Notice of Hearing re: Motion for Summary Judgement filed April 13, 2023191

Savannah, GA. 31401

Sept. 5. 2020

To the Court of Commom Pleas

Civil Action No. 2020-CP-0701507

This is a complaint concerning land that I, Carrie Gaston Henderson, own and there is an attempt to illegally take my land away from me. The land in question is 60 Gaston Plantation Road, Okatie, S.C 29910. I have the original deed to this land and I am sending a copy.(See Enclosed).

The deed that James Reid and Sarania Reid have, cannot be a legal deed because Attorney Dore forged information on said deed.

My great grand parents, Cain Knox and Sinda Knox bought the 41, plus 74 acres of land in question and this land has been in my family every since. I have the original deeds and I am sure that someone other than me knows that the deeds were illegally altered and sold to make a profit. That someone is Attorney Dore and others who illegally altered the deed and sold land.

Attorney Louis O. Dore was my father, Cicil J. Gaston's attorney on the quiet title Action during the years of 1981-1982. (During this time timber was cut and sold.) As Attorney Dore was my Father's attorney, he should not have been allowed to work with Cunningham Real Estate. Dore was also the attorney for my three cousins, Doris Green, Willis Floyd and Joe Louis Green, Jr. Fact remain how can Dore move from one person to another so quickly. When I realized this, I asked the court to remove Dore from this case and my request was granted because of conflict of interest. (See copy of this request and copy of judge's request was granted) Nevertheless, Dore had already changed the deed and sold the land and now I am trying to save my land with very little help from the court system because of previous illegal actions.

I want an impartial attorney to review my case and do the right thing so that all parties will have justice and peace.

Sincerely,

Carrie Gaston Henderson
