This is the motion for reconsideration that has not been ruled on. I believe it brings up serious concerns we all need to consider. My mother is sick in Georgia right now. I am going to drive to Georgia and see her, and that would be a valuation of this order, if it stood.

I live in the country. We had people on our porch at two in the morning, and had to call the police. I have the right to a firearm to defend myself and my family. My release order says I cannot have a firearm, which is absolutely unconstitutional.

Now the next hearing is scheduled two months out? And I am not allowed to travel and see my family, or protect my family with a firearm, or have a beer? I'll because a crooked judge illegally sentenced me to jail?

I don't know what the appropriate means to follow up on this is. I feel this is very un-American thing to do. I'm gonna go see my mother now. I hope that does not cause anyone too much distress.

All the best,
Jason

Thank you for the reply.

When a court system prioritizes procedure, and companionship, over righteousness and justice, we do not live in a free society. I believe everyone in this conversation knows what is right, but that is not the guiding force for the court. The sentencing of Dorothy to six months in jail for holding Singleton accountable to the law should be rectified with zero effort on her part. Instead, the court torments her with paperwork and fees and bills.

And I'm sure I will get a response to this email saying it's inappropriate. I think we need to examine whose behavior is inappropriate.

I wish you the best, and I greatly look forward to seeing you all on November 14.

Jason

**The Honorable Judge McIntosh**

10<sup>th</sup> Circuit Court

**Re: Motion to Clarify Gag Order and Appeal Status**

Dear Judge McIntosh,

I hope this letter finds you well. I am writing to clarify a few critical points regarding the gag order placed upon me on July 17, 2024, and to address misunderstandings about its enforceability during the appellate process.

On **July 17**, a gag order was imposed restricting me from discussing the case publicly. I adhered strictly to this order and did not violate it in any way. It is important to note that several individuals have access to my YouTube account, and any content posted during my incarceration was done so by others, not myself. Additionally, the evidence suggesting a post was made on July 19 is ambiguous at best. Moreover, I **filed an appeal on July 25, 2024**, to challenge this gag order. This notice was served upon Chase Kinsey, Amanda Watkins and Jim Logan via email on the next day. As per Rule 241 of the South Carolina Appellate Court Rules and case law, this appeal automatically stayed the enforcement of the gag order. My appeal was denied on **August 12, 2024**, but I did not receive notice of the dismissal until **August 22, 2024**. On **August 25, 2024**, I filed a **motion to reconsider**, which remains pending. Therefore, under South Carolina law, the gag order has been stayed throughout the duration of the appeal, and my publications regarding the case are not in violation of any existing orders.

In *Graham v. Graham*, the South Carolina Court of Appeals made it clear that the purpose of a **supersedeas** is to "stay proceedings in the trial court, to preserve the status quo pending the determination of the appeal . . . and to preserve to appellant the fruits of a meritorious appeal where they might otherwise be lost to him." (*Graham v. Graham*, 301 S.C. 128, 130, 1990). This ruling highlights that the court must preserve the situation as it was prior to the gag order until the appeal is fully resolved.

Additionally, as emphasized in *Santee Cooper Resort v. South Carolina Public Service Commission*, a **stay** is designed "to hold [an order] in abeyance or refrain from enforcing it" (*Santee Cooper Resort v. S.C. Public Serv. Comm*, 298 S.C.

179, 184, 1989). This ruling confirms that my right to discuss the case publicly is not restricted during the appeal process.

I would also like to address a concern raised during court proceedings when Your Honor stated that you do not believe my appeal invalidated your order. With all due respect, South Carolina law is clear that an appeal automatically stays an order, preserving the status quo. Rule 241(a) of the South Carolina Appellate Court Rules states: "*As a general rule, the service of a notice of appeal in a civil matter acts to automatically stay matters decided in the order . . . and to automatically stay the relief ordered in the appealed order.*" The rule is explicit in explaining that the stay remains in effect for the duration of the appeal unless lifted by court order, which has not occurred in my case.

Lastly, I would like to reiterate that **Judge McIntosh has recommended** I file a motion to amend the gag order, which restricts both my right to travel and my Second Amendment right to possess a firearm for the protection of my family. My family and I have faced significant threats from the "Good Ol' Boys" in Oconee County. I believe that my right to protect my family is paramount, and the restrictions imposed by the gag order, especially concerning my right to bear arms and visit my sick and elderly family are unreasonable. As the order is currently under appeal, the **10th Circuit** does not have the **jurisdiction** to amend the gag order while it is being reviewed by the appellate court.

In summary:

- I have not violated the gag order in any way.
- The **gag order has been stayed** since the filing of my appeal, preserving my right to discuss the case publicly.
- I respectfully request that the court acknowledge the automatic stay under **Rule 241** and case law.

I trust this letter clarifies the situation and demonstrates my full compliance with the law. I look forward to your response.

Sincerely,  
**Jason Boyle**

The Honorable R. Lawton McIntosh  
Tenth Judicial Circuit Court  
Oconee County, South Carolina

### **Re: Appeal of Contempt Ruling from Oconee County Probate Court**

Dear Judge McIntosh,

I am writing regarding the appeal I filed against the ruling of contempt issued by the Oconee County Probate Court on May 29 and June 17, 2023. I appreciate your time and attention to this matter and would like to address several procedural points for clarification.

On September 12, during the court proceedings, it was determined that the hearing held on June 17 was, in fact, a criminal trial. I respectfully request a formal order designating the June 17 hearing in the Probate Court as a criminal proceeding for the record.

Despite this designation, I contend that the appeal is still governed by South Carolina Code §62-1-308, which outlines the rules for appeals from the Probate Court. Since the criminal trial was conducted in the Probate Court, the appeal should proceed under this statute's guidelines.

In response to Mr. Jim Logan's motion to dismiss, which asserts that I missed a filing deadline, I would like to clarify that the amended notice of appeal filed on June 26 reset the deadlines associated with the initial appeal filed on June 14. This should address any concerns regarding timeliness, and I believe there is sufficient information for the court to rule on the motion to dismiss.

Furthermore, according to Rule 75 of the South Carolina Rules of Civil Procedure, it is the responsibility of the lower court to file a certified record with the Circuit Court within 30 days of the notice of appeal. This would set the deadline at August 25. As of this date, no such record has been filed by the Probate Court.

I have diligently met all deadlines imposed upon me throughout this process. Each of my requests for a continuance has been opposed by both Mr. Logan and Judge Singleton. It is noteworthy that while I have adhered to procedural requirements, the lower court has missed the crucial deadline

for submitting the certified record. Now, the respondents seek a continuance to reply to my brief. Given the ample time already afforded to them, I respectfully oppose this request for a continuance.

I am committed to ensuring that this appeal is handled fairly and in accordance with the appropriate legal standards. I appreciate your consideration of my requests and stand ready to provide any additional information the court may require.

Thank you for your attention to these matters.

Respectfully submitted,

Jason M. Boyle, Ph.D.

Dear Judge McIntosh,

I strongly feel that a reply to the above email would clarify and streamline the proceedings scheduled for November 14. Especially in regards to this being a criminal case held in the Probate court. This would clearly designate the case evaluation to be held under the rules of criminal procedure and not civil procedure.

Thank you for your time and consideration.

Best regards,  
Jason Boyle

I consider the Oconee county sheriff a threat. Jimmy Dixon came to my house off duty to threaten me and my family. In my investigations, 911 calls were erased from the county records, and my phone records are evidence of that.

