SC Court of Appeals

Court of Appeals of South Carolina

Case No.: 2024CP4601346
Appellant: Kong Jian Lin
Respondent: Lin Yi Tong (Tony Lin)

Motion to Subpoena Witnesses

Honorable Judge:

I, the Appellant in the above case, respectfully move this Court to issue subpoenas requiring the following individuals to appear and testify as witnesses in order to ensure fairness and to establish the truth of the case:

- 1. Detective Eddie Wong** (York County Sheriff's Office)
Reason: Detective Eddie Wong had direct involvement with the Respondent during the case and possesses critical evidence (including recorded materials). His testimony is essential to reveal the truth of this matter.
- 2. Clerk Donna Foster** (York County Court)
Reason: Clerk Donna Foster engaged in improper handling of case procedures, which directly affected the fairness and progress of the case. Her testimony is necessary for the Court to verify the facts.

For the above reasons, I respectfully request the Court to issue subpoenas to compel both witnesses to testify in this case.

Respectfully submitted,

Appellant: 
Kong Jian Lin
Address: 2357 Harvester Ave, Fort Mill, SC 29708

Respondent: Lin Yi Tong (Tony Lin)

² Motion

Honorable Judge:

I am the Appellant in the above case. In order to ensure fairness and justice in these proceedings, I respectfully file the following motion:

Request:
(Here, write clearly what you are asking the Court to do. For example: " To set a hearing date and notify both parties," or " To allow me to submit additional evidence," or " To order an investigation into procedural irregularities")

Reason:
(Here, explain why. For example: " This case has not been fairly addressed, and in order to establish the facts and protect my legal rights, it is necessary for the Court to grant this request.")

For the above reasons, I respectfully request the Court to grant this Motion.

Respectfully submitted,

3. Criminal Evidence Against Tony:

- 1) Tony deceived the insurance company by assisting employees in faking work-related injuries (P-11).
- 2) Tony taught employees how to deceive the insurance company (P-15).
- 3) Tony deceived the police, falsely claiming no involvement with the insurance company (P 16-19).
- 4) Tony denied deceiving the insurance company (P-11).
- 5) Tony denied instructing employees on how to deceive the insurance company (P-15)..
- 6) Surveillance video evidence (P-13).
- 7) Tony has lied (P-9).
- 8) Tony's secretly recorded videos serve as criminal evidence.
Tony claimed these were fakes; why deceive the insurance company? (P 5-8).
- 9) Tony lied to the police, and the police report contains multiple false statements from him, where he denied the truth and misled the investigation. Why was the truth not investigated further?
- 10) Tony violated the court summons and disrespected the dignity of the court, undermining its authority. These crimes should be judged by the court, and Tony should be ruled against, losing everything. I seek judgment in favor of the victim, and I request the judgment transcript. Over eight months have passed, yet the court has not arranged a hearing regarding Tony's violation of summons and compensation for damages. Why has a hearing been arranged only for the restraining order, rather than the violation of the summons? The victim deserves justice.
(Tony violated the court summons two and a half times.)
Why didn't Inspector Eddie Wong investigate(the truth)?
