Dear Court of Appeals,

I was writing regarding the current motion we have filed regarding the above case. We wanted to put in writing regarding the oral comments we recently made to the case workers about the appeal brief.

We wanted to ask that we get similar treatment to the Respondent in this case in that the deficiencies that exist as they relate to ACR 208 be corrected before we can file the reply brief. The reasoning is because Respondent provided many factually inaccuracies in Statement of the Case and the Argument section. He also goes on to discuss ethics that have nothing to do with my appeal, or do they belong in the Argument Section per ACR 208..Therefore we request these deficiencies be corrected before we file a Reply Brief which we still intend to do.

Thank you for your consideration,

Christopher A. Pierce  
Ex Parte Appellant

PS. Mr. Jewell Appellant also agrees with this position as well
