and "Equal Protection of the laws", and, "Full faith and Credit" with my "Privileges", and "Inalienable Rights" and "Supremacy Clause" Rights as well. Because the state in this tribunal at S.C.D.C., as well as, the Circuit Court in Abbeville, as well as, the state supreme Court with Judge Jean Toul, Usurp Authority, the U.S. Constitution strictly, and Unquestionably forbids: Article 3 Section 2 Clause 2 states: "In all Cases affecting Ambassadors, other public ministers, and Consuls, and those in which a state shall be a party, the supreme Court (U.S.) shall have Original Jurisdiction." Not only is the state of S.C. out of Jurisdiction, (therefore Nullifying all charges and Convictions) but so is the state of S.C. Dept. of Corrections, therefore nullifying said charges. Therefore these trials cannot Contend! The only thing Keeping any Death Row Inmate alive is the U.S. Constitution. The only Lawful "Capital Offense" by the U.S. Constitution is "Treason" of which, the above referenced parties (but not limited to) are guilty of! They have Committed Perjury of office!!

I apologise for lack of, or limitation of, ability as I wish, as law prescribes, I had my property! This is an Evil injustice, and an actual obstruction of justice to deny me / block me of my liberties and freedoms as it is my job and duty to make sure my attorneys are doing their Due Dilligance with an aggressive and loyal defense by and for me a "Belligerant" Claimant! This Habeas Writ also goes to the fact, that, I didn't have, nor could I have ever, under any circumstances, received a "Jury of my Peers!" After all it is clear and admitted: State of S.C. v. Steve Bifby! according to that very Caption the entirety of the state is against me, including all of its resources! The state holds the Burden, I have no obligation to present any defense whatsoever! There is Judicial Misconduct, and Prosecutorial Misconduct, Entrapment, Jury stacking, Jury Packing, Fraud, Conspiracy, Treason, Perjury, Obstruction of Justice, Racketeering, Slander, Defamation of Character, Libel, Verdicture Prosecution, Just to name a few of the actions by the state in my wrongful conviction! Then there is the fact that "the Jury Wasnt properly sworn" according to the U.S. Constitution's requirements, and the intentional misleading of the Jury, by Alexander Macauley, and aided, and abetted by the prosecution team! Then there is the Double Jeopardy X at least 4! The Grand Jurys collaboration outside of my presence, denying me the Due Process Right to face my accusers, and be able to question them and use their testimonies at the Grand Jury, to impeach them at trial, where does it end? All of these claims cannot be construed as minor issues, and the injustice

of this entire case is infuriating and unpardonable as through fraud, and deception it has perpetuated to an almost deafening vengeance! We The Biflys, (I'm the only remaining survivor,) are all innocent of any, of the charges! On the 8th day of December 2003 The Biflys (Arthur W. & I Steven) were at 04 Union Church Rd. Abbeville S.C., where we belonged and had a Right to be! One Sgt Danny Wilson, of the Abbeville County Sheriffs Dept. on patrol, came to the Bifly house, at 04 Union Church Rd regarding a land dispute, Sgt Wilson without Cause, without Right, without Warrant, and in "Insubordination" of a Direct Order, at Roll Call, by Chief Deputy of Abbeville Sheriffs Dept. (Marion Johnson) to not go to the Bifly house. which Wilson did go to the Bifly house! (This is all in Discovery) Wilson Entered Private, personal Posted, Property as a trespasser, (felonious) aggressively, without Warrant, and was ordered to leave by Arthur Bifly (Co-owner of the house at 04 Union Church Rd at the time.) I was standing over my Dads Right shoulder (in plain vision of Sgt Wilson while Dad answered the door) when Wilson was ordered to leave. I was smoking a Cigarette, and actually excused myself to go put out the Cigarette in an ashtray, as I thought that everything was going well, or I would have never left my Dads side. Anyways, I heard a Crash, and looked around, and saw my Dad bent over holding his face in his hands. It took a few seconds to understand what was going on, but I noticed the door (heavy steel entrance, 9 light door) was off kilter, but was kicked with such force that it was to the closed with my Dad bent over still behind it. I grabbed my rifle, that was in my parents living room, and jacked a shell into its chamber, and held it at arms length between the two windows by the front door, and ordered Wilson to "Stand Down" (which is a Military phrase usually given by superiors in the

military.) (I am not, nor have I ever enlisted, served in any of the Branches of Military.) The rifle held at arms length had my thumb on the trigger, and Wilson made his last aggressive attack by kicking the door in a second time. I squeezed the trigger at the running kick of Wilson at the front door. Had Wilson been seconds earlier, or a second later, the bullet never would have hit him! Wilson landed on his back, with his upper thighs over the threshold of the door. Before Wilson was shot, as he stepped back to make his aggressive second kick at my parents front door, I saw his right hand go for his sidearm, and evidence proves this. Discovery as well, by my letters to Alane Taylor, which were wrote immediately after the incident of 12/08/03 but were part of Discovery for our Cases! I described, in said letters, some of the occurrences, and later a Sun Solvent Residue test concluded my exact statement of facts to be true! Anyways, Wilson's sidearm was partially removed from his holster, which I grabbed then handing my rifle to my Dad and said: "If he moves shoot him!" while I placed Wilson's 40 caliber semi-auto handgun in a safe, secure location (about 15 or so feet away, but in the open) I came back, and grabbed Wilson's left arm, literally pulled him to a standing position (even though the coroner said he was dead before he hit the ground.) and as gently as possible laid him on his stomach, relieved him of his own handcuffs, putting his own handcuffs on him, while I literally read him his "Merrinda Rights", and read off the top of my head felonious charges against him! (Now my Dad Arthur Byrly, in the 1960's, was a "Harrell N.H. Police Officer, under chief at the time, Harold Cummings.") Dad was a police officer for about 2 years then quit because of the "Corruption" and "Quotas" he refused to accept or adhere to, instead of giving verbal warnings!!!!!!

after Sgt Wilson, through his numerous felonies, set the ball in motion, we dug out, (literally in some instances) weapons, and loaded them, preparing for an "Invasion" of enormous size. We are just regular folks, all of our guns, were manufactured at least 30 years prior too 12/08/03, mostly hunting weapons Rifles, shotguns a Couple of handguns, nothing extra-ordinary! Anyways, a short time later Lt. Deborah Graham, of Abbeville Sheriffs Dept. Pulls in behind Wilsons Cruiser, and goes to the back of her Cruiser, opens trunk, and shuffles around in said trunk, a few minutes later, she closes her trunk, and walks down "Horton Drive" (Horton Drive is off Union Church Rd & Hwy 72!) Then Constable Outy pulls in off of Hwy 72, with Cruiser facing towards Greenwood direction, as Outy is fumbling between the seat of his Cruiser, with the drivers door wide open, he gets something out of the Cruisers Consol, He (Outy) then exits said Cruiser, and walks toward Graham who is in the middle of Horton Drive keeping watch of the House, obstructed by my Concession trailer, (38X16) something is being said as I just hear muffled, but, cant make out what is actually said. I hollar at Constable Outy as he is coming toward the house: "Your trespassing, you dont belong here leave" too which, Constable Outy, raises his hands, with gun in hands, in a offensive manner, and I raise my rifle, and put a shot in his direction (meant to be a "Near Miss") that would have just grazed him, if it had actually hit him! Evidence, and Discovery Prove, that Deborah Graham is the actual shooter of Constable Outy. but the Bibbys, because of former Sheriff Goodwin, and Chief Deputy Johnson, and Robert Stewart, (former chief of Sleds) fraud, and Malfeasance we were falsely charged, and convicted of false charges. Never challenged by original attorneys.

even though they knew the difference. of course again I had no obligation to put up a defense, the Burden is/ was upon the state, to prove beyond a reasonable doubt, of which said Burden was Never met! See the fact is, we from the Utmost beging, Declared "Self-Defense," and the state accepted the Self-Defense, but never met their burden, to prove, it wasn't self-defense, and put the Burden (Burden shifting) back upon the Biflys, which is a violation of Due Process Rights in the least!

If the State had have met the Burden by a preponderance of the Evidence, then the self-Defense claim would never have been read off, nor, would have needed to be read off, to the jury! There were several read off to the jury by Alafander Macauley (the Judge.)

