Mr. Wallace responded to the deficiency letter yesterday and hopefully the deficiencies identified by the court have been cured.

Good morning.

In lieu of Appellant's motion to withdraw his Initial Brief (filed July 21, 2025) and Appellant counsel's motion to withdraw as counsel, the undersigned (counsel for Respondent) simply seeks clarification as to a deadline, if any, for any necessary filing of Respondent's Initial Brief. Further, Respondent has received no further written communication or service from Appellant's counsel in response to the deficiency letter issued by the Court of Appeals on July 31, 2025.

Any insight or guidance on how to proceed to obtain such deadlines would be greatly appreciated.
