Christopher A. Pierce, Appellant,

v.

Foxwood Hills Property Owners Association, Respondent

. Appellate Case No. 2025-001453

Dear South Carolina Appeals Court,

I am writing in regard to the Order dated August 19, 2025 in which it stated my request for Informa Pauperous was denied. In another case Christopher A. Pierce v Linda Torri I also had the same result. I appealed that decision for clarification and thought this case would also be reviewed for clarification as well and therefore did not send the filing fee (but sent \$50 motion fee for other case). But in the other case 2025-0001211 the matter was still under review so thought this case would be the same. This was a mistake and a false assumption I made. Therefore I request that I be allowed to have my case reinstated with acceptance of the filing fee within 30 days of this date due to a mistake and false assumption. I will also send a \$50 motion fee by mail for this request in the next 3-5 days.

Thank you for your consideration of my request,

Christopher A. Pierce