Please do not send the sheriff to our residence anymore! If you would like to see me, or Dorothy, we are excited to meet you in your office.

Please acknowledge that you received this. I do not understand what proper communication with the court is. Who am I supposed to be writing? The judge is also the prosecutor, which leaves me a little bewildered. I do not have an attorney, I have not been offered an attorney, and so I believe it is the courts responsibility to offer me guidance as to procedure.

Thank you. I will look forward to your prompt reply.

Your email is received.

There is a paper to be served on Mrs. Pierce. She indicated on Monday that she would accept service at the Court the following day. She did not appear and the paper was sent out for service.

Should she accept service in person, the paper for personal service will be withdrawn.

Additionally you were informed the right to an attorney should you want a court appointed attorney you must file at the clerk of court office for a public defender if you qualify.

Good afternoon, Maggie,

I hope this message finds you well. I am reaching out on behalf of Jason Boyle to request assistance in obtaining the probate court case number associated with his incarceration. We have encountered an issue whereby all orders issued by the presiding judge appear to lack a case number.

For the purposes of updating his appeal filing and maintaining accurate records at the Oconee County Detention Center, it is crucial for us to ascertain the precise case number pertaining to Mr. Boyle's matter. Currently, due to the absence of this information, he is effectively rendered a "ghost prisoner."

Could you please provide the exact case number for Jason Boyle's case? We would greatly appreciate your prompt attention to this request, as it is of significant importance to Mr. Boyle's ongoing legal proceedings.

Thank you for your assistance.

Best regards,

Dorothy Pierce

Mrs. Pierce,

Mr. Boyle is not a ghost prisoners as he is listed on the jail registry. He was not issued a case number here simply because he has no here such as an estate or any other matter.

I would suggest that you reference the Doyle Pierce estate case number being that it was this court's opinion that he interjected himself into that case.

Mr. Singleton,

I will address you in the capacity of the complainant, not the judge.

You intend to send me to Jail for \$413. You will not violate my due process rights in the process of sending me to jail. I have paid the fine under the threats of being sent to jail which is civil rights claim at this point. I'm stating here that the invoice is illegal and the order was also illegal. Though you had claimed the file was already printed, after making payment, your staff still didn't provide the file because it wasn't ready after all. Knowing very well the file was not ready and probate court didn't print any file, you relentlessly pursued me and threatened to send me to Jail for a file you didn't have.

I requested the file on October 11, 2023 and your staff told me it would be ready in 10 days. I made several trips to the probate court to get the file after 10 days but I was told over and over again the file wasn't ready. I wrote a letter on November 13, 2023 clearly stating my frustrations with the file after one month. I had already improvised by the time you made the file available. I no longer needed this file at the time you made it available. You stated on the bench that your staff didn't tell me to come back after 10 days. This was a misrepresentation!

It's an abuse of office to set a hearing before you serve criminal summons. You are both the judge and the complainant. You are clearly violating my civil and due process rights.

I know even after making the payment you will find other reasons to continue to pursue me.

Accordingly, the hearing you scheduled for June 5, 2024 Violates my due process rights.

Please cancel the hearing you scheduled for June because after serving me with summons, you need to give me, according to the law, 30 days to respond. After which I intend to depose your staff about what transpired and what you stated on the bench on April 15, 2024.

I also need to depose you as the complainant in this case in regards to the statements you made on the bench that were complete misrepresentation of the facts.

I filed a lawsuit against you in the Circuit court for extortion in regards to this invoice but because you have the power to do anything, you went ahead and issued an illegal order commanding me to pay this invoice knowing very well that you have a case in the circuit court to answer.

About service, if you still intend to pursue it after invoice is paid, tell your law enforcement to schedule an appointment with me, I will be able to receive service on appointment. Let them send me an email to schedule service.

Thank you.

Mrs. Pierce,

Law Enforcement contacted the court indicating that your fence is locked and they have no access to reach you. You have requested personal service although you have received notice electronically and by mail.

Please advise the court if you are refusing service or if you are willing to accept service.

Thank you!

That is exactly Dr. Boyle's email address. Just make sure it's the number 03, not letter O.

Please send him an email directly with everything you think he said to the clerk and how you think he violated the Supreme court order.

With everything that's going on in the Probate Court and all the misrepresentations from probate court clerks and court officials, everyone must protect themselves from Probate court. The probate court is a dangerous place to be. The last time I was told to return to get the file in 10 days but later you

misrepresented that none of your clerks gave a deadline. If I had a recording, I would have protected myself.

This Supreme Court ruling must be challenged immediately. Most South Carolina courts aren't safe anymore for local people.

The probate Judge is public official and the employees of the probate court are civil servants. Anyone can say anything about a civil servant because it's their first amendment right and they are free to record as part of their first amendment right.

I have copied Dr. Boyle in this email. I will not forward any previous conversations you sent about his actions. Please tell him yourself, directly.

Best regards,

Dorothy Pierce

Mrs. Pierce,

I nor this court does not intended to do anything with you other than have you comply with an order of this court. The remainder of your comments are inflammatory and misguided and degrading to the court. I have repeatedly asked that all have proper communication with court. Therefore, the court will not respond to those comments.

Your invoice was paid today by Mr. Boyles, however, the clerk was going to get the documents to give to him but he left. He made the clerk feel nervous due to the negative comments he was making and failed to retrieve the documents to give to him prior to him leaving. the documents are still available to pick up at any time. The comments that were made to the clerk are not acceptable and alleged that it would be on his YOU TUBE channel. Mr. Boyle has a right to do what he wishes, however, please share the attached order from the SC Supreme Court that is attached regarding recording in a courtroom, lobby and specially at a clerk's window.

Should he choose to do so, this court would inforce that order.

This is sent as a curtesy to you and Mr. Boyle as I do not have his email.

Thank you!

Dear all,

Thank you for including me in this conversation. What a nuanced subject. I believe the supreme court ruling is absolutely incorrect in accordance with the first amendment. I recognize the challenges of addressing this discrepancy, yet, I think it is worthy of clarifying the terms of the first amendment.

Here is a copy of the video. I very intentionally did not record the third-party in the lobby. My contest is that you would have to justify a violation of privacy.

<https://youtu.be/UXXEOTC0dLo?si=56iTxahFcVcyQ7Uz>

I will look forward to your reply. Thank you for this opportunity to contribute to the well-being of this great nation.

If I can be helpful in anyway, I'm excited to be of service. I can be present at any time.

Sincerely,  
Jason M. Boyle, PhD.

P.S. I added a member of the Oconee County sheriffs department to this email. I do recognize that may draw interest. I have had conflict with the Oconee county sheriffs department. This gentleman has been added because I believe he may be a good and upstanding law-enforcement officer. I would hope with transparency, issues will be clarified.

 Subject: Re: Service

**EXTERNAL SENDER: Caution opening links or attachments**

Dear all,

Thank you for including me in this conversation. What a nuanced subject. I believe the supreme court ruling is absolutely incorrect in accordance with the first amendment. I recognize the challenges of addressing this discrepancy, yet, I think it is worthy of clarifying the terms of the first amendment.

Here is a copy of the video. I very intentionally did not record the third-party in the lobby. My contest is that you would have to justify a violation of privacy.

<https://youtu.be/UXXEOtC0dLo?si=56iTxahFcVcyQ7Uz>

I will look forward to your reply. Thank you for this opportunity to contribute to the well-being of this great nation.

If I can be helpful in anyway, I'm excited to be of service. I can be present at any time.

