SC Court of Appeals

ORDER

Petitioner has filed a motion for an extension to file a petition for a writ of certiorari in this matter. Because Petitioner has not filed a petition for rehearing from the Court of Appeals' substituted opinion, this Court may not entertain a writ of certiorari and this Court is constrained to deny the motion and dismiss the matter. *See* Rule 242(a), SCACR (providing this Court will only review a final decision of the Court of Appeals); Rule 242(c), SCACR (providing a decision of the Court of Appeals is not final for the purposes of review until a petition for rehearing or reinstatement has been acted on by the Court of Appeals).
