Appellate Case No. 2024-001725

ORDER

On July 7, 2025, Appellant filed the record on appeal. On July 8, 2025, Respondent filed a motion seeking an order directing Appellant to consecutively number the pages of the record on appeal and to amend the record on appeal to include Respondent's designation of matter, which Respondent acknowledges she failed to file with her initial brief. Appellant filed a return, opposing the motion and arguing the record on appeal is numbered and contains the matter designated by Respondent. After careful consideration, Respondent's July 8, 2025 motion is denied. Respondent shall serve and file her final brief within ten days of the date of this order.

A handwritten signature in black ink, appearing to be 'OAK' with a long horizontal stroke extending to the right.