Sincerely,  
Jason M. Boyle, PhD.

P.S. I added a member of the Oconee County sheriffs department to this email. I do recognize that may draw interest. I have had conflict with the Oconee county sheriffs department. This gentleman has been added because I believe he may be a good and upstanding law-enforcement officer. I would hope with transparency, issues will be clarified.

That is exactly Dr. Boyle's email address. Just make sure it's the number 03, not letter O.

Please send him an email directly with everything you think he said to the clerk and how you think he violated the Supreme court order.

With everything that's going on in the Probate Court and all the misrepresentations from probate court clerks and court officials, everyone must protect themselves from Probate court. The probate court is a dangerous place to be. The last time I was told to return to get the file in 10 days but later you misrepresented that none of your clerks gave a deadline. If I had a recording, I would have protected myself.

This Supreme Court ruling must be challenged immediately. Most South Carolina courts aren't safe anymore for local people.

The probate Judge is public official and the employees of the probate court are civil servants. Anyone can say anything about a civil servant because it's their first amendment right and they are free to record as part of their first amendment right.

I have copied Dr. Boyle in this email. I will not forward any previous conversations you sent about his actions. Please tell him yourself, directly.

Best regards,

Dorothy Pierce

Mrs. Pierce,

I nor this court does not intended to do anything with you other than have you comply with an order of this court. The remainder of your comments are inflammatory and misguided and degrading to the court. I have repeatedly asked that all have proper communication with court. Therefore, the court will not respond to those comments.

Your invoice was paid today by Mr. Boyles, however, the clerk was going to get the documents to give to him but he left. He made the clerk feel nervous due to the negative comments he was making and failed to retrieve the documents to give to him prior to him leaving. the documents are still available to pick up at any time. The comments that were made to the clerk are not acceptable and alleged that it would be on his YOU TUBE channel. Mr. Boyle has a right to do what he wishes, however, please share the attached order from the SC Supreme Court that is attached regarding recording in a courtroom, lobby and specially at a clerk's window.

Should he choose to do so, this court would inforce that order.

This is sent as a curtesy to you and Mr. Boyle as I do not have his email.

Thank you!

Mr. Singleton,

I will address you in the capacity of the complainant, not the judge.

You intend to send me to Jail for \$413. You will not violate my due process rights in the process of sending me to jail. I have paid the fine under the threats of being sent to jail which is civil rights claim at this point. I'm stating here that the invoice is illegal and the order was also illegal. Though you had claimed the file was already printed, after making payment, your staff still didn't provide the file because it wasn't ready after all. Knowing very well the file was not ready and probate court didn't print any file, you relentlessly pursued me and threatened to send me to Jail for a file you didn't have.

I requested the file on October 11, 2023 and your staff told me it would be ready in 10 days. I made several trips to the probate court to get the file after 10 days but I was told over and over again the file wasn't ready. I wrote a letter on November 13, 2023 clearly stating my frustrations with the file after one month. I had already improvised by the time you made the file available. I no longer needed this file at the time you made it available. You stated on the bench that your staff didn't tell me to come back after 10 days. This was a misrepresentation!

It's an abuse of office to set a hearing before you serve criminal summons. You are both the judge and the complainant. You are clearly violating my civil and due process rights.

I know even after making the payment you will find other reasons to continue to pursue me.

Accordingly, the hearing you scheduled for June 5, 2024 Violates my due process rights.

Please cancel the hearing you scheduled for June because after serving me with summons, you need to give me, according to the law, 30 days to respond. After which I intend to depose your staff about what transpired and what you stated on the bench on April 15, 2024.

I also need to depose you as the complainant in this case in regards to the statements you made on the bench that were complete misrepresentation of the facts.

I filed a lawsuit against you in the Circuit court for extortion in regards to this invoice but because you have the power to do anything, you went a head an issued an illegal order commanding me to pay this invoice knowing very well that you have a case in the circuit court to answer.

About service, if you still intend to pursue it after invoice is paid, tell your law enforcement to schedule an appointment with me, I will be able to receive service on appointment. Let them send me an email to schedule service.

Thank you.

Dorothy Pierce

Mrs. Pierce,

Law Enforcement contacted the court indicating that your fence is locked and they have no access to reach you. You have requested personal service although you have received notice electronically and by mail.

Please advise the court if you are refusing service or if you are willing to accept service.

Thank you!

Judge Singleton,

I want to add one more thing. Please do not bother Queen Dorothy with any issue regarding me anymore. I am available, and this has nothing to do with her. Thank you.

What you are doing is illegal. I am encouraging transparency. I am looking forward to a detailed conversation about the events that happened in your office today.

Best regards,  
Jason.

Judge Singleton,

I want to add one more thing. Please do not bother Queen Dorothy with any issue regarding me anymore. I am available, and this has nothing to do with her. Thank you.

What you are doing is illegal. I am encouraging transparency. I am looking forward to a detailed conversation about the events that happened in your office today.

Best regards,  
 Jason.

Dear all,

Thank you for including me in this conversation. What a nuanced subject. I believe the supreme court ruling is absolutely incorrect in accordance with the first amendment. I recognize the challenges of addressing this discrepancy, yet, I think it is worthy of clarifying the terms of the first amendment.

Here is a copy of the video. I very intentionally did not record the third-party in the lobby. My contest is that you would have to justify a violation of privacy.

I will look forward to your reply. Thank you for this opportunity to contribute to the well-being of this great nation.

If I can be helpful in anyway, I'm excited to be of service. I can be present at any time.

Sincerely,  
 Jason M. Boyle, PhD.

P.S. I added a member of the Oconee County sheriffs department to this email. I do recognize that may draw interest. I have had conflict with the Oconee county sheriffs department. This gentleman has been added because I believe he may be a good and upstanding law-enforcement officer. I would hope with transparency, issues will be clarified.

That is exactly Dr. Boyle's email address. Just make sure it's the number 03, not letter O.

Please send him an email directly with everything you think he said to the clerk and how you think he violated the Supreme court order.

With everything that's going on in the Probate Court and all the misrepresentations from probate court clerks and court officials, everyone must protect themselves from Probate court. The probate court is a dangerous place to be. The last time I was told to return to get the file in 10 days but later you misrepresented that none of your clerks gave a deadline. If I had a recording, I would have protected myself.

This Supreme Court ruling must be challenged immediately. Most South Carolina courts aren't safe anymore for local people.

The probate Judge is public official and the employees of the probate court are civil servants. Anyone can say anything about a civil servant because it's their first amendment right and they are free to record as part of their first amendment right.

I have copied Dr. Boyle in this email. I will not forward any previous conversations you sent about his actions. Please tell him yourself, directly.

Best regards,

Dorothy Pierce

Mrs. Pierce,

I nor this court does not intended to do anything with you other than have you comply with an order of this court. The remainder of your comments are inflammatory and misguided and degrading to the court. I have repeatedly asked that all have proper communication with court. Therefore, the court will not respond to those comments.

Your invoice was paid today by Mr. Boyles, however, the clerk was going to get the documents to give to him but he left. He made the clerk feel nervous due to the negative comments he was making and failed to retrieve the documents to give to him prior to him leaving. the documents are still available to pick up at any time. The comments that were made to the clerk are not acceptable and alleged that it would be on his YOU TUBE channel. Mr. Boyle has a right to do what he wishes, however, please share the attached order from the SC Supreme Court that is attached regarding recording in a courtroom, lobby and specially at a clerk's window.

