

The South Carolina Court of Appeals

Professional Financial Services, Respondent,

v.

Tremaine Golson a/k/a Tremaine D. Golson and Brittney
L. Greene a/k/a Brittney L. Golson, Appellants.

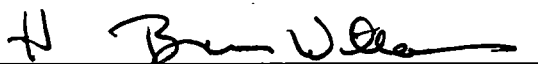

Appellate Case No. 2025-000397

ORDER

On June 4, 2025, Appellants filed a record on appeal. On June 6, 2025, Respondent filed a motion objecting to the record on appeal and seeking an order from this court requiring Appellants to file a corrected record on appeal that was paginated, with documents arranged as set out in Rule 210(c) of the Appellate Court Rules, and that contained the final order granting Respondent's motion for summary judgment. On August 6, 2025, the court struck the June 4, 2025 record on appeal and ordered Appellants to file an amended record on appeal within ten days. On August 8, 2025, Appellants filed a motion to extend "the deadline for any further required appellate filings or actions related to the stay, to allow adequate time to address the bond requirement." Respondent filed a return, objecting to any extension of time sought for posting the bond. On August 18, 2025, Appellants filed an amended record on appeal. On August 22, 2025, Respondent filed a motion to dismiss, arguing the amended record on appeal fails to comply with this court's August 6, 2025 order. In the alternative, Respondent seeks an order requiring Appellants to file a corrected record on appeal.

After careful consideration, we deny Appellants' motion to extend the deadline to comply with the bond requirement. Further, we deny Respondent's motion to dismiss; however, we strike the August 18, 2025 record on appeal because it does not comply with the South Carolina Appellate Court Rules or this court's August 6, 2025 order. Appellants shall serve and file a second amended record on appeal within ten days of the date of this order or the appeal will be dismissed. The second amended record on appeal shall include all matter designated by

Respondent, including any exhibits attached to designated pleadings, and comply with Rule 210 of the South Carolina Appellate Court Rules. *See* Rule 210(c), SCACR ("The Record on Appeal shall include all matter designated to be included by any party under Rule 209 and shall comply with the requirements of Rule 267. The Record shall not, however, include matter which was not presented to the lower court or tribunal. Matter contained in the Record on Appeal shall be arranged in the following order: the title page, index, orders, judgments, decrees, decisions, pleadings, transcript, charges, and exhibits and other materials or documents. Each page of the Record on Appeal shall be numbered consecutively beginning with the index.").
