RE: *Bernard Bagley, #175851 v. Palmetto Richland Hospital Prisma Health*
Appellate Case No. 2025-000378

Dear Ms. Kitchings:

As you are aware, my Firm and I represent Respondent Palmetto Richland Hospital Prisma Health (Prisma Health) in the above matter. We received a copy of correspondence from Appellant which was filed with the Court dated August 20, 2025. In that correspondence, Appellant requests that due to Respondent having not filed a brief, the Court provide a disposition. Respondent believes no deadline has passed for any briefing, and as such, seeks clarification from the Court.

Our present understanding of the posture of this matter is it was held in abeyance until the Court ruled on Appellant's Motion to Reinstate the Appeal. While the Court granted that Motion yesterday on August 25, 2025, we understand that no transcript has been received yet. Due to the fact the running of timelines for filing initial briefs starts with receipt of the transcript, Respondent believes no such briefing deadlines have passed yet due to the transcript not having been received as of August 5, 2025 per C-Track.

Accordingly, we respectfully request the Court's clarification as to any applicable briefing schedule in this matter while we await notification that a copy of the transcript has been received.

If the Court requires anything further or you have any questions, please do not hesitate to contact me. We appreciate the Court's time and consideration of this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ashwin Sanzgiri".

Ashwin Sanzgiri

The Honorable Jenny Abbott Kitchings
