Okay. Bear with me. This credit card system is new to me, so I apologize if you get a duplicate. But I have attached the invoice here that can be used to pay online with a card. Let me know if you have any trouble with it.

Thank you.

Okay, can you send the invoice for the credit card processing? I'll get them to pay it right away.

I set up credit card processing, so I could take a credit card payment but there would be a processing fee of about \$25 for that amount. if she still wants to do this, let me know and I'll send an invoice with the link to be able to do that.

Thank you.

I think she can do cash next Thursday or Friday. The transcript was ordered, I think, a month ago, so I think I'm okay on the timing, but I'll check. Either way, I should be able to get you paid by next week.

Mr. McKaig,

Unfortunately, I don't have that capability with my current setup. If she'd like, I can take Venmo. If she'd like to do this, my Venmo is [@Bickett, Jamie](#)

Let me know what she decides.

Jamie,

My client is asking if she can pay by credit card. Is that possible?

Ryan

Mr. McKaig,

I received your request for a quote to prepare the transcript of the 5-day trial for Michael Whitlock starting 05-20-24. This transcript has already been prepared, your cost to receive a copy would be \$835. Please advise how you would like me to proceed.

Thank you.