The Case had no right to go forward having not met the Crucial Burden. (not being met). Discovery also proves: "In their illegal acts Wilson & Outz were in Violation of their oaths of office which was: Sworn to Preserve, protect, and Defend the United States Constitution against all foreign, & Domestic Enemies! They both, either lied when they took their oaths, or were lying when they committed the atrocities against the Biflys at 04 Union Church Road December 8th 2003! Also: Wilson and Outz's "Carcasses", were both on the wrong side of "No Trespassing Signs," Every single Public servant from Judges, lawyers, Cops, Solicitors (Not prostitutes in this case.) dog Catchers, State County, Municipal employees are required, before they take office, to swear this oath, or affirmation to God to: preserve, protect, and defend the U.S. Constitution against foreign, & Domestic Enemies! The U.S. Const. itution was Created to Protect US from the Govt., not the Govt. from us! Public servants actually

lose some of their liberties by taking said oath as the people are their Rightful Masters, once oath of office is sworn. The people are not accountable to the public servants, the public servants are accountable to their paymasters: "We the People". Our "Freedom of Conscience" "Supersedes" any law or ordinance and we have no obligation to obey an Unconstitutional law! The South Carolina Murder Statute is Unconstitutional because: @ the state is a party in Violation of Article 3 section 2 clause 2 of the U.S. Constitution; Also: "when a Federal and State law are in Conflict, the Federal law is supreme": "Supremacy Clause" Tibbons v. Ogden: (1824). For the proper definition of Jurisdiction check out: "Cohens v. Com. of Virginia": 19 US 264 wheat (1821) Especially but not limited to: "19 US 264, 404: "It is most true that this Court will not take jurisdiction if it should not; but it is equally true that it must take jurisdiction if it should. The Judiciary Cannot, as the Legislature may, avoid a measure because it approaches the confines of the Constitution. We cannot pass it by because it is doubtful. with whatever doubts, with whatever difficulties, a case may be attended, we must decide it. If it be brought before us, we have no more right to decline the exercise of jurisdiction which is given, than to usurp that which is not given. The one or the other would be Treason to the Constitution". also: The South Carolina Murder Statute is Unconstitutional because it is so Discriminatory because it creates certain classes of people whom it protects violating the Equal Protection Clause! also: The South Carolina Murder Statute is Unconstitutional as it Violates Religious Freedoms like the God given Inalienable Right of Self-Preservation Granted By God after Cain Murdered Able in Genesis! By Lamech after he "Killed" (Not Murdered) in Self-Defense!

Also: The South Carolina Murder Statute is totally Un-Constitutional as: Under a decision of the U.S. Supreme Court in I believe 1973 where the Justices on the U.S. Supreme Court legalized Murder Under Roe V Wade where Abortions were made legal by whores as a form of Birth Control! Under the Equal Protection clause if over 1.5 million babies are Murdered every year what are a few people who probably do deserve it, in comparison to babies who have done nothing? Also: The Murder Statute in South Carolina is Unconstitutional as it: is a statute that conflicts with Article 3 Section 2 clause 2 of the U.S. Constitution where: "Statutes that violate the plain and obvious principles of Common Right and Common Reason are Null & Void". Bennett v. Boggs 1 Baldw 60! also: "A... good faith belief that one is not violating the law negates willfulness whether or not the claimed belief, or misunderstanding is objectively reasonable, statutory willfulness... is the volentary, intentional violation of a known legal duty". Cheek v US 498 US 192 (1991); "A law that impinges upon a fundamental right explicitly or implicitly secured by the Constitution is presumptively Unconstitutional". Mobile V. Bolden 446 US 53, 76 (1980); Harris V. McRae 448 US 297, 312 (1980) also: The South Carolina Murder Statute is totally Unconstitutional because it Violates the U.S. Constitution because it is Repugnant to the U.S. Constitution: "The Constitution of the United States is the Supreme Law of the Land any law Repugnant to the Constitution is Null & Void for all intents and purposes!" Marbury V. Madison 5 US 137! also: The South Carolina Murder Statute is Unconstitutional as: South Carolina is a party so therefore has no jurisdiction and Under SC. law: "Jurisdictional Defects can be raised at any time" Mark E Robertson V. State 276 SC 356, 278 SE 2d 770 (1981);

also: "Jurisdictional Defects": "Murdoch v. State: S.C. SE 2d Op. No. 23623 (April 6th 1992) and once the jurisdiction is challenged: "Recipients were required by law to prove their authority and jurisdiction, where challenged, but by Affiant's Citations of Federal Insurance V. Board of Control of Michigan College of Mining and Technology: 333 Mich. 681 686 53 NW 2d 681, 683 (1952) Recipients were also notified that in the absence of proof, they may be held personally accountable for any loss, injury, or damages for their actions" Under Color of office: (United States v. Prudden: 424 F.2d 1021 (5th Cir. 1970) Cert denied 400 US 831 (1970) Cited within U.S. v. Tweel (Tweel), 550 F.2d 297 (5th Cir. (1977))

Also: South Carolina Constitution Article 1 Section 16 Makes South Carolina a: "Jury Nullification State" where, "it is the Jurys prerogative and duty to decide the law as well as the facts" Through Judge Alexander Macauley, he intentionally/deliberately mislead the Jury saying: "That he would tell them the law, and they: "Must follow his instructions/directions on the law!" That is called Entrapment/Jury stacking/Jury Packing/Judicial Misconduct in Violation of State of Georgia v. Brailsford: et al 3 dal 1; U.S. v. Dougherty: 473 F.2d 1113, 1139 (1972) Quotes of these Jury Nullifications include: John Jay 1st Chief Justice in 1789; Samuel Chase 1796; Wendell Holmes 1902; Harlan Stone 1941; and on and on! In 1905 South Carolina v. U.S.: 199 US 437, 448 South Carolina said: "The Constitution is a written instrument as such its meaning does not alter. That which it meant when it was adopted it means Now." or is that only when it suites their abuses and usurpations to destroy, dismember and pervert the instrument they swore oath too? "Ignorance of the law is no excuse" per

Alexander Macauley (Circus Judge) and Jerry Peace former Abbeville Solicitor stated numerous times in transcripts of trial! Alexander Macauley should remember: "when a Judge acts when he or she does not have jurisdiction, the act the Judge is engaged in, is an act of Treason". Miller V. U.S. 230 F2d 486-489 also: "when a Judge knows he lacks jurisdiction, or acts in the face of a clearly valid statute expressly depriving him of jurisdiction, judicial immunity is lost. He may be held civilly liable for abuse of process, even though his act involved a decision made in good faith thinking he had jurisdiction." Little V. U.S. Fidelity & Guarantee Co. 217 miss. 576, 64 50 2d 697! Judges Marc West-Brook (Deceased), Alexander Macauley, Mackintosh, Stillwell Maddox, MacMahon, Jean Toal and her four benchmen are all liable for Damages, injuries, and losses but to be fair is it proper where it is the entire state of South Carolina per their very own admission that it is the Entire State of South Carolina V. Bifby, that every single person in the state hold a certain amount of liability? for either action or inaction? Brought on of course by their Employees? Their Representatives? I can and have had, lawful, power of attorney, since Pre Spring 2003, regarding every single aspect of O4 Union Church Road, and the Murdered/accused awaiting some justice (Arthur W Bifby 09/05/11; Rita J. Bifby 09/12/11 whom died, (were actually Murdered 7 days apart, while awaiting their Freedoms & Liberties from illegal and totally unconstitutional acts by S.C. to steal a piece of land that S.C. had no and through evil acts of imprisonment were able to Confiscate private property without just compensation without Due Process of law Illegal Right of Way, as the Road in front of Dads, & Moms, was on Hwy 246/Union Church

(15)