Should he choose to do so, this court would inforce that order.

This is sent as a curtesy to you and Mr. Boyle as I do not have his email.

Thank you!

**Walhalla, SC 29691**

**864-638-4275**

Mr. Singleton,

I will address you in the capacity of the complainant, not the judge.

You intend to send me to Jail for \$413. You will not violate my due process rights in the process of sending me to jail. I have paid the fine under the threats of being sent to jail which is civil rights claim at this point. I'm stating here that the invoice is illegal and the order was also illegal. Though you had claimed the file was already printed, after making payment, your staff still didn't provide the file because it wasn't ready after all. Knowing very well the file was not ready and probate court didn't print any file, you relentlessly pursued me and threatened to send me to Jail for a file you didn't have.

I requested the file on October 11, 2023 and your staff told me it would be ready in 10 days. I made several trips to the probate court to get the file after 10 days but I was told over and over again the file wasn't ready. I wrote a letter on November 13, 2023 clearly stating my frustrations with the file after one month. I had already improvised by the time you made the file available. I no longer needed this file at the time you made it available. You stated on the bench that your staff didn't tell me to come back after 10 days. This was a misrepresentation!

It's an abuse of office to set a hearing before you serve criminal summons. You are both the judge and the complainant. You are clearly violating my civil and due process rights.

I know even after making the payment you will find other reasons to continue to pursue me.

Accordingly, the hearing you scheduled for June 5, 2024 Violates my due process rights.

Please cancel the hearing you scheduled for June because after serving me with summons, you need to give me, according to the law, 30 days to respond. After which I intend to depose your staff about what transpired and what you stated on the bench on April 15, 2024.

I also need to depose you as the complainant in this case in regards to the statements you made on the bench that were complete misrepresentation of the facts.

I filed a lawsuit against you in the Circuit court for extortion in regards to this invoice but because you have the power to do anything, you went a head an issued an illegal order commanding me to pay this invoice knowing very well that you have a case in the circuit court to answer.

About service, if you still intend to pursue it after invoice is paid, tell your law enforcement to schedule an appointment with me, I will be able to receive service on appointment. Let them send me an email to schedule service.

Thank you.

I am putting both of you on this forwarded email very intentionally. There are many things about the past that I do not need to understand. I have learned some things over time. One, is that I believe the two of you are very like-minded. different in many ways, but you play into each others strength.

Chris,

Thank you for everything you have done over the last couple years. I cannot express enough how much we would not be where we are, if you had not contributed. I am stronger, and more competent, because you agreed to contribute to this conversation.

Dad,

Chris Bagley has proven to me that he is an incredible man. We do not always agree, and he is very helpful because of that. I believe he's a good man that fights for what is correct.

Love you both, j

When i consider time in jail, it seems trivial. I am the most fortunate man.

I wish you both the greatest success in your struggles against Boss Hogg and his cronies in South Carolina. I have shredded all notes/documents related to our discussions.

This is the civil case filed against Probate Judge Singleton.

2024-CP-3700080-Dorothy Pierce V. Danny Singleton

Judge Singleton is crooked.

The South Carolina Supreme Court signed an administrative order, making it illegal to film the court clerk. Yet the court clerk lies, and colludes with the judge. This video will be used to challenge that supreme court ruling, assuming that judge Singleton files some charge against me.

What has happened to Dorothy in Oconee County is atrocious. Anyone looking from the outside would think she's some kind of a horrible person, all because some wanted to take her down. The only thing she's guilty of, is loving older men. Holding her accountable for this is a type of xenophobia. For if you go to Uganda, young women, loving older, bold men is absolutely normal.

Hope you enjoy this video. I am confident that we are starting to turn this page after all these years.

[https://youtube.com/shorts/8l\\_YzF0HPUG?si=GyWvAY5IJLbAToBx](https://youtube.com/shorts/8l_YzF0HPUG?si=GyWvAY5IJLbAToBx)

There is a lawsuit against Danny Singleton for acting outside of his jurisdiction. He took the position as a judge against Dorothy, when in probate court, there are not supposed to be sides. He grew up with the other heirs of the estate. In emails, he argues on behalf of his friends. This is all very well documented. I highly recommend you read the court case.

Below is a forward letter I sent to Danny Singleton and company.

Thank you,  
Jason

Unknown To address

## How to Fix It

The address may be misspelled or may not exist. Try one or more of the following:

- Send the message again following these steps: In Outlook, open this non-delivery report (NDR) and choose **Send Again** from the Report ribbon. In Outlook on the web, select this NDR, then select the link "**To send this message again, click here.**" Then delete and retype the entire recipient address. If prompted with an Auto-Complete List suggestion don't select it. After typing the complete address, click **Send**.

- Contact the recipient (by phone, for example) to check that the address exists and is correct.
- The recipient may have set up email forwarding to an incorrect address. Ask them to check that any forwarding they've set up is working correctly.
- Clear the recipient Auto-Complete List in Outlook or Outlook on the web by following the steps in this article: [Fix email delivery issues for error code 5.1.10 in Office 365](#), and then send the message again. Retype the entire recipient address before selecting **Send**.

If the problem continues, forward this message to your email admin. If you're an email admin, refer to the **More Info for Email Admins** section below.

## More Info for Email Admins

Status code: 550 5.1.10

This error occurs because the sender sent a message to an email address hosted by Office 365 but the address is incorrect or doesn't exist at the destination domain. The error is reported by the recipient domain's email server, but most often it must be fixed by the person who sent the message. If the steps in the **How to Fix It** section above don't fix the problem, and you're the email admin for the recipient, try one or more of the following:

**The email address exists and is correct** - Confirm that the recipient address exists, is correct, and is accepting messages.

**Synchronize your directories** - If you have a hybrid environment and are using directory synchronization make sure the recipient's email address is synced correctly in both Office 365 and in your on-premises directory.

**Errant forwarding rule** - Check for forwarding rules that aren't behaving as expected. Forwarding can be set up by an admin via mail flow rules or mailbox forwarding address settings, or by the recipient via the Inbox Rules feature.

**Recipient has a valid license** - Make sure the recipient has an Office 365 license assigned to them. The recipient's email admin can use the Office 365 admin center to assign a license (Users > Active Users > select the recipient > Assigned License > Edit).

**Mail flow settings and MX records are not correct** - Misconfigured mail flow or MX record settings can cause this error. Check your Office 365 mail flow settings to make sure your domain and any mail flow connectors are set up correctly. Also, work with your domain registrar to make sure the MX records for your domain are configured correctly.

For more information and additional tips to fix this issue, see [Fix email delivery issues for error code 5.1.10 in Office 365](#).

I tried to contact you sometime back. This story has matured, and this particular facet of it. I think it's interesting to you. I appreciate what you do, I did not realize we were not alone until I started reading your articles.

Thank you,

This is the civil case filed against Probate Judge Singleton.

2024-CP-3700080-Dorothy Pierce V. Danny Singleton

Judge Singleton is crooked.

The South Carolina Supreme Court signed an administrative order, making it illegal to film the court clerk. Yet the court clerk lies, and colludes with the judge. This video will be used to challenge that supreme court ruling, assuming that judge Singleton files some charge against me.

What has happened to Dorothy in Oconee County is atrocious. Anyone looking from the outside would think she's some kind of a horrible person, all because some wanted to take her down. The only thing she's guilty of, is loving older men. Holding her accountable for this is a type of xenophobia. For if you go to Uganda, young women, loving older, bold men is absolutely normal.

