RE: Michael Perry v. American International Industries., et al.
Appellate Case No. 2025.000065
NMRS File No. 003501.01982

Dear Ms. Kitchings:

Appellants respectfully request a 10-day extension to file their initial reply brief and any supplemental designation of matter in the above action. This is Appellants' first request for an extension of these deadlines. The request is premised on numerous other deadlines and work obligations in other matters, including an upcoming date certain trial beginning September 22, 2025 that is expected to last two weeks.

Appellants' current deadline is September 1, 2025. If the Court grants this extension, the Appellants' initial reply brief and any supplemental designation of matter would be due **September 11, 2025**.

Our check in the amount of \$50.00 will be hand delivered to the Court via separate cover. The undersigned asks that the current deadline be held in abeyance as the Court considers this request. Thank you for your consideration.

With kind regards, I remain,

Very truly yours,

s/ Blake T. Williams
