"This cover sheet comes to you in regards to a filing (which I was not specifically invited to, I don't believe but have an absolute right to "Crash", where only I am at peril in a/an Unconstitutional Deprivation of Due Process Rights & "Miscarriage of Justice" by Numerous Evil doers!! The Enclosed: "Default Judgment Order, & Order for Directed Verdict as Law Demands" also has a "Reversal of Conviction Demand", Regarding my July 17th 2025 filing (60 pgs), & my August 10th 2025 filing (26 pgs) which the state is in Default on & Under Rule 24a Appellate Rules: "stand as Fact", & are irrefutable unchallengable, & unarguable because of their Never being: "Adjudicated" in the time required by law to have challenged them!"

I ask that you please make sure that the S.C. Supreme Court receives a Certified as Original Copy of these currently mentioned filings of substantial Due Process of law & facts for the Courts benefit, also I would appreciate copies sent to the state & also Judge Sprouse, My attorneys John, Duncan, David Weiss, Josh Kindrick, & Gretchen Swift. Again thank you for your time, & Patience, & your help.

P.S. I also need a Copy of all enclosed documents for my Records. Thanks.

Sincerely Jan Dods 2/1/25
