RE: Beverly Robinson v. Home Depot, Inc. and Liberty Mutual Ins. Co.  
Appellate Case No. 2013-001471

Dear Ms. Kitchings:

I am in receipt of the Court's October 21, 2013, inquiry as to the status of the hearing transcript requested for this appeal. As indicated in my September 16, 2013, letter, the transcript was requested of court reporter, Kathryn Bostrom, on July 11, 2013, but has not been received.

On October 14, 2013, the court reporter e-mailed to advise that she had not received the request for transcript timely due to a change in her e-mail address, but that she would prepare the transcript expeditiously. Today, the court reporter indicated by telephone that the transcript will be provided within the next week.

Please do not hesitate to contact me should there be any questions or concerns regarding this matter.

Sincerely,  
  
Frank A. Barton