Road, Not Hwy 72, There was no right of way for Hwy 72 in front of The Biphys house because the Right of way was only for Hwy 246/ Union Church Rd. so that is proof in and of itself that there was no legal right of way for Hwy 72, and the address in Discovery prior to the widening and back to 1960 is Union Church Rd. Not Hwy 72! which proves any documents after 1960 are all fabricated, and falsified to steal what is not theirs, by Fraud, and deception! Every single New-Do-Well in this case from Judges, to sheriffs to, cops to sled, even the Former Governor, Mark Sanford who was: "Notified through fax" with a: "To whom it may Concern" letter (3 pgs) December 5th 2003 @ 12:20 PM as received in Discovery as Evidence! where was one Mark Sanford? On the Infamous Appalachian Trail? In Argentina getting Argentina? with his whore??? I am through being nice, while S.C.D.C. attempts my Murder, through major health issues, which are only part of my Concern. My Main Concern is getting my parents names cleared which, I won't live long enough awaiting attorneys to act! Their intentions may be good but Remember: "The road to Hell is paved with good intentions!" so for all of these Reasons, and hundreds (easily) more, of which I don't have the evidence as it is all in my notes, being blocked from me, in Cell 23? Maliciously, Vindictively, and Evily! I therefore set the record straight of our innocence, which I have proven beyond any doubts and now I seek to show that immunity is not feasible here and will follow a Case of Reparations and sanctions against our Accusers! That will be but are Not limited to the following Precedent sett in Cases and laws: "a suit challenging the constitutionality of a state officials action, is not one against the state. since the state

could not authorize the action. ⁽⁶⁾ the officer was stripped of his official or representative character and was subjected to the consequences of his official conduct, the Court went on to say: "as discussed above the injunction in Young was justified, notwithstanding the obvious impact on the state itself, on the view that sovereign immunity does not apply because of an official who acts unconstitutionally is stripped of his official or representative character (see Ex Parte Young: 209 U.S. 123, 160, 285 Ct 441, 454 52 L Ed. 2d 714 (1908)) "Further we see: Scheuer v. Rhodes: 416 US 232 (1974): "when a state official acts under a state law in a manner violative of the Federal Constitution, he comes into conflict with the superior authority of that Constitution and he is in that case stripped of his official or representative character and is subjected in his person to the consequences of his individual conduct. The state has no power to impart him any immunity from responsibility to the supreme authority of the United States." also: "Raising Constitutional issues: "If the Government (Federal or state) brings a civil suit based on the statute the claim of unconstitutionality can be raised as a defense. for a leading Constitutional case which arose in this matter see McCulloch v. Maryland 17 US (4 Wheat) 316 (1819), If the Government institutes criminal proceedings based on the statute, unconstitutionality of the statute is a defense. Once damaged by Government action claimed to be unconstitutional maybe able to raise the issue in a suit for damages." see U.S.V. Causey 328 US 256 (1946). "Person held in official custody, may challenge the constitutionality of their detention by Writ of Habeas Corpus (see statutory substitute such as (28 USC § 2255)) "one may bring suit seeking Injunction or a Declaratory Judgement "as to the constitutionality of a statute! also other Civil Rights Claims for our Constitutional Deprivations against state officials:

additional psychological Evaluation (Unconstitutional) I brought up at the Recorded (But sealed by the Court at the time) to the interrogator, state shrink Richard Frerksen, while my Attorney at the time, Charles Dross was present about the proper swearing in of the jury under the U.S. Constitution Article 6 Clause 3: which in part reads: "And the members of the several state Legislatures and all executive and judicial officers both of the United States and several states shall be bound by oath or Affirmation to support this Constitution?" at my trial Alexander Macauley puts on a big show of swearing in Former Sled agents under Constitutional oaths then passes the oath swearing of said jurors to the clerk of Court and said oath isn't even part of the transcript for the jurors picked by the state and set by the Judge without proper Voice Dire! And this is the lawful result of such Injustices:

"Improper Oath Reverses Murder Conviction"

by: (North Country Gazette) on June 22nd 2008
By June Mayham:

Troy (N.Y.) So you think an oath is just a technicality? The Conviction of Michael "Murder" Hoffer 28 serving a life prison term without possibility of parole in the 2003 Killing of a police informant was reversed last week by a state appellate Court because potential jurors were not given the proper oath in Rensselaer County Court. I'm sending the case back for a new trial the state supreme Court appellate Division, Third Dept. reinforced that: "Oaths are not formalities, are sacred, and no Citizen need expose ~~that~~ him or herself to loss of Liberty or property by people who are not sworn." The same standard is applicable for Judges too!

"when the North Country Gazette and the NYS oaths project conducted a survey of judges statewide during 2003 and 2004. It was learned that over 90% of individuals claiming judicial office had never taken and filed their oaths of office as required by law. Town justices across the state were illegally performing judicial duties including sending people to jail without having legal title to the office but when it was brought to their attention, they pook-pooked the challenge, became offensive and said so what then the verdict came in. No oath No office! The North Country Gazette and NYS oaths project were successful in forcing the state legislature and office of the Court administration to admit that judges and justices across the state were in gross non-compliance of the law, prompting the legislature to address the issue with new legislation to try and start off the rash of litigation of challenges to decisions made by black robed imposters. The oaths project also discovered that when George Ceresia of Rensselaer County was appointed administrative judge of the Third Judicial District in 2001 according to the secretary of states office Ceresia had never filed his oath of office when he first elected Supreme Court Justice in 1994. He wasn't even legally a judge, by matter of law, and shouldn't have been named to head other judges in the District. The law is very specific stating that: "Judicial oaths must be filed within 30 days of the commencement of a public officers term or else they vacate the office as a matter of law." The Vacating of Hofflers Murder Conviction due to an improper oath having been administered to potential jurors in the courtroom of County Judge Patrick McShath

Could have far reaching effects in Rensselaer County Criminal Cases and could affect scores of other Cases tried in that County. "We will in the Future have the Court Clerk presiding at the trial read the oaths before the judge or other parties are in the Courtroom", said Court Clerk Richard Reilly. "We are going to follow the letter of the law in the Criminal procedure laws so that this does not happen again. So a man adjudged guilty of Murder goes free because the proper oath wasn't administered. How about those Judges that have been sitting in judgement of others without having taken and filed their oaths of office?" Courts have held that if judges and justices are not in office legally, by not having performed the ministerial task of taking and filing their oaths in a timely manner they are not entitled to collect a salary and benefits from the taxpayers. The oath of office issue has been labeled a technicality by many and shoulders are shrugged, eyes rolled and deep sighs exuded when a litigant or defendant raises the issue if the judge or other public officer has taken or filed his or her oath. If he or she has the authority to sit on the case and if decisions are Void if the judge has no oath or Bond. Justice Anthony Carpinello, a native of Rensselaer County who is being apposed in his bid for another 14 year term by McShuth trial judge in the Hoffer Case, did not take part in the 4-0 decision". also another major issue: The South Carolina potential juror questionnaire: when it asks the potential jurors what they think: an "Eye for an Eye Means!" who created this prejudicial and perverted questionnaire? For the indoctrination of potential jurors with a retracted version of someones vengeful religious beliefs? Eye for an Eye doesn't mean what it is inferred to mean there's a lot more

that goes with it. Justice calls the entire scripture to be brought out and shines a whole new light on the true meaning of Eye for Eye! It reads: "Deuteronomy 19 v. 14-21:" "Thy shall Not remove thy neighbors landmarks, (Bifly Case?) which they of old time have set in thine inheritance, which thou shall inherit in the land that thy Lord thy God giveth thee to possess it. one witness shall not rise up against a man for any iniquity, or for any sin, in any sin that he sineth: at the mouth of two witnesses, or at the mouth of three witnesses shall the matter be established. If a false witness rise up against any man to testify against him, that which is wrong; Then both men, between whom the controversy is, shall stand before the Lord, before the priests and the Judges, which shall be in those days; and the Judges shall make diligent inquisition: and behold if the witness be a false witness, and have testified false against his brother: Then shall ye do unto him, as he had thought to have done unto his brother." So shalt thou put the evil away from among you. and thine eye shall not pity; but life shall go for life, eye for eye, tooth for tooth, hand for hand, foot for foot." End Quote! which was part of my Not so brief of August 8th 2011 before my parents died by the Murdering hands of South Carolina as innocent people! It was a 39 pg Brief filed, accepted but never challenged in Abbeville Greenville S.C. (Robin Stillwell Judge) And Now Last but definitely Not least is the penalty assessment for all of the Civil Rights Violations to be assessed for Arthur W. Bifly, Rita Dr. Bifly and I Steven V. ① This Ruling Has Not been appealed! Now Under the law and with this precedent setting case of James Tregerant I feel justice would be served if the Governor's office, the Attorney General's office, and the solicitor of Abbeville County, and Sled, and the County of Abbeville, the Abbeville sheriffs Dept, the Greenwood sheriffs Dept, the South Carolina Dept of Transportation, the S.C. Department of Corrections, the Abbeville Circuit Court, the Oconee County Circuit Court, the Greenwood municipal Court, the Anderson County Jail, the Sefington County Jail, the Chesterfield County Circuit Court the Chesterfield County Jail, The Zieber Correctional facility (Death Row / Ridgerville S.C.) all be responsible Contributors to settling the legal debts for my parents (Arthur & Rita Biflys Murder with Double Indemnity Damages of: $\$25,000.00$ every 23 minutes $\times 60$ minutes = $\$65,173.20$ per hour illegally held in Captivity against the law and Unconstitutionally! which is 24 hours a day $\times \$65,173.20 = \$1,564,156.80$ per day $\times 2828$ Days for Dads illegal Captivity at the rate of $1,564,156.80$ per day equals: $\$3,413,435,430.40$ (three billion four hundred and thirteen million four hundred and thirty-five thousand four hundred and thirty dollars and forty cents multiplied $\times 2$ Double Indemnity equals: $\$6,826,870,860.80$! Now for Rita Biflys illegal and Unconstitutional detainment for 2836 days at $\$1,564,156.80$ per day = $\$3,424,084,528.00$ multiplied by 2 (Double Indemnity) = $\$6,848,169,056.00$ or 6 Billion Eight hundred and forty-eight million one hundred and sixty-nine thousand and fifty-six dollars! And because of the theft of property

