Counsel and Honorable Justice Kitchings:

As an update to the status of this transcript, it is nearing the end stages of completion. I anticipate having it delivered by the end of next week 8-22-25.

As we are all aware, this was a very lengthy and complex trial and the transcript production is taking longer than expected.

Additionally, the court reporters are in court almost all day every day. Transcript production is done after hours and on weekends which also delays the process.

Thank you for your patience and understanding.
