Appellate Case No. 2024-000322

ORDER

Appellants filed a motion asking this Court to withdraw its order issuing the remittitur. The Court of Appeals has not issued the remittitur in this matter, and a petition for writ of certiorari is currently pending at the Supreme Court under appellate case number 2025-001149.

From our review of the public index, it appears that this Court's March 26, 2025 opinion and June 6, 2025 order denying rehearing were docketed with the title "remittitur." These entries have been corrected in the trial court's Case Management System. No further action will be taken on this motion.

Appellate Case No. 2024-000322

ORDER DENYING PETITION FOR REHEARING AND LIFTING STAY

After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

By order dated May 8, 2024, the trial court issued a stay of enforcement of the judgment in this matter. The terms of the order provide that it will remain in effect until further order of the court or until the issuance of the remittitur from any appellate court. Having fully adjudicated the merits of the appeal and having

affirmed the decision of the lower court, the Respondent's motion to lift the stay is hereby granted.