by Abbeville and The Department of Transportation another Double Indemnity is in order for the permanent possession of the stolen road frontage only (no other land or structures and this is Non-Negotiable) the only alternative is to remove the Road and sidewalk off of the Bifby property prior to 12/08/03 locations. or pay with Double Indemnity: so add \$ 6,848,169,056.00 plus \$ 6,826,870,860.80 equals \$ 13,675,039,916.80 total for Restitution for Arthur Bifby and Rita Bifbys illegal/Unconstitutional Detainment and Civil Rights Violations with Double Indemnity for their Demise and another Double Indemnity for the illegal Confiscation of private personal property without just Compensation or Due Process of law which is the only way to keep possession of said stolen property or they (Abbeville tears up stolen road property and get off land completely or pay Grand total for Arthur & Rita Bifbys estate: "\$ 27,350,079,833.60 or twenty seven billion three hundred fifty million seventy nine thousand eight hundred and thirty three dollars and sixty cents! Abbeville and S.C. started this event let them pay! Now Comes the above mentioned Neer-Do-Well Conspirators and Co-Conspirators who put me on Death Row for Revenge illegally, Unconstitutionally depriving me of the last years of my parents lives and I am as Bitter as Bitter can be. and the only way to affect any change is to hit the perpetrators where it hurts and that is in their wallets! With the Mercy they have shown and shown so shall they reap! Right Now I have been held as a "Prisoner of War" perpetrated and perpetrated by Abbeville, Sled, B.C. D.O.T, police, Courts Executive, Legislature and Judicial Branches of S.C. Port and Municipal

County and State officials for 10 years 5 months 23 days and a couple of hours (It is just 12:01 AM the 1st Day of June 2014.) That equals out a little more than 3846 days to date of illegal/Unconstitutional detainment at \$25,000 ~~or~~ every 23 minutes (per James C. Treverant Case Sept 6th 1984 V. Tampa Florida, which equals \$165,173.20 per hour for 24 hrs. equals a \$1,564,156.80 per day multiplied x 3846 days equals \$6,015,857,152.80 multiplied x 2 (Double indemnity) for being put on Death Row for revenge because: "I Know my rights and I Dared" maintain them! My Grand total is: \$12,031,714,305.60 or: "Twelve Billion thirty one Million seven hundred and fourteen thousand three hundred and five dollars and sixty Cents! For an absolute Grand Total today of \$39,381,794,139.20 plus of course a Fair Interest Rate on the money owed to date by the above mentioned Conspirators and Perjurers of 1% per year per plaintiff or 1% Arthur Bifly per year, 1% Rita Bifly per year and 1% Steven Bifly per year and this has been going on 10 years now or lets say 30% interest which of this amount owed at 30% interest would be a yearly amount of interest easily for that! this kind of money owed! 30% for 10 years interest @ 3% per year is a gift! I challenge anyone to walk in my shoes step by step for the past 10 years with all the crs done to us Biflys 30% of \$39,381,794,139.20 equals: \$11,814,538,241.76 interest for 10 years! for a Super Grand Total of \$51,196,332,380.96 or Fifty one Billion one hundred and minty six million three hundred and thirty two thousand three hundred and eighty dollars and Ninty six Cents! I Know your saying there is no way in Hell Bifly Will ever get that! Im sure with a high probability your correct but why shouldnt I receive what the law has Affirmed? Isnt it called justice? Is there any way to restore the many losses from our Aggressors?

Is there any way to recoup all the Evils done to us on 12/08/03 and since ?? and the final bit of Restitution required Under Law that needs to be met is that every single person who perjured themselves in our Cases (Not all of them did) face the exact same punishment to which there is no appeal by law and they must be put to death for their false witness Under Deuteronomy 19 v 14-21 there is Your: "Eye for Eye tooth for tooth foot for foot" parable for false witnesses! All of this is covered Under Article 4 section 1; article 4 section 2 clause 1 and Equal protection of the laws! This is my "Writ of Habeas Corpus" seeking justice to be set and Done By my exoneration and immediate release without further delay (Justice Delayed is Justice Denied) and make immediate restitution in the above accrued amount and restore what should never have been taken in the first place! These things I seek are not extra-ordinary they are justified by law and are sanctioned remedies to alleviate Damages and injuries perpetrated against the Biflyts on and since 12/08/03! The above Captioned Relief with 27 pages of Facts are my "Habeas Brief" (But Not Limited Hereto:.) I swear that the Enclosed Documents (31 pages) are True and Correct Under Penalty of Perjury this Date June 1st 2014 So Help Me God!

"Jurisdictional Issues"

"Conflict of Interest"

"Due Process Violations"

"Derelection of Duties"

"Perjury"; Conspiracies"

("Not Limited Hereto")

The Petitioner Steven Vernon Bixby is a State
Prisoner, sentenced to Death (Unconstitutionally)
as an "Innocent Man"!

This Matter is before the Court on Petitioners
request for: "Assistance of Counsel" NOT for a
lawyer to misrepresent me! which has occurred
from 12/10/2003 to Date! Too Date every single
forced attorney, improperly Vetted, Illegally & Corrupt
by Placed, has chosen Mannon over God, and will
face Major issues on Judgement Day as my Judas
Iscaariots. (Woe unto them!) Due to the Higher
Penalties of the Illegal / Unconstitutional charges

I face, and due to the Incompetence of attorneys to
date who met the Courts minimal standards test, and
were not qualified to assist me in my endeavors
let alone Represent Me. It poses as a Major
Conflict of Interest on Numerous stages! Although
the Judge in the Case apparently likes the appointed
I forced & illegal attorneys. (Not Counsel) And these
said attorneys may well work well for Impeachment
Proceedings they are no where near Qualified to
"Competantly" handle a "Habeas Writ" for Death Penalty!
"I Object" to the placement of "Representatives" who
Under No Circumstances will be allowed to do any
- thing more than assist me. Never Represent Me!
As I am a "Belligerent Defendant". Not only do I
have a "Right" to file Documents, but a Right to
address this Court with Oral Arguments. (If I so
choose.) To Deny me these Rights is a direct "Due
Process Violation" Already done by this "Tribunal"
in the year 2014 Case #: 5:14-cv-02168-RBH Date
filed 06/05/14 which denied me "Equal Protection
of the Law"; It Denied me "Privileges & Immunities";
It denied me Speedy & Public Trial (Habeas Writ)
& it Denied me Numerous other Rights to which this
Court supposedly is in existence to Preserve, Protect
& Defend my Constitutional Rights! "Judicial Acts
- mists" are in all the Corrupt Courts Treasonously

and Knowingly Circumventing and Corrupting the Constitution & their Oaths of Office (Felony Perjury) which not only is a Criminal Act but is a "Capital Offense" (the only Constitutionally Designated Capital Offense: "Treason!")

"I ask this Court Specifically": An appointment of Counsel, is one of the Qualifications to becoming a "First Tier" Attorney, an ability to Misrepresent Clients, per Courts Directive?? The supposed Court forced attorneys Shealy & Moncton, have not even attempted to contact me since the first contact by letter June 22nd 2017 which I received on June 26th 2017, Almost 2 (two) months after they supposedly were appointed (against my knowledge) to my Case. It brings major questions to bear to my Case. It brings major questions to bear to my Case. It brings major questions to bear to my Case.

