MOTION TO SUPPLEMENT AND CORRECT RECORD ON APPEAL

(Appellants' Motion Pursuant to Rule 209(c), SCACR)

Defendants-Appellants, appearing pro se, respectfully move this Court to accept the attached Corrected Designation of Matter for Record on Appeal pursuant to Rule 209(c), SCACR.

Appellants timely filed a Notice of Appeal in this matter. Appellants' prior designation of matter did not itemize certain pleadings, motions, exhibits, and orders with the specificity required by Rule 209(c).

Appellants now submit a corrected designation listing each document, order, exhibit, and transcript to be included in the Record on Appeal. This request is made in good faith and without intent to delay, to ensure the appellate record is complete and accurate.

GOOD CAUSE STATEMENT

Appellants respectfully show good cause for this Motion. The omission in the original Designation of Matter was unintentional and the result of a prose misunderstanding of the specific requirements of Rule 209(c), SCACR. Appellants timely filed their Notice of Appeal and have diligently participated in all proceedings.

This Motion is made promptly upon recognition of the deficiency, and no prejudice will result to Respondent because all documents listed in the Corrected Designation are already part of the lower court record. Allowing supplementation will ensure that the appellate record is complete, accurate, and enables this Court to review the issues on their merits rather than on a procedural technicality.

Accordingly, Appellants respectfully request that this Court grant leave to supplement and correct the Record on Appeal in the interest of justice and fairness.

Respectfully submitted,