Hope you enjoy this video. I am confident that we are starting to turn this page after all these years.

[https://youtube.com/shorts/8l\\_YzF0HPUg?si=GyWvAY5IJLbAToBx](https://youtube.com/shorts/8l_YzF0HPUg?si=GyWvAY5IJLbAToBx)

There is a lawsuit against Danny Singleton for acting outside of his jurisdiction. He took the position as a judge against Dorothy, when in probate court, there are not supposed to be sides. He grew up with the other heirs of the estate. In emails, he argues on behalf of his friends. This is all very well documented. I highly recommend you read the court case.

Below is a forward letter I sent to Danny Singleton and company.

Thank you,  
Jason

Dear all,

Thank you for including me in this conversation. What a nuanced subject. I believe the supreme court ruling is absolutely incorrect in accordance with the first amendment. I recognize the challenges of addressing this discrepancy, yet, I think it is worthy of clarifying the terms of the first amendment.

Here is a copy of the video. I very intentionally did not record the third-party in the lobby. My contest is that you would have to justify a violation of privacy.

<https://youtu.be/UXXEOTC0dLo?si=56iTxahFcVcyQ7Uz>

I will look forward to your reply. Thank you for this opportunity to contribute to the well-being of this great nation.

If I can be helpful in anyway, I'm excited to be of service. I can be present at any time.

Sincerely,

Jason M. Boyle, PhD.

P.S. I added a member of the Oconee County sheriffs department to this email. I do recognize that may draw interest. I have had conflict with the Oconee county sheriffs department. This gentleman has been added because I believe he may be a good and upstanding law-enforcement officer. I would hope with transparency, issues will be clarified.

That is exactly Dr. Boyle's email address. Just make sure it's the number 03, not letter O.

Please send him an email directly with everything you think he said to the clerk and how you think he violated the Supreme court order.

With everything that's going on in the Probate Court and all the misrepresentations from probate court clerks and court officials, everyone must protect themselves from Probate court. The probate court is a dangerous place to be. The last time I was told to return to get the file in 10 days but later you misrepresented that none of your clerks gave a deadline. If I had a recording, I would have protected myself.

This Supreme Court ruling must be challenged immediately. Most South Carolina courts aren't safe anymore for local people.

The probate Judge is public official and the employees of the probate court are civil servants. Anyone can say anything about a civil servant because it's their first amendment right and they are free to record as part of their first amendment right.

I have copied Dr. Boyle in this email. I will not forward any previous conversations you sent about his actions. Please tell him yourself, directly.

Best regards,

Dorothy Pierce

Mrs. Pierce,

I nor this court does not intended to do anything with you other than have you comply with an order of this court. The remainder of your comments are inflammatory and misguided and degrading to the court. I have repeatedly asked that all have proper communication with court. Therefore, the court will not respond to those comments.

Your invoice was paid today by Mr. Boyles, however, the clerk was going to get the documents to give to him but he left. He made the clerk feel nervous due to the negative comments he was making and failed to retrieve the documents to give to him prior to him leaving. the documents are

still available to pick up at any time. The comments that were made to the clerk are not acceptable and alleged that it would be on his YOU TUBE channel. Mr. Boyle has a right to do what he wishes, however, please share the attached order from the SC Supreme Court that is attached regarding recording in a courtroom, lobby and specially at a clerk's window.

Should he choose to do so, this court would inforce that order.

This is sent as a curtesy to you and Mr. Boyle as I do not have his email.

Thank you!

Mr. Singleton,

I will address you in the capacity of the complainant, not the judge.

You intend to send me to Jail for \$413. You will not violate my due process rights in the process of sending me to jail. I have paid the fine under the threats of being sent to jail which is civil rights claim at this point. I'm stating here that the invoice is illegal and the order was also illegal. Though you had claimed the file was already printed, after making payment, your staff still didn't provide the file because it wasn't ready after all. Knowing very well the file was not ready and probate court didn't print any file, you relentlessly pursued me and threatened to send me to Jail for a file you didn't have.

I requested the file on October 11, 2023 and your staff told me it would be ready in 10 days. I made several trips to the probate court to get the file after 10 days but I was told over and over again the file wasn't ready. I wrote a letter on November 13, 2023 clearly stating my frustrations with the file after one month. I had already improvised by the time you made the file available. I no longer needed this file at the time you made it available. You stated on the bench that your staff didn't tell me to come back after 10 days. This was a misrepresentation!

It's an abuse of office to set a hearing before you serve criminal summons. You are both the judge and the complainant. You are clearly violating my civil and due process rights.

I know even after making the payment you will find other reasons to continue to pursue me.

Accordingly, the hearing you scheduled for June 5, 2024 Violates my due process rights.

Please cancel the hearing you scheduled for June because after serving me with summons, you need to give me, according to the law, 30 days to respond. After which I intend to depose your staff about what transpired and what you stated on the bench on April 15, 2024.

I also need to depose you as the complainant in this case in regards to the statements you made on the bench that were complete misrepresentation of the facts.

I filed a lawsuit against you in the Circuit court for extortion in regards to this invoice but because you have the power to do anything, you went a head and issued an illegal order commanding me to pay this invoice knowing very well that you have a case in the circuit court to answer.

About service, if you still intend to pursue it after invoice is paid, tell your law enforcement to schedule an appointment with me, I will be able to receive service on appointment. Let them send me an email to schedule service.

Thank you.

This is a great read. Remember that Danny Singleton started as a Magistrate Judge. I am excited about this opportunity. It looks like we can help many people by publicizing the disaster of this probate case as it arose out of the actions of an ignorant judge in a case that included his childhood friend. The Judge, due to bias and ignorance of the law, was dependent on the guidance of a lawyer with interest in the outcome.

<https://www.propublica.org/article/these-judges-can-have-less-training-than-barbers-but-still-decide-thousands-of-cases-each-year>

On a side note, people said the video was too long. So i edited it down a bit.

Hope all are enjoying the long weekend,

This is a great read. Remember that Danny Singleton started as a Magistrate Judge. I am excited about this opportunity. It looks like we can help many people by publicizing the disaster of this probate case as it arose out of the actions of an ignorant judge in a case that included his childhood friend. The Judge, due to bias and ignorance of the law, was dependent on the guidance of a lawyer with interest in the outcome.

<https://www.propublica.org/article/these-judges-can-have-less-training-than-barbers-but-still-decide-thousands-of-cases-each-year>

On a side note, people said the video was too long. So i edited it down a bit.

Hope all are enjoying the long weekend,

Dear all,

Thank you for including me in this conversation. What a nuanced subject. I believe the supreme court ruling is absolutely incorrect in accordance with the first amendment. I recognize the challenges of addressing this discrepancy, yet, I think it is worthy of clarifying the terms of the first amendment.

Here is a copy of the video. I very intentionally did not record the third-party in the lobby. My contest is that you would have to justify a violation of privacy.

I will look forward to your reply. Thank you for this opportunity to contribute to the well-being of this great nation.

If I can be helpful in anyway, I'm excited to be of service. I can be present at any time.

Sincerely,

Jason M. Boyle, PhD.

P.S. I added a member of the Oconee County sheriffs department to this email. I do recognize that may draw interest. I have had conflict with the Oconee county sheriffs department. This gentleman has been added because I believe he may be a good and upstanding law-enforcement officer. I would hope with transparency, issues will be clarified.

That is exactly Dr. Boyle's email address. Just make sure it's the number 03, not letter O.

