Re: *D & C Builders, Inc. v. Richard M. Buckley, et. al.*
Appellate Case #: 2013-001645

Dear Ms. Hiskell:

On July 29, 2013, I sent you the attached request for a transcript of the hearing on the Plaintiff's Motion to Disqualify in the above referenced matter. The hearing occurred on July 8, 2013 before the Honorable Edward W. Miller at 9:30 am. In that letter, I also advised to please let me know if you required payment in advance. As of today, I have yet to receive the transcript or notification of any advance payment you require.

I believe the time period allowed under the appellate court rules to provide the transcript would have passed by now, therefore, I would appreciate if you could provide me the transcript or advise as to when the transcript will be provided. As before, should you require prepayment, I will be happy to get that to you immediately upon notification of an amount. If you have not mailed the transcript but have it ready, please let me know along with the amount due and I will be glad to arrange for my runner to come pick it up and drop off payment.

Thank you again in advance for your assistance. Should you need further information or have any questions, please do not hesitate to give me a call.

Sincerely,

Brian A. Martin
