Re: Record on Appeal, Volume VIII
Plant v. IMI Fabi (Diana), LLC, Appellate Case No. 2024-001997

Dear Madam Clerk:

After filing the Record on Appeal, counsel has identified a handful of materials (1) that were inadvertently omitted from the Record; (2) incorrect versions of which were inadvertently included in the Record; or (3) containing unintentional redactions, rather than the intended highlighting, that were included in the Record. We have compiled these additional materials and the corrected, unredacted versions of the previously-submitted materials into the attached Volume VIII of the Record, which we are filing with the Court and serving on all counsel via this email. For the Court's reference, Volume VIII includes:

- An additional page of the trial transcript;
- Corrected versions of Plaintiffs' Trial Exhibits 70 and 71 (these replace Record Pages 723–801, which should now be disregarded); and
- Unredacted versions of Exhibits 5, 7, 10, 12, and 14 that accompanied the Plaintiffs' Motion for a New Trial (these replace Record Pages 1616–51, 1667–98, 1733–83, 1799–1823, and 1857–65, which should also now be disregarded).

Best regards,

/s/ M. Todd Carroll