Please send him an email directly with everything you think he said to the clerk and how you think he violated the Supreme court order.

With everything that's going on in the Probate Court and all the misrepresentations from probate court clerks and court officials, everyone must protect themselves from Probate court. The probate court is a dangerous place to be. The last time I was told to return to get the file in 10 days but later you misrepresented that none of your clerks gave a deadline. If I had a recording, I would have protected myself.

This Supreme Court ruling must be challenged immediately. Most South Carolina courts aren't safe anymore for local people.

The probate Judge is public official and the employees of the probate court are civil servants. Anyone can say anything about a civil servant because it's their first amendment right and they are free to record as part of their first amendment right.

I have copied Dr. Boyle in this email. I will not forward any previous conversations you sent about his actions. Please tell him yourself, directly.

Best regards,

Dorothy Pierce

Mrs. Pierce,

I nor this court does not intended to do anything with you other than have you comply with an order of this court. The remainder of your comments are inflammatory and misguided and degrading to the court. I have repeatedly asked that all have proper communication with court. Therefore, the court will not respond to those comments.

Your invoice was paid today by Mr. Boyles, however, the clerk was going to get the documents to give to him but he left. He made the clerk feel nervous due to the negative comments he was making and failed to retrieve the documents to give to him prior to him leaving. the documents are still available to pick up at any time. The comments that were made to the clerk are not acceptable and alleged that it would be on his YOU TUBE channel. Mr. Boyle has a right to do what he wishes, however, please share the attached order from the SC Supreme Court that is attached regarding recording in a courtroom, lobby and specially at a clerk's window.

Should he choose to do so, this court would inforce that order.

This is sent as a curtesy to you and Mr. Boyle as I do not have his email.

Thank you!

Mr. Singleton,

I will address you in the capacity of the complainant, not the judge.

You intend to send me to Jail for \$413. You will not violate my due process rights in the process of sending me to jail. I have paid the fine under the threats of being sent to jail which is civil rights claim at this point. I'm stating here that the invoice is illegal and the order was also illegal. Though you had claimed the file was already printed, after making payment, your staff still didn't provide the file because it wasn't ready after all. Knowing very well the file was not ready and probate court didn't print any file, you relentlessly pursued me and threatened to send me to Jail for a file you didn't have.

I requested the file on October 11, 2023 and your staff told me it would be ready in 10 days. I made several trips to the probate court to get the file after 10 days but I was told over and over again the file wasn't ready. I wrote a letter on November 13, 2023 clearly stating my frustrations with the file after one month. I had already improvised by the time you made the file available. I no longer needed this file at the time you made it available. You stated on the bench that your staff didn't tell me to come back after 10 days. This was a misrepresentation!

It's an abuse of office to set a hearing before you serve criminal summons. You are both the judge and the complainant. You are clearly violating my civil and due process rights.

I know even after making the payment you will find other reasons to continue to pursue me.

Accordingly, the hearing you scheduled for June 5, 2024 Violates my due process rights.

Please cancel the hearing you scheduled for June because after serving me with summons, you need to give me, according to the law, 30 days to respond. After which I intend to depose your staff about what transpired and what you stated on the bench on April 15, 2024.

I also need to depose you as the complainant in this case in regards to the statements you made on the bench that were complete misrepresentation of the facts.

I filed a lawsuit against you in the Circuit court for extortion in regards to this invoice but because you have the power to do anything, you went a head an issued an illegal order commanding me to pay this invoice knowing very well that you have a case in the circuit court to answer.

About service, if you still intend to pursue it after invoice is paid, tell your law enforcement to schedule an appointment with me, I will be able to receive service on appointment. Let them send me an email to schedule service.

Thank you.

The minority voice is important. Perhaps racism in this state will never end, but when all the judges are white and held accountable by other white entrenched judges, the result is unjust.

I would like to see an initiative to have judges that represent the diversity of people in Oconee county.

Subject: Re: Service

**EXTERNAL SENDER: Caution opening links or attachments**

The minority voice is important. Perhaps racism in this state will never end, but when all the judges are white and held accountable by other white entrenched judges, the result is unjust.

I would like to see an initiative to have judges that represent the diversity of people in Oconee county.

This is a great read. Remember that Danny Singleton started as a Magistrate Judge. I am excited about this opportunity. It looks like we can help many people by publicizing the disaster of this probate case as it arose out of the actions of an ignorant judge in a case that included his childhood friend. The Judge, due to bias and ignorance of the law, was dependent on the guidance of a lawyer with interest in the outcome.

Dear all,

Thank you for including me in this conversation. What a nuanced subject. I believe the supreme court ruling is absolutely incorrect in accordance with the first amendment. I recognize the challenges of addressing this discrepancy, yet, I think it is worthy of clarifying the terms of the first amendment.

Here is a copy of the video. I very intentionally did not record the third-party in the lobby. My contest is that you would have to justify a violation of privacy.

I will look forward to your reply. Thank you for this opportunity to contribute to the well-being of this great nation.

If I can be helpful in anyway, I'm excited to be of service. I can be present at any time.

Sincerely,  
Jason M. Boyle, PhD.

P.S. I added a member of the Oconee County sheriffs department to this email. I do recognize that may draw interest. I have had conflict with the Oconee county sheriffs department. This gentleman has been added because I believe he may be a good and upstanding law-enforcement officer. I would hope with transparency, issues will be clarified.

That is exactly Dr. Boyle's email address. Just make sure it's the number 03, not letter O.

Please send him an email directly with everything you think he said to the clerk and how you think he violated the Supreme court order.

With everything that's going on in the Probate Court and all the misrepresentations from probate court clerks and court officials, everyone must protect themselves from Probate court. The probate court is a dangerous place to be. The last time I was told to return to get the file in 10 days but later you misrepresented that none of your clerks gave a deadline. If I had a recording, I would have protected myself.

This Supreme Court ruling must be challenged immediately. Most South Carolina courts aren't safe anymore for local people.

The probate Judge is public official and the employees of the probate court are civil servants. Anyone can say anything about a civil servant because it's their first amendment right and they are free to record as part of their first amendment right.

I have copied Dr. Boyle in this email. I will not forward any previous conversations you sent about his actions. Please tell him yourself, directly.

I nor this court does not intended to do anything with you other than have you comply with an order of this court. The remainder of your comments are inflammatory and misguided and degrading to the court. I have repeatedly asked that all have proper communication with court. Therefore, the court will not respond to those comments.

Your invoice was paid today by Mr. Boyles, however, the clerk was going to get the documents to give to him but he left. He made the clerk feel nervous due to the negative comments he was making and failed to retrieve the documents to give to him prior to him leaving. the documents are still available to pick up at any time. The comments that were made to the clerk are not acceptable and alleged that it would be on his YOU TUBE channel. Mr. Boyle has a right to do what he wishes, however, please share the attached order from the SC Supreme Court that is attached regarding recording in a courtroom, lobby and specially at a clerk's window.

Should he choose to do so, this court would inforce that order.

This is sent as a curtesy to you and Mr. Boyle as I do not have his email.

Thank you!

Mr. Singleton,

I will address you in the capacity of the complainant, not the judge.

You intend to send me to Jail for \$413. You will not violate my due process rights in the process of sending me to jail. I have paid the fine under the threats of being sent to jail which is civil rights claim at this point. I'm stating here that the invoice is illegal and the order was also illegal. Though you

had claimed the file was already printed, after making payment, your staff still didn't provide the file because it wasn't ready after all. Knowing very well the file was not ready and probate court didn't print any file, you relentlessly pursued me and threatened to send me to Jail for a file you didn't have.

