SC Court of Appeals

---

**MOTION FOR EXTENSION OF TIME AND REQUEST FOR CLARIFICATION OF COURT'S ORDER**

TO THE HONORABLE COURT:

Now Comes Lois Seaborn, pro se, who respectfully moves this Honorable Court for an extension of time to secure counsel, and respectfully requests clarification of the Court's Order regarding the specific duties and obligations expected of counsel who may undertake representation in this matter.

**GROUND FOR EXTENSION**

1. **Good Faith Efforts to Secure Counsel:** Movant has diligently sought qualified appellate counsel to represent her in this matter and has consulted with multiple attorneys regarding potential representation.
2. **Need for Clarification:** The attorneys consulted have expressed uncertainty regarding the scope of representation and specific obligations that would be required under the Court's Order. This uncertainty has prevented potential counsel from making an informed decision about undertaking representation.
3. **No Prejudice:** An extension will not prejudice the opposing party, as this request is made to ensure proper legal representation and compliance with the Court's directives.

**REQUEST FOR CLARIFICATION**

Movant respectfully requests that this Court provide clarification regarding its Order, specifically:

1. **Scope of Representation:** What specific duties and responsibilities would be required of counsel entering an appearance in this matter?

2. **Procedural Requirements:** Are there particular procedural steps or filings that counsel would be expected to complete beyond standard appellate practice?
3. **Time Limitations:** What deadlines would apply to newly retained counsel, and would additional time be granted for counsel to review the record and prepare necessary filings?
4. **Existing Record:** Would counsel be required to review and address all prior proceedings, or would representation be limited to specific aspects of the case as outlined in the Court's Order?

**PRAYER FOR RELIEF**

WHEREFORE, Movant respectfully requests that this Honorable Court:

- A. Grant an extension of time to complete required action;
- B. Provide clarification regarding the specific duties and obligations expected of counsel in this matter as set forth in the Court's Order;
- C. Grant such other and further relief as this Court deems just and proper.
