

The South Carolina Court of Appeals

Christopher M. Kennan, Appellant
SCAC, Respondent, v.

Appellate case No. 2024-001861
"Motion Requesting permission to serve and
File Initial Brief/Designation of Matter outside
the Filing Deadline set by Rule 208 of SCACR

Plaintiff, Christopher M. Kennan herein also, "I", "me" or "my" makes the above
motion requesting permission to serve and file outside the filing deadline set by
Rule 208 of SCACR.

I put my previous response in the Tiger River Ct mail on 6/23/25.
I have a receipt it was sent. My motion to allow late filing had already
been approved. I did not miss this deadline. Please see cert of service
dated 6/23/25 from previous plaintiff submission. Please approve this
motion if needed - I replied within 16 days of receipt of this court's
request I do so. TYRCF mail seems to have had a delay in
mailing these documents out.

Please let me know if you haven't received my submission
from 6/23/25 dealing with these very issues. Otherwise, please grant
this motion to allow my 'late' filing.

Dear Ms. Kitchings,

On 7/8/25 I received a letter from your court dated July 01, 2025 offering me the option of serving and filing the initial brief of appellant and designation of matter along with a motion requesting permission to serve and file the initial brief of appellant and designation of matter outside of filing deadlines.

I already sent this court my initial brief and designation on 6/23/25 and was in time with this court's earlier approval of my motion to file the initial brief/designation within ten (10) days of the date of the mailing. There appears to have been a delay with the mail.

Enclosed to file is another "Motion requesting permission to serve and file initial brief and designation of matter outside of filing deadlines set by Rule 208 of SCACR." This was requested from me in your most recent letter to me (7/1/25).

Thank you.

Sincerely,

Christopher M. Kennan #385016