I requested the file on October 11, 2023 and your staff told me it would be ready in 10 days. I made several trips to the probate court to get the file after 10 days but I was told over and over again the file wasn't ready. I wrote a letter on November 13, 2023 clearly stating my frustrations with the file after one month. I had already improvised by the time you made the file available. I no longer needed this file at the time you made it available. You stated on the bench that your staff didn't tell me to come back after 10 days. This was a misrepresentation!

It's an abuse of office to set a hearing before you serve criminal summons. You are both the judge and the complainant. You are clearly violating my civil and due process rights.

I know even after making the payment you will find other reasons to continue to pursue me.

Accordingly, the hearing you scheduled for June 5, 2024 Violates my due process rights.

Please cancel the hearing you scheduled for June because after serving me with summons, you need to give me, according to the law, 30 days to respond. After which I intend to depose your staff about what transpired and what you stated on the bench on April 15, 2024.

I also need to depose you as the complainant in this case in regards to the statements you made on the bench that were complete misrepresentation of the facts.

I filed a lawsuit against you in the Circuit court for extortion in regards to this invoice but because you have the power to do anything, you went ahead and issued an illegal order commanding me to pay this invoice knowing very well that you have a case in the circuit court to answer.

About service, if you still intend to pursue it after invoice is paid, tell your law enforcement to schedule an appointment with me, I will be able to receive service on appointment. Let them send me an email to schedule service.

Thank you.

I am hopeful the solicitor will be helpful in holding Chief Bowling accountable for criminal defamation (using the police as a tool for character assassination), Jimmy Dixon for assault (coming to my house and threatening me with a fake report), and Judge Singleton for illegally, saying I was not allowed in the probate court again.

We have been very busy. I will have official reports ready for you soon. Again, I have always had distain for bullies. They are easy to identify, when the circumstances are correct. I'm hopeful that you have the same distain for bullies. It would be good to have a partner on the inside with high moral integrity.

It is my understanding as of now, that sled had given clearance to charge Dorothy with criminal actions. It appears to me that the solicitors office interrupted this. Again, I don't have all the evidence, and know all the details. Yet, I have reason to believe you may have been helpful once in the past. Hopefully, because you knew what was right, and you decided to do, but was right, not as a gesture of CYA.

So you still have the benefit of the doubt, in my mind. I would greatly appreciate someone taking a stance, because the silence pushes everyone to the same side of the fence.

All the best,  
Jason

Dear all,

Thank you for including me in this conversation. What a nuanced subject. I believe the supreme court ruling is absolutely incorrect in accordance with the first amendment. I recognize the challenges of addressing this discrepancy, yet, I think it is worthy of clarifying the terms of the first amendment.

Here is a copy of the video. I very intentionally did not record the third-party in the lobby. My contest is that you would have to justify a violation of privacy.

I will look forward to your reply. Thank you for this opportunity to contribute to the well-being of this great nation.

If I can be helpful in anyway, I'm excited to be of service. I can be present at any time.

Sincerely,  
 Jason M. Boyle, PhD.

P.S. I added a member of the Oconee County sheriffs department to this email. I do recognize that may draw interest. I have had conflict with the Oconee county sheriffs department. This gentleman has been added because I believe he may be a good and upstanding law-enforcement officer. I would hope with transparency, issues will be clarified.

That is exactly Dr. Boyle's email address. Just make sure it's the number 03, not letter O.

Please send him an email directly with everything you think he said to the clerk and how you think he violated the Supreme court order.

With everything that's going on in the Probate Court and all the misrepresentations from probate court clerks and court officials, everyone must protect themselves from Probate court. The probate court is a dangerous place to be. The last time I was told to return to get the file in 10 days but later you misrepresented that none of your clerks gave a deadline. If I had a recording, I would have protected myself.

This Supreme Court ruling must be challenged immediately. Most South Carolina courts aren't safe anymore for local people.

The probate Judge is public official and the employees of the probate court are civil servants. Anyone can say anything about a civil servant because it's their first amendment right and they are free to record as part of their first amendment right.

I have copied Dr. Boyle in this email. I will not forward any previous conversations you sent about his actions. Please tell him yourself, directly.

Best regards,

Dorothy Pierce

Mrs. Pierce,

I nor this court does not intended to do anything with you other than have you comply with an order of this court. The remainder of your comments are inflammatory and misguided and degrading to the court. I have repeatedly asked that all have proper communication with court. Therefore, the court will not respond to those comments.

Your invoice was paid today by Mr. Boyles, however, the clerk was going to get the documents to give to him but he left. He made the clerk feel nervous due to the negative comments he was making and failed to retrieve the documents to give to him prior to him leaving. the documents are still available to pick up at any time. The comments that were made to the clerk are not acceptable and alleged that it would be on his YOU TUBE channel. Mr. Boyle has a right to do what he wishes, however, please share the attached order from the SC Supreme Court that is attached regarding recording in a courtroom, lobby and specially at a clerk's window.

Should he choose to do so, this court would inforce that order.

This is sent as a curtesy to you and Mr. Boyle as I do not have his email.

Thank you!

Mr. Singleton,

I will address you in the capacity of the complainant, not the judge.

You intend to send me to Jail for \$413. You will not violate my due process rights in the process of sending me to jail. I have paid the fine under the threats of being sent to jail which is civil rights claim at this point. I'm stating here that the invoice is illegal and the order was also illegal. Though you had claimed the file was already printed, after making payment, your staff still didn't provide the file because it wasn't ready after all. Knowing very well the file was not ready and probate court didn't print any file, you relentlessly pursued me and threatened to send me to Jail for a file you didn't have.

I requested the file on October 11, 2023 and your staff told me it would be ready in 10 days. I made several trips to the probate court to get the file after 10 days but I was told over and over again the file wasn't ready. I wrote a letter on November 13, 2023 clearly stating my frustrations with the file after one month. I had already improvised by the time you made the file available. I no longer needed this file at the time you made it available. You stated on the bench that your staff didn't tell me to come back after 10 days. This was a misrepresentation!

It's an abuse of office to set a hearing before you serve criminal summons. You are both the judge and the complainant. You are clearly violating my civil and due process rights.

I know even after making the payment you will find other reasons to continue to pursue me.

Accordingly, the hearing you scheduled for June 5, 2024 Violates my due process rights.

Please cancel the hearing you scheduled for June because after serving me with summons, you need to give me, according to the law, 30 days to respond. After which I intend to depose your staff about what transpired and what you stated on the bench on April 15, 2024.

I also need to depose you as the complainant in this case in regards to the statements you made on the bench that were complete misrepresentation of the facts.

I filed a lawsuit against you in the Circuit court for extortion in regards to this invoice but because you have the power to do anything, you went a head an issued an illegal order commanding me to pay this invoice knowing very well that you have a case in the circuit court to answer.

About service, if you still intend to pursue it after invoice is paid, tell your law enforcement to schedule an appointment with me, I will be able to receive service on appointment. Let them send me an email to schedule service.

Thank you.

Dear Judge Singleton,

Is email your preferred method of communication? I assumed it was from watching you and Dorothy communicate.

I am easy to find. You don't need to send the sheriff to ignore all the no trespassing signs and enter our property illegally without a warrant. If you want them to enter private property through a no trespassing sign, they need a warrant.

