RE: *Emad Tadros, M.D. v. Holder Properties, Inc.*  
*Appellate Case No.: 2022-001434*  
*Our File No.: 4000-0007*

Dear Ms. Kitchings:

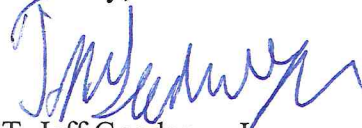

I am writing pursuant to the Court of Appeal's order dated November 6, 2023 directing the parties to update the court every 30 days on the status of the remand order dated requiring the trial court to attempt to recreate the record.

A hearing was held on June 17, 2025 before Judge Newman on Respondent/Defendant's Motion for Reconstruction of the Record. It was determined during the hearing that although each inaudible section of the record was not gone through, it was suggested that the parties request the audio recording and proceed that way. Judge Newman has not yet filed a Form 4 regarding the June 17, 2025 hearing.

I received an email today from opposing counsel stating they are awaiting the transcript from the June 17<sup>th</sup> hearing to be sure that the proposed order matches Judge Newman's orders. Their office recently followed up with chambers but have yet to receive the transcript. They will upon receipt of the transcript finalize the order and circulate it for review and execution.

Please contact me with any questions at this time.

Sincerely,

T. Jeff Goodwyn, Jr.
