

The Supreme Court of South Carolina

William Smith, Petitioner,

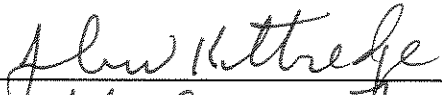

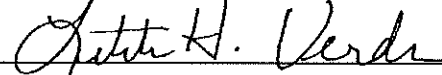

v.

State of South Carolina, Respondent.

Appellate Case No. 2025-000513

ORDER

Petitioner filed an amended notice of appeal from the final order of dismissal of his application for post-conviction relief (PCR). We construe the filing as an explanation required by Rule 243(c), SCACR. Petitioner has failed to show that there is an arguable basis for asserting the denial of his PCR application was improper. Therefore, we dismiss the notice of appeal pursuant to Rule 243(c), SCACR. The remittitur will be sent as provided by Rule 221(b), SCACR.
