Re: Teslenko v. Kocsis
Appellate Case No. 2024-001734

Dear Ms. Kitchings:

On July 28, 2025, I filed a motion requesting leave to exceed the page limit for my amended initial brief. On July 15, 2025, the Court granted my request to amend my initial brief and ordered that it be served and filed within 30 days of that date.

I respectfully request written confirmation of the exact date by which my amended initial brief will be due, regardless of whether the Court grants my request to exceed the page limit. This will ensure that I can comply fully with the Court's scheduling order and avoid any inadvertent delay.

For ease of reference, I have attached clocked copies of my July 28, 2025 motion to exceed the page limit and the Court's July 15, 2025 order granting leave to amend my initial brief.

Thank you for your attention to this matter.

Respectfully submitted,

Dated: **August 11, 2025**

/s/ Olga Teslenko
