Greeleyville, S.C. 29056  
(843) 372-5769

*Pro Se Appellant*

The Intervenor/Appellant Cheryl O. Lane (“Appellant”) hereby submits her Second Motion for Extension to file her initial brief and designation of matter on the following grounds: as a *pro se* litigant before the South Carolina Supreme Court, she wishes for thirty (30) more days from today so that she can continue to streamline and bolster her legal arguments. Additionally, the *pro se* litigant is a plaintiff in a current FOIA lawsuit against Williamsburg County, the county site of this proposed 249 MWac utility scale solar project. The ongoing process of discovery and final ruling could substantially affect preparation of her initial brief, particularly a completed (fully executed) copy of the Special Source Revenue Credit Agreement which has not been made available to the Plaintiff to this date in Case Number **2025CP4500074**.

Respectfully submitted,

s/ Cheryl O. Lane
