MOTION FOR RECONSIDERATION  
OF WRIT OF SUPERSEDEAS

---

Having received the notices of the Order from the Court of Appeal until August 29, 2025 denying the Motion for Supersedeas for a hearing remanded on July 17, 2025, after filing the Motion for Supersedeas August 28, 2025 and Amending August 29, 2025. Upon receiving that Order, I am filing a Motion for Reconsideration under Rule 221 and/or Rule 240 (I) (J). The notice of the Order from the Circuit Court was received about August 22, 2025.

INTRODUCTION

Motion to Alter or Amend Order Granting Injunctive Relief from Hearing May 28, 2025 in the Circuit Court was Filed August 4, 2025 but has not been Ruled. The Amendment to this Order is valuable to this case. I am not a tenant. The Respondents reported to the Magistrate that they did not receive rent since 2002- 2023. I claim adverse possession. The Respondents stated in the Motion for an Injunction that the Appellant (Plaintiff) was a former renter.

A Motion to Compel a Ruling on the Motion to Alter or Amend was filed on August 27, 2024 along with a Motion to Amend or Alter Order Granting of an Appeal Bond. Neither have received a ruling. The Injunctive Relief was based upon false and misleading information and should have not been granted.
