July 31, 2025, Re: The Honorable Jenny Abbott Kitchings & Deputy. I receive your notice July 19, 2025. Yet in hope the court Justices grant Appellants appeal. In prayer to: Kingdom of God & Son at Their WILL & guide of blessings upon all related to this case & subject matter.

1. Appellant re-affirms this case is based entirely on fact of Facially Unconstitutional acts by state of SC agents @ extortion of office (Chevron Doctrine) & acts by the lower courts lack of jurisdiction , discrimination & deprivation of Rights, in malice.
2. Inferior courts allege summon is fraudulent & not of SCCROP, and lacks all jurisdiction in acting above its limits.
3. Appellant affirms all filings to this court are of **FACT**. For JURY.
4. Appellant in common law @ Admiralty & UCC 1-308, 1-103.6, rule as legal & law, yet is: Constitutionally being denied by the judiciary of S.C., while representing respondents **acts** totally.(?)
5. Fact, courts action without jurisdiction makes all or any related of entirety become null and void as with this subject matter.
6. Therefore to argue a matter dead in law (jurisdiction) further is not relevant. Again: Is Appellant on trial due to Proper status?
7. Maybe not understanding 210 c rule, but Appellant in good faith absolutely believes designation matters are Constitutionally full.
8. Attach is 1<sup>st</sup> show cause affidavit on the inferior court and should have ended this Facial Unconstitutional act with prejudice. Also, attach is Appellant's standing adverse possession affidavit that this court should order as fact: **Interest** (Trust) title ownership.
9. AGAIN appellant invokes the entirety of entitled Rights by: The Constitutions of these United States & South Carolina, and specifically Preamble and Bill of Rights.
10. In hope: Kingdom of God & Son, graces be over this U.S. Nation and S.C. State again & as soon as His WILL allows, **if** \_ \_ \_ \_.(?)
11. Shall it please the court: Correct this wrong against Appellant and exclusively final this process by: GRANT of APPEAL. End.