- ① Who are these attorneys really assisting? Parent
- the Prosecutors, Defense Attorneys & Judges all fed out of the same "trough"?
- ③ Are Lawyers officers of the Court? (If they are officers of the Court) where do their loyalties lie? "Client or Mannon"?
- ④ If these lawyers don't know me, & don't care to know me (which is absolutely apparent.) How can they assist me?
- ⑤ Counsel of choice is an absolute Right that No Court, Nor Congress has authority to challenge! (10th Amendment) The U.S. Constitution (Supremacy Clause.) "Nullifies" Repugnant Ordinances, statutes, & laws! The Judges (of all Courts) are "BOUND" to the U.S. Constitution by "Oath or Affirmation"!!

Are the Oaths of these Courts on Record? Under the Freedom of Information Act (F.O.I.A), I have a Right to Know, & to Confirm these Oaths! They are to be filed with the Secretary of State! History Proves S.C. Will to Rebel, & refuse to Comply with the law! (It's what initiated the Civil War.) ⑥ The Courts minimum standard of appointing Attorneys throws questionable ethics Violations into account. The United States Constitution was created to protect us from the Government, Not the Government from us!" ⑦ On the 27th of June 2017 I sent a 5 page letter containing I believe 37 Vetting Questions that are my Right & Shealy, & Monctons obligation to Comply to, & I assured them they would Not, & Could Not Constitutionally Represent Me but if I so chose they might be able to Assist me only! Their Non-Response has proven they assist the interest of the Court, & themselves, and are Not. Qualified to Represent Me! (Let alone assist me.) Shealy, & Moncton have Confirmed they are good little Conformists, & they will do the Courts bidding as obligatory, & subservient attorneys of the Court! (In opposition of / to Due Process Rights of the Defendant.) My Previous attorneys never gave me legal Memoranda to Respondants! why? I am so Disillusioned & Distracted by the "Evil" & Malicious Mishandling

of my Case since day one, & the states knowingly
Conspiring to Defraud, & Distort facts in the Case
With known Felons! Am talking the Attorney Generals
office specifically, including the Governors since
2003, to date! I've been "Blatantly Denied" access to
my own Case by Corrupt Judges including but not
limited to this Court, & the Circuit/Circus Courts!
I've had Misrepresentation without approval of
"Unconstitutional Summary Judgement" (Null &
Void.) Void ab-initio! Am Wrongful Death Suit!
(Railroaded.) Denied Due Process at every stage
at every Court! I believe the definition of "Crazy"
is: "Having the same occurrences, & expecting different
outcomes" ??! All that has been done so far is to
block, & to subvert my Constitutional Right to be heard
& to address my Constitutional Concerns Myself!!!
This is Clearly a Constitutional Violation as well as
an "Obstruction of Justice" & "Vendictive/Malici-
ous Prosecution" since Day one! Under S. C.
Constitution South Carolina is a: "Jury Nullification"
State" which is the: "Juries Right to decide the
law as well as the facts"! which Rights were Violated
by Corrupt & Dishonorable Judge Alexander Macau
-ley of the Circuit/Circus Court! (Impeachment Proc-
-eedings should ensue.) Marc Westbrook would be
Impeached but is paying his debt for his deeds

& his Eternity is all Consuming! (Poetic Justice.)
With this Courts blocking of my absolute Right of
"Habeas Writ" in 2014 it is a "Foregone Conclusion"
Just by the 5 page "Order" from Thomas E. Rogers
III U.S. Magistrate, That Justice Will be near
impossible due to the Courts Misunderstanding
of my Due Process Rights! I do want to state that
I do not think that it is by any means an accident,
but I think it is intentional, & Malicious to Mis-
-construe my Rights! I also need to know for the
Record has my signature occurred on any docu-
-ments whatsoever since shealy & Monitors forced
Misrepresentation?? "I've signed Nothing & Wont!
Any signature is Fraudulent, & Forgery! Beware!
There are so many issues to address, & Honestly do Not
Know where to start! See why "Assistance of Counsel"
was "Constitutionally Mandated"! "Lawyers Repre-
-sentation is NOT!" Lawyers were "all" Condemned
in the "Magna Carta" ("For this very reason") some
Scripture Now reads: "Woe unto you scholars of the
law", (scholars includes not only lawyers but judges.)
This is Jesus Christ's Curse Unto scholars! Not
only my Parents, but I myself have sought justice
since 12/04/03 With Constant attacks & injuries
by Corrupt officials of Government! We the Bphtys
sought legal Remedies & Redress of Grievances

But were Ignored! "Mark Sanford" was with his "Mistress/Whore" somewhere probably in Argentina! He might have been on the Appalachian trail I suppose!!???

The letter: "To Whom it may Concern"! Was faxed to Sanford's office on the 5th of December 2003 seeking Intervention of Abberille attack & attempt to steal "Posted Private Personal Property"!! Without Due Process of Law, or just Compensation"!! (3 days before event) Now said stolen land is for "Public Use"! "Illegally"!

The Abberille Prosecutors & Attorney General's office claim that the first officer to arrive & too trespass without warrant, without Probable Cause, & specifically Ordered at "Roll Call" NOT to go to my Parents house on 04 Union Church Rd. Did Unlawfully go to my parents house which is "Insubordination", & "Cause for Termination"!! That same "Insubordination" Felonious Trespasser had a discussion with my father & I! (The states Perjured statements claim Sgt Danny Wilson was "Executed" upon arrival at my Parents house "Ambushed" which is an all out lie!) If the states claims were true (They are Not.) How could we have possibly known that Wilson had no Warrant? Or what he was there about? Or that he (Wilson) had zero authority over the subject matter he claimed to be there for! Wilson was told to leave

Three times by my Dad & that he (Wilson) was a
Trespasser! At that point Wilson was a Felony Trespasser!
& Could have been placed under: "Citizens Arrest"! legally!
But was not yet arrested! When my Dad went to
close the door of his house, Sgt Wilson Kicked the
door in my fathers face! & Grabbed a weapon &
Returned to the door from extinguishing a Cigarette.
(I had refused myself thinking all was fine) Wilson
was Ordered by me to "Stand Down" That is a
statement of a superior telling someone to "Stand
Down"! Wilson decided apparantly to do a second
attack, & his second attempt was met with a Justif
-ied Re-Action! to Wilsons Action too which I
shot Sgt. Wilson for his Felonious acts!!!
Under the Right of Self-Defense, & the Right of
Self-Preservation of Myself & of my Family!!
For any Court to claim Police Officers are exempt
from, & are given immunity, and if are shot, shooter
faces the Death Penalty is Unconstitutional! Null
& Void/Void ab initio! Such claim gives Cops an
"Title of Nobility" Forbidden by the Constitution!!
& Rebellious to the Constitution, & Perjury to Oaths
of office to Preserve, Protect & Defend the Constitution!
(U.S.) "All acts of Treason"! (Impeachment for Judges)
Under the Federal & some State Constitutions "We the
People" are given absolute Rights after attempts to

Correct Tyrannical, & Oppressive Governments through Redress of Grievances, have an Unalienable Right to Revolt against Corruption! Once our first Amendment rights are Violated & further Harms Come, We the People have a Right to Revolt! Why does this Court think the "Founding Fathers" set in Contract with the ~~second~~ U.S. Constitution the Second Amendment? which Reads: "A Well Regulated Militia being "Necessary" to the security of a free state, the Right of the People to keep, & bear Arms shall "Not" be Infringed". Meaning every senator, Legislator, Judge & any Government Employee, who has Voted for, Infringed, whatsoever the Second Amendment is in "Treason" to the Constitution!! & their Oaths of office! These charges are triable, & Executionable! Under the U.S. Constitution Execution is: "Hung by the Neck till Dead". See how lucky public servants are under their Oaths? No worries about Electrocution, No worries about No Lethal Injection!" "Go straight to the Gallows"!!!! All of the charges against Arthur Bifby, Rita Bifby & Steven Bifby Were/are Unconstitutional & Void! S.C. Illegally made Rights into Crimes! Nullifying our Constitutional Rights! South Carolina was the Aggressor, Not the Bifbys! The State of South Carolina had/had "No Jurisdiction" Period! Usurpation does not infer Jurisdiction! Article 3 section 2 Clause 2 States:

"In all Cases affecting Ambassadors, other public Ministers, and Consuls, and those in which a "State is a Party" the supreme (U.S.) Court shall have Original Jurisdiction." The State is Unconstitutionally a Party! Every one of the legal Documents say: "The "State V Bifly"! That in and of itself is proves there was no way for a person to get a fair trial! The Entire State is against you admit - adly! The Supremacy clause of the U.S. Constitution is clear! When a Federal & State law Conflicts The Federal law is Supreme!! South Carolinas Murder "statute" Violates Federal Constitutional Protections of State as a Party. It also violates "Religious Liberties". (But Not limited hereto) State statute laws especially South Carolinas are used to Circumvent, & Pervert the U.S. Constitutional Unalienable Rights! These Rights of Supremacy have angered South Carolina prior to the Civil War, & are Casually related to the Civil Wars inception! I expect every single Document filed in Abbeville Circuit Court to be brought forward for my Defense!

