**THE STATE OF SOUTH CAROLINA
In the Court of Appeals**

APPEAL FROM HORRY COUNTY
Court of Common Pleas

The Honorable Dale Van Slambrook, Circuit Court Judge

Appellate Case No. 2024-001734

Olga Teslenko, Appellant,

v.

Joe Kocsis and Carpet King & Flooring, Respondents.

MOTION TO EXCEED PAGE LIMIT

Appellant respectfully moves this Court, pursuant to Rule 208(b)(1), SCACR, for leave to exceed the 50-page limit for the amended initial brief to be filed in this appeal. In support of this motion, Appellant states as follows:

1. The default page limit for briefs. under Rule 208(b)(1), SCACR, is 50 pages unless otherwise ordered by the Court.
2. Appellant is currently preparing a pro se amended initial brief that seeks to address multiple, distinct issues and instances of fraud that occurred in the magistrate and circuit courts. These issues include judicial fabrication of evidence, spoliation of the trial record, concealment of findings, improper exclusion of evidence, and a cascading denial of due

process at every stage of litigation.

3. The amended brief consolidates and streamlines Appellant's arguments to the greatest extent possible, but due to the complexity, number, and seriousness of the issues involved, Appellant cannot adequately present them within the default 50-page limit.
4. Appellant requests leave to file an amended brief not exceeding ****85 pages**** in total. This extension is necessary to preserve all meritorious claims and to support them with the factual and procedural specificity required for meaningful review.
5. Appellant is proceeding in good faith, and this request is made not for delay, but in the interest of justice. No party will be prejudiced by the requested number of pages.

WHEREFORE, Appellant respectfully requests that this Court grant leave to exceed the 50-page limit and permit the filing of an amended initial brief not exceeding 85 pages.

Respectfully submitted,

Dated: July 28, 2025