Let's meet in your office. Give me a date and time that works for you. I will be excited to be served in person by you.

Thank you,

Dear Judge Singleton,

Is email your preferred method of communication? I assumed it was from watching you and Dorothy communicate.

I am easy to find. You don't need to send the sheriff to ignore all the no trespassing signs and enter our property illegally without a warrant. If you want them to enter private property through a no trespassing sign, they need a warrant.

Let's meet in your office. Give me a date and time that works for you. I will be excited to be served in person by you.

Thank you,

Jason

Dear all,

Thank you for including me in this conversation. What a nuanced subject. I believe the supreme court ruling is absolutely incorrect in accordance with the first amendment. I recognize the challenges of addressing this discrepancy, yet, I think it is worthy of clarifying the terms of the first amendment.

Here is a copy of the video. I very intentionally did not record the third-party in the lobby. My contest is that you would have to justify a violation of privacy.

I will look forward to your reply. Thank you for this opportunity to contribute to the well-being of this great nation.

If I can be helpful in anyway, I'm excited to be of service. I can be present at any time.

Sincerely,  
 Jason M. Boyle, PhD.

P.S. I added a member of the Oconee County sheriffs department to this email. I do recognize that may draw interest. I have had conflict with the Oconee county sheriffs department. This gentleman has been added because I believe he may be a good and upstanding law-enforcement officer. I would hope with transparency, issues will be clarified.

That is exactly Dr. Boyle's email address. Just make sure it's the number 03, not letter O.

Please send him an email directly with everything you think he said to the clerk and how you think he violated the Supreme court order.

With everything that's going on in the Probate Court and all the misrepresentations from probate court clerks and court officials, everyone must protect themselves from Probate court. The probate court is a dangerous place to be. The last time I was told to return to get the file in 10 days but later you misrepresented that none of your clerks gave a deadline. If I had a recording, I would have protected myself.

This Supreme Court ruling must be challenged immediately. Most South Carolina courts aren't safe anymore for local people.

The probate Judge is public official and the employees of the probate court are civil servants. Anyone can say anything about a civil servant because it's their first amendment right and they are free to record as part of their first amendment right.

I have copied Dr. Boyle in this email. I will not forward any previous conversations you sent about his actions. Please tell him yourself, directly.

Best regards,

Dorothy Pierce

Mrs. Pierce,

I nor this court does not intended to do anything with you other than have you comply with an order of this court. The remainder of your comments are inflammatory and misguided and degrading to the court. I have repeatedly asked that all have proper communication with court. Therefore, the court will not respond to those comments.

Your invoice was paid today by Mr. Boyles, however, the clerk was going to get the documents to give to him but he left. He made the clerk feel nervous due to the negative comments he was making and failed to retrieve the documents to give to him prior to him leaving. the documents are still available to pick up at any time. The comments that were made to the clerk are not acceptable and alleged that it would be on his YOU TUBE channel. Mr. Boyle has a right to do what he wishes, however, please share the attached order from the SC Supreme Court that is attached regarding recording in a courtroom, lobby and specially at a clerk's window.

Should he choose to do so, this court would inforce that order.

This is sent as a curtesy to you and Mr. Boyle as I do not have his email.

Thank you!

Mr. Singleton,

I will address you in the capacity of the complainant, not the judge.

You intend to send me to Jail for \$413. You will not violate my due process rights in the process of sending me to jail. I have paid the fine under the threats of being sent to jail which is civil rights claim at this point. I'm stating here that the invoice is illegal and the order was also illegal. Though you had claimed the file was already printed, after making payment, your staff still didn't provide the file because it wasn't ready after all. Knowing very well the file was not ready and probate court didn't print any file, you relentlessly pursued me and threatened to send me to Jail for a file you didn't have.

I requested the file on October 11, 2023 and your staff told me it would be ready in 10 days. I made several trips to the probate court to get the file after 10 days but I was told over and over again the file wasn't ready. I wrote a letter on November 13, 2023 clearly stating my frustrations with the file after one month. I had already improvised by the time you made the file available. I no longer needed this file at the time you made it available. You stated on the bench that your staff didn't tell me to come back after 10 days. This was a misrepresentation!

It's an abuse of office to set a hearing before you serve criminal summons. You are both the judge and the complainant. You are clearly violating my civil and due process rights.

I know even after making the payment you will find other reasons to continue to pursue me.

Accordingly, the hearing you scheduled for June 5, 2024 Violates my due process rights.

Please cancel the hearing you scheduled for June because after serving me with summons, you need to give me, according to the law, 30 days to respond. After which I intend to depose your staff about what transpired and what you stated on the bench on April 15, 2024.

I also need to depose you as the complainant in this case in regards to the statements you made on the bench that were complete misrepresentation of the facts.

I filed a lawsuit against you in the Circuit court for extortion in regards to this invoice but because you have the power to do anything, you went ahead and issued an illegal order commanding me to pay this invoice knowing very well that you have a case in the circuit court to answer.

About service, if you still intend to pursue it after invoice is paid, tell your law enforcement to schedule an appointment with me, I will be able to receive service on appointment. Let them send me an email to schedule service.

Thank you.

How did it get violated?

Chase,

I'm disturbed by this email accusing me of violating a gag order. Firstly, I have not received a copy of the order itself. I have been waiting for a copy to show up in the mail as I was not provided a copy while leaving the courthouse or Jail. Secondly, I have never discussed this case with anyone since I returned from Jail. I have been busy with my appeal brief.

I was told that it's the attorney for the respondent that has complained. How did he file this complaint without copying me? What exactly did I say that violated the gag order? Where did this violation take place and with whom?

I need the above questions answered in the affirmative.

Thank you.

Jason Boyle

Chase,

I visited the court and received a copy of the Order of release. I have some questions regarding the order. Who is the appropriate person to ask?

Thank you,
Jason

Mr. Boyle,

Good afternoon, I have relayed your communications to Judge McIntosh. He has asked that any questions that you have regarding the order should be put in writing and all parties should be copied. When the questions are received, he stated that he will respond if a response is appropriate. Thank you.

Respectfully,

When the order says no speaking publicly about this case, is that the appeals case, the probate case or both?

I took down all of my social media posts that were up from before i was incarcerated. Was i required to do that?

If i say I am out on a PR bond or that i have a hearing on July 31st, is that breaking the order?

I was under the impression that a gag order meant the details of the case that are to be litigated. This order says do not discuss the case publicly. Does that mean don't even discuss the existence of the case?

Thank you,

Jason

Chase,

These questions were never answered. I believe an answer to these questions is appropriate and necessary.

Thank you,

Again, the appeal issue was part of the agreement. If it is your intent to appeal, you have every right to do so, however, it violates the agreement and it was stated in court that the appeals were to be removed. It was proper to remove Item 13 from the order/agreement, you indicated that was fine. Also, on the day of appointment as PR, it was reiterated to you again in which you agreed and stated that would not happen.

A hearing will be scheduled soon to determine the status of the personal representative.

It also appears that you fiancé may have picked up the wrong documents. Further, your fiancé will no longer be allowed in the probate office or lobby area. He was here with your/his child waiting on documents and he took it upon himself to interrupt a judge in the lobby while she was speaking with someone on a separate estate issue. He was offering that person legal advice on what and what not to do and even encouraged him not to listen and come outside and speak to you, that you knew all about probate and you could help him. This is illegal and giving legal advise and acting as a non-licensed attorney. For this reason, he will no longer be able to enter the probate offices and or lobby area.

Thank you!