* also 5:14 CV-02168 -RBH Date filed 06/05/14 / 08/27 (Habeas Corpus Writ) & over a dozen other filings in Abbeville Court! Now for the personal Notes from the Transcripts of trial sworn as true:

* My Ex attorneys "all" Misrepresented facts, lied & schemed playing with my liberties, while they did as they chose, but never challenged the "Facts & Laws" According to SC. 5th Jury Nullification Right! Bill Nettles, Charles Tross, Dan

Westbrook, John Mills & others Never once Challenged
Nor Properly Vetted supposed Witnesses in my Case!
Why? Negligence, Incompetence?? Conspiracy? They
had no problems with creating Libelous & Slandorous
remarks & Defamatory statements! Every single person
who testified made a Misstatement of some kind in trial,
in P.C.R., in transcripts & in Evil intent! Why???

"Vengeance"! Vengeance first & foremost, for bringing
their Evils to the light, & Secondly for Killing
(Justifiably) their Co-Conspirators in Crimes!!

All the Criminal Actions Against the Belfrys December
8th 2003 Cause Justified & Lawful Re-Actions!!!

These facts cannot be changed! The Attorney
Generals office has been in Cahoots with
Abberille & Sled since day one, & are head deep
with Aiding & Abetting Criminal Acts, as being Co-Con-
spirators since day one (12/08/03) Even one Alexa

-der Macaulay knew of this testimony that I could
not hear, due to the poor Acoustics of the
Abberille Courthouse! ("Justice Delayed is Justice
Denied") Thirteen plus years in this Prison system
as an "Innocent Man" with the Courts denying me
Rights that are supposedly absolute! Ineffective
Assistance of Counsel is Not even a legitimate phrase!
Unconstitutional: "State as a Party" is documented
NO-NO Under the: "Commonwealth of Virginia v. Cohen"
Cohen v. Virginia 19 U.S. 264 wheat 404 which reads:

* "It is most true that this Court (U.S. Supreme Court) will not take jurisdiction if it shouldnt, but it is equally true that it must take jurisdiction if it should... we have no more right to decline the exercise of jurisdiction which is given, than to usurp that which is not given. The one or the other would be Treason to the Constitution". Judge/Chief Justice John Marshall U.S. Supreme Court! (1821) "I had falsified evidence created Fraudulent & illegal documents, Tampered with Evidence, perjured themselves, all known to the Attorney Generals office, Abbeville sheriffs office, Abbeville & former Abbeville Prosecutors office! (Not limited Hiceto) & Abbeville Magistrate. Many above named have been criminally charged with Corruption in office who did Plea Bargains; Now sealed, which I cannot obtain but plea allowed, Pre-dating of our Case by former Magistrate Tommy Ferguson, who signed all of the initial warrants in our Case. I am also aware of former sheriff Charles Goodwin who plead to Corruption in office sealed plea Bargain! Admittance in Court of Abbeville Solicitor admitting: "If what Mrs. Bifby (My Mom) claims is true, that would Negate all/any charges against the Bifbys". It is in the Transcripts! (You cannot make this up!) Transcript II February 14th 2007 Reads: 548 P.M jury removed from Courtroom (P. 545) P. 547: "The Court: And their Reason Motive not being an element, but as far as Circumstances surrounding the Conspiracies it would be to get the highway department off the Property (Mr Anthony Assistant Solicitor Abbeville County):

"Anthony: "It would seem like that's a statement, that would actually go to negating violence, Not promoting it. I mean she's saying, if you do this for me, we won't do anything else violent, That's Not furthering a crime! (Bill Nettles my Court forced attorney) Nettles: "I say that she, first of all that it's in furtherance of the Conspiracy because they're saying they're saying it's a Conspiracy to Commit Murder over this property, and she is a Co-Conspirator, and she has not withdrawn from this Conspiracy." Mr Anthony: (Assistant solicitor) "It seems to me like that statement is a statement that would act to make it less likely a crime that would be committed, Not a statement that would make it more likely a crime to be committed. I don't know how that falls under the definition of furtherance? It actually would go to negate anything that had been done before". That is more than Reasonable Doubt (p 547-548 transcript II Feb. 14th 2007) Under South Carolina's Right to Self Defense, we had no duty to retreat! Not only because we were where we belonged & the Dirty Cops weren't, but also because we were justified under the law to defend ourselves against attack by an "Illegal standing Army" With "Automatic Weapons", "Robots" (3) & a **TANK**! we had No such weaponry! My Father was not only shot while "Unarmed" but my Dad was shot in the rear of his house (Bedroom) Unarmed! With No duty to retreat, Again we were not the aggressors from the very beginning till the very end! also Parrott

of Dled took or had Gun solvent Residue taken from Wilson, who had kicked door in Dads face & on second attempt at kicking door got shot by me in self-Defense, but Not just because he kicked the door & attempted a second try, but as the D.S.R Test proved Gun Powder Residue on Wilsons left hand (Palm & Back), on Wilsons Right hand there was Gun Powder Residue on the Back of Wilsons right hand only! No Gun Powder Residue on Wilsons Right hand Palm! why would that be? Evidence Wilson was attempting to draw his Weapon! I told him (Direct Order) to "stand Down." on his second attempt to kick the door! Wilsons evil intent was Unquestionable! Wilsons left arm was shot through, & the bullet went through his side through his vest! which also proves his intent to kick door for the second time! Wilsons arm was on Outside door Casing for Ballance, while his Right foot was kicking the door! Putting Wilsons left hand above his head on door frame to balance himself for another kick! Now Donahue says (admits) he wrote supposed statement at Police station in Greenwood. why didnt I write supposed statement? I didnt have my glasses! why didnt I have my glasses? They were destroyed & in the street (Picture of broken glasses in Discovery.) after I was kicked in left temple after I had surrendered! If I wouldnt write statement due to inability to see why would I sign something I couldnt read? see all the lies these Terrorist Bastards attempt? I refused to sign

anything! They kept on trying to interrogate me after asking for a lawyer! I literally read myself my Miranda rights, same way I did Wilson after I had shot him, put him on his stomach to cuff him with his own cuffs then read him (his Miranda Rights) the following statement: "You have the right to remain silent if you give up the right to remain silent anything you say can & will be used against you. If you cannot afford an attorney one will be provided for you by the state. Do you understand these rights as I have read them to you? No Response! I listed off Numerous felonies he perpetrated against us. Per Coroner Woodward, Wilson was Dead before he hit the ground! You Cannot Kidnap a Corpse! Donnie Outy (Constable) was shot by Deborah Graham, (former St. Deputy on Abbeville sheriffs Dept.) we were blamed for her deeds! Both Outy & Wilson were on the wrong side of No Trespassing signs making both felons! "Trespassing Felons"! Autopsy of Outy, first page it is said Outy was shot on/in the front on top of page of Autopsy, yet on the bottom of same page of Autopsy report - Outy was shot in the back! That is explainable, but the state Cannot figure it out! ?? why? "Oh what a Tangled Web ^{they} we are, when first ^{they} ~~at~~ practice to deceive!!" why doesn't Woodward understand? Incompet - ance!! Regardless where Outy's Corpse was found there is NO chance on Earth that Outy was shot by anyone in the house! why is that? Trajectory! Ballistics! Trajectory is self - explanatory! Ballistics: "Inconclusive" Outy wore No Vest so stepping should be a Match If it were my weapon!

