RE: South Carolina Department of Labor, Licensing and Regulation, State Real Estate
Commission, Respondent, v. Vanessa Patrick, Appellant
Case No. 11-ALJ-11-0168-AP

Dear Ms. Patrick,

I am writing in response to your letter dated April 17, 2012, where you request a videotape of the board proceedings from February 16, 2011. Although we do tape some of our meetings, we do not tape all of our meetings. Only two of our board rooms are equipped to videotape, and most boards do not utilize videotaping. All of the past board meetings that are videotaped are located on our website. Since we began videotaping back in 2008, only two Real Estate Commission meetings have been taped. I also checked with the board administrator, Advice Counsel for the Board, and the attorney who handled this case prior to me to ask if a videotape existed. All said that there is no video of the meeting. I also urge you to look on our website at <http://www.llronline.com/granicus.asp> so you can see a list of our archived meeting videos.

If you have any additional questions, please let me know.

Sincerely,

Melina Mann
General Counsel
