

The South Carolina Court of Appeals

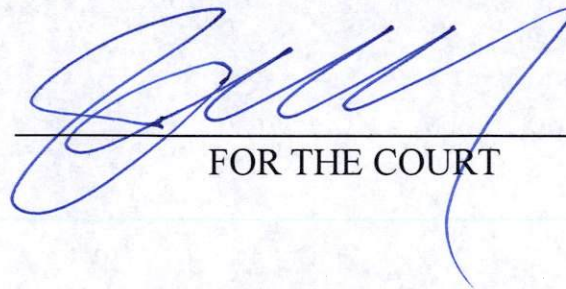

In the Matter of Jason Michael Boyle, Appellant.

Appellate Case No. 2024-001241

ORDER

On August 1, 2025, Appellant filed a motion to expedite. No return was filed. A motion to expedite is generally premature if made before the record on appeal and final briefs are filed. *See Maner v. Maner*, 278 S.C. 377, 380, 296 S.E.2d 533, 535 (1982) (explaining that motions to expedite were premature in cases where the briefs remained outstanding). Because the parties have not served and filed the record on appeal and final briefs, Appellant's motion to expedite is denied without prejudice.

On August 4, 2025, Appellant filed a "motion for referral to disciplinary counsel and expedited review." He also filed a supplement to his motion. No return was filed. After careful consideration, we deny Appellant's motion.