Still "inconclusive"! why? Graham's gun was never tested! why? where is Graham's gun now? Done forever?!
"I Bet? Constable Outy according to Coroner Woodward was dead before he hit the ground! which further proves the fact, that there is no way that Outy could have been shot by anyone in the Bifby house! Proving he was on testimony she was (St. Graham) was the only other officer on the outside at that time besides Graham! Making supposed eye-witnesses lying to avenge their friend & they have huge holes in their testimonies as well that were never challenged. by my Misrepresenting attorneys (forced) whom during Voir dire were told by Numerous prospective Jurors that they didn't trust Defense Attorneys because of their schemes & Crooked Tactics! There were at least 2 Ex-Military officers on the jury. so what do my stupid lawyers do?? Attempt the biggest Fraud possible to Military Vets! They (my ineffectual/crooked incompetent attorneys) try to tell Jurors that a 7mm Magnum bullet & a .30.06 bullet are able to be used in the same gun! I immediately wanted to crawl under the table in embarrassment! I was mad & humiliated! Every thing I did my attorneys argued with me about. They Represented me & Refused to assist me! Check the Record with my filings! Everything I filed was in opposition to their filings! That's why I had to file my paperwork, it apposes them! My Proof! I was Convicted due to Lawyer Incompetence! & the fact of the Matter is Macaulay Aided & Abetted my Conviction with "Embarras" Macaulay said dozens of

Times "he would decide the law & the jury would decide the facts" That is Jury Tampering! As the S.C. Constitution is clear Article 1 Section 16: South Carolina is a "Jury Nullification State" That means Jurors have a right to decide law as well as facts, as the law itself is as much on trial as any other fact. By Macauley literally "Brainwashing" the Prospective Jurors telling them they had No Right to decide the law. that is clearly Entrapment! That is an "Impeachable Offense!" A "Felonious Act"! Macauley also stated to any & all prospective Jurors that the state had a Right to a "fair trial". The state has No Rights whatsoever Unless that is Macauley's admission to "Burden Shifting" which is Reversible Error! Presumption of Innocence is lost regardless! Loss of Presumption of innocence shifts Burden to Defendant to put up a defense, which under the law Defendant does not have to do anything it is the States Entire burden, and it is what they face when bringing charges! The Founders set it up this way to make an almost impossible burden upon accusers, so frivolous Cases Wouldn't plug the system! Macaulay set the Jury Foreman, a former school friend of his. Conflict of interest?! Everything the Dishonorable Judge Macauley did in my case was to achieve his Activist goal as a Judicial Activists! "Damn Justice"! Numerous felonies were committed by officers 12/08/03! ① Removal of bodies without Coroner investigation! ② By Removing bodies in No danger of harm

They tainted supposed Crime scene! "Destruction of Evidence"!
 Check supposed Witness testimonies & Compare Discovery state-
 ments & Testimonies in transcripts for Craig Sagmon, Darren
 Lewis, Kellum & Erwin EMT Drivers! Dana Newton, Alana
 Taylor, Steven Cox, Angela Mobley, after being Coached their
 statements change due to fear of Reprisal that Angela
 Mobley got anyways. People were scared by sleds
 intimidatire ways! "Bullying Everyone". Back to Donahue
 again & this supposed statement of suicide! @ No date
 on this supposed suicide Note! why? sled did not know
 my girls were in Vt., over 1100 miles away! sled thought
 Kathy (my Ex) & my daughters were in S.C., sled did not
 know they were in Vt. sled tried to tie the supposed
 suicide note & the statement, I didnt write, that was
 written by sled agents, & refused to sign anything!!
 that pissed them off! Remember sled agent Parrott, Chief
 of forensics, put in Discovery a part of Discovery
 Numerically, sequentially & signed document in 2004
 but at the bottom of the page document was not created
 until 2006! That is fraud! Ariel photos of my Parents
 house show torn down fences (by sled) that fenced in
 three sides of my parents property! sled took
 pictures of my Concession Trailer on Horton Drive
 side where Outzy body was, (Constable) where from the
 place Outzy body was you could not see the house, but
 the Coroner said "Outzy died Before he hit the ground."
 The photo of my Concession trailer shows No, No Tres-
 -passing sign, Yet Ariel Photo shows No Trespassing
 sign! sled moved sign! Thats tampering with evidence!

* Page 999; Pg. 1007; Pg. 1011; Judge Macaulay & Prosecutor Peace laughing & joking about: "Ignorance of the law is no excuse". Live by the phrase, Die by the phrase! all of the Conspiratorial, Criminal Acts, & these two think they are above the law! Nobody is above the law! "NOBODY"! "when a Judge knows he lacks jurisdiction or acts in the face of a clearly written/Valid statute expressly depriving him of jurisdiction, Judicial Immunity is lost. He may be held civilly liable for abuse of Process, Even though his act involved a decision made in good faith thinking he had jurisdiction." Little v. U.S. Fidelity & Guarantee Co.: 217 F.2d 576 64 50 2d 697; "when a Judge acts when he or she does not have jurisdiction, the act the Judge is engaged in is an act of Treason". Miller v U.S.: 230 F.2d 486-489 These U.S. Cases show that the system, as Corrupt as it is with Rogue, Rebellious and undoubtedly Treasonous Judges will be held accountable, Not only on Judgment Day, for their treachery, but today as well! The assertion of Federal Rights, when plainly and reasonably made, is not to be defeated under the Name of local Practice! Davis v. Winchester: 263 U.S. 22 at 24; as a Belligerent & Hostile Demendant, who will assert every single one of my Constitutional Rights against unjust & Corrupt public servants. It is my duty as an "Innocent Man" & a Numerous time; sworn by the U.S. Constitution Patriot doing what I said before God I would do Preserving, Protecting & Defending! There Can Be No Sanction or

Penalty imposed upon one because of the exercise of a Constitutional Right!" Sherer v. Cullen :: 481 F 946. There have been blatant & repeated attacks because of our use of the Constitution, with cruel & unusual punishment because we the Bibbys dared to challenge the theft of "Private Posted Personal Property" owned by the late Bibbys who were "Murdered" by the state of south carolina! why?? why does this Court & other Courts Superior & Inferior hate the Constitution of the United States?? Oaths are supposedly sworn & Vows are made! Shortly thereafter treason & Treachery Enues! why? We the Bibbys 12/04/03 & since have attempted everything in our utmost power to follow the law (Discovery Proves this) to the exact letter of the law, & have not overstepped the bounds once. Including the absolute Right of self-Defense, even & especially against Police! We broke no laws! "a good faith (our lives exist on faith) that one is not violating the law Negates Willfulness, whether or Not the Claimed belief or Misunderstanding is objectively Reasonable. Statutory Willfulness.... is the voluntary, intentional, violation of a known legal duty": Check v. U.S. 498 U.S. 192 (1991) (Check v. U.S.) Every single law regarding guns is Violates the Second Amendment of the U.S. Constitution & is Null & Void for all intents & purposes! Every Judge Usurping power to infringe upon these Rights is Guilty of Treason! why does the U.S. Constitution Bind "all" Public Servants? Because the Historic Evidence proves that Power Corrupts, & Absolute Power Corrupts absolutely!

Actually the fact of the matter is, Even though I am Unconstitutionally & Illegally Detained According to the law, & there is not an Honorable Judge yet to do or who will do their job, I have never felt more free, & at peace to say what I want, & I want, & Damned be the Consequences! I mean after all, what are you going to do? Put me in Prison? Cancel my Appeals, Murder me like this Court has done to Numerous others?

To date these Evil & Rogue Courts have substantially & Deliberately violated our Rights & Freedoms! U.S.C. Title 18 § 241 & U.S.C. Title 18 § 242 Have been Unchallengably Violated! why?? Pure Unequivalenced Vengeance! why?? For bringing all of these Evils into the light! Everyone of these public servants preferred to stay in the Darkness, but we the Biflyos brought them into the light, & exposed their evils! "Its what we do"!!

* Nuremberg Offensive: "Law Regarding Constitutional Oath, and Requirement to stand up against a superior (& inferiors I would imagine) that knowingly violate the Constitution". It is a Right, & a duty which everyone brings into society, except so far as the laws of society have limited it, every man has the right, and it is his duty, to defend himself from an attack threatening him with Death or serious bodily harm."

& it is his duty to himself, and those dependant on him to do so!"

