Good afternoon,

The parties received the attached order this afternoon in response to the Joint Consent Motion for Extension of Time for All Respondents to File Petition for Rehearing filed on 8/1/2025. The order states that the deadline is extended until August 14, 2025; however, that was the original deadline. We are trying to ascertain whether the motion was granted but the new deadline was misstated, or whether the motion was denied.

Please let us know if we need to submit some type of formal motion or letter seeking clarification of the order.

All counsel of record are copied on this email.

Thank you,  
Emily