* U.S. Supreme Court "Thompson V. Utah" 170 U.S. 343 (1898) 354..... "The Great end of Punishment is not the expiation of atonement of the offense Committed, but the prevention of future offenses of the same kind 481 Conn. II Such being the relation which the Citizen holds to the public, and the object of punishment for public wrongs, the legislature has deemed it essential to the protection of ones life, or liberty is involved in a prosecution for felony that he shall be personally present at trial, That is, at every stage of the trial, when his substantial rights may be affected by the proceedings against him. If he be deprived of his life or liberty without being so present, such a deprivation would be without that Due Process of law required by the Constitution".

* I was denied at S.C. Supreme Court direct appeal to face my accusers & to give a statement & address the open Court if I so choose! I also was denied closing arguments at P.C.R. If I so chose! The Court & my attorneys (Both Forced) denied me these Rights! This is Criminal! I Challenged with filings in Abbeville Circuit Court the Very Indictments which were Unconstitutional!

* Ex Parte Bain: 121 U.S. 1, 7. SCT. 781 30 LED 849 (1887) The instant the Court amends the Indictment the Court loses Jurisdiction, at that point in time there is nothing that can cure that defect. It is a Jurisdictional defect. Upon an indictment so charged, the Court can proceed no longer/further! There is nothing for which the prisoner can be held to answer. A trial on such indictment is Void! Not only were indictments illegal & Unconstitutional therefore Void because the State is a Party, but also for the facts that under the Double Jeopardy Clause while one set of

Indictments (changed) were in place, the second set of indictments (changed) were in place at same time & were not Nolle-Prosequed until several days latter! Totally Unconstitutional! (The proof is the different Indictment Numbers.)

* Voir Dire: "Judge Alexander Macaulay started sitting Jurors before they were properly qualified! This is a true fact, and it is in the transcript that: some of the jurors thought that Self-Defense was a 30 year Prison Sentence!" & Macaulay NEVER though requested, straightened that out! Reversible Error!

so many of these issues over, and over again are in the transcript & prove, Macaulay had an agenda and his "Judicial Activism" wasn't even concealed!

* "lets really stir this pot up": "I was not given Jurors of my Peers"! According to Med D.N.A. when comparing my Blood to Danny Wilsons (a Black Man) My Blood was 40 Quintillion (40 & 19 Zeros) different than Wilsons! My Right to Peers who are My Peers Not those whom my attorneys or state want is an absolute right! I have no black D.N.A. whatsoever!!

Mere presence especially in the home of a family member, where a Person has every right to be is insufficient to support

a finding of Knowing participation in a Conspiracy".

* The only Conspiracy ~~story~~ persons starting 12/04/03 were D.A.T., Abbeville County, Sheriff's Department & other possible unknowns! They Conspired to steal property that didn't/don't legally, Nor lawfully belong to them for public use! "Here are a few points to ponder!:

① If as South Carolina Claims (which is of Course false) they had a legal right of way, then didn't that right of way also include both sides of my parents land? then why did the state pay the Patels & others for supposed Rights of way they already owned? Since 1960? But had/have refused to do anything but steal Biphly owned Property? ② My Parents property was on Hwy 243/ Union Church Rd. & after the theft, then Road widening the Property Now sits on Hwy 72. Isn't a state Road Exceedingly more valuable than a County Road??

* Jeopardy: " (Black's Law Dictionary 7th edition)
"Jeopardy attaches in a jury trial when the jury is empanelled, and in a bench trial when the first witness is sworn."

* This clearly covers the illegal & Unconstitutional Re-Indictment & Nullifies the entire matter due to the fact the Indictments were charged after the Grand Jury was dismissed about 5 months later!

* Utilitarian Deterrence Theory: The legal theory that a person should be punished, only if for the good of society."

Conclusion:

"I have more than met my Burden on all affronts!
Not only have I proven Innocence, but I have proven
Conspiracy, Collusion, Fraud, Perjury, Treason; Derelict
-ion of Duty, Insubordination, Corruption, Malfeasance,
Ineffectual & Incompetent attorneys, Traitors & purely
Vindictive Evil-doers! These facts have not even been hidden
these people are so Corrupt in all they do! Guaranteed Due
Process Rights denied Under Color of Law to aid and abett
Domestic enemies in Conspiracy to "overthrow" the U.S.
Constitution! The Judges (so far to date including this
very Court) & the Prosecutors & supposed Defense Attorn-
-eys are all in cahoots & are in Compliance with the Trea-
-sonous Dictates of the "Anti-Government Handbook" which
I had a full copy of in the County Jail! Very Treasonous!!
Devised by the Jewdecial system to Circumvent & obstruct
the Constitution, & these people (We the People) who use the
Constitution to force public servants to do their jobs! Of course
when there are people in the Government who are mostly
the "Oubacrats/ Democrats who are either illiterate
or openly Contemptuous against the Constitution when
they say: "We are a "Democracy" that is Treason to
your oaths of office! We are a Republic per Article
4 Bill of Rights! "Guaranteed Republic"! For all
the evidence & proof I've given & it is all clearly
documented. I seek total exhoronation of said false
charges, & seek my immediate (if not sooner)
Release! You are obligated, & duties to perform
your sworn duties! You must follow the law not your
Activist beliefs! "God or Mammon"! It's your choice!

Don't let "Peer Pressure" make you do illegal & Uncon-stitutional acts! Believe me when all is said and done if there is any honor whatsoever in you, You will know you did the Right thing! Your Brethren/Colleagues will abandon you fore they know they will be exposed to their Criminal Activities! But Guess what?? Maybe they are already. This is No little Venture! We are talking Governors, Former Governors, Everyone in the Attorney Generals office, Sled former Sled agents, Prosecutors, Attorneys, Police & God knows who else! But Now for the good News! Fight the good fight, & don't fear, within the next year or so there will be vacancies on the U.S. supreme Court, My Case will Draw enough newers & it could get you Nominated for doing the job you swore to do! Its Not about Win or Lose its about Justice & Right & Wrong! "I am Innocent"! The Evidence is Outstanding & Conclusive!

* "A nation can survive its fools, and even the ambitious but it cannot survive "Treason" from within. An enemy at the gate is less formidable, for he is known and carries his banners openly against the city, but the traitor moves amongst those within the gates freely, his sly whispers rustling through all the alleys, heard in the very halls of Government itself. For the traitor appears not a traitor he speaks in the accents familiar to his victims and he wears their face, & their garments, and he appeals to the baseness that lies deep in the hearts of all men, he rots the soul of a nation, he works secretly & unknown in the night to undermine the pillars of a city, he infects the body politic so that it can no longer resist. Those that have brought these false charges against us for the theft of Personal Private Property without Right for the use of Private Property through theft.

* Judgement Day is at hand, we all will be held accountable for our Actions & Inactions!! My Conscience is clear! I've Committed No Crimes under the Law that is mans law as well as Gods Law! Original Scripture states: "Thou Shall Not Murder" Killing is Justifiable!

* St. Luke 11 V. 46-52: "Woe unto you lawyers/scholars of the law! You impose on people Burdens hard to bear. But you yourselves do not lift one finger to touch them. Woe to you! You build the memorials of the prophets whom your Ancestors Murdered Consequently you bear witness and give Consent to the deeds of your Ancestors for they Murdered them, and you do the building. Therefore the wisdom of God said: I will send them prophets and Apostles, some of them they will kill and Persecute in order that this generation might be charged with the blood of all the prophets shed since the foundation of the world, from the blood of Able to the blood of Zechariah who died between the altar and the temple building. Yes I tell you this generation will be charged with their blood. Woe unto you lawyers/scholars of the law. You have taken away the key of Knowledge you yourselves did not enter & you stopped those trying to enter".

* Matthew 10 V. 14: "I wipe the very dust of this Evil tribunal. May God Almighty have more tolerance for Sodom & Gomorrah than he does for this Court on Judgement Day!! Only I can Remove this Curse!

* This 40 page Brief along with the other filing in total Filing / Case # 5:14-CV-02168-RBH Date filed 06/05/14 Entry # 1 (27 pgs) & Entry # 1-3 (31 pages) for a Combined total of "98" pages. This is a summary of legal & Lawfull evidence that supports my "Total Innocense"! This is "Impropria Persona" addressing the Court as is Constitutionally Swaranteed! I make all of these assertions in this filing knowing that the Vipers Assigned (by force) by the Court will Not be my honorable assistants of Counsel but Wards of the Court to do the Courts bidding, Not find Justice, but for their wallets! "Legal Searcots". Talk about Conflict! Are You honorable? Are given you clear Unhallengable evidence! Now the ball is in your Court! Hare at it!

This 22nd day of July 2017
