RE: Requesting a rehearing

Ms. Claire:

I am writing you this letter in regards of me requesting for a rehearing because my appeal of my plea conviction was dismissed, because petition filed to show appeal was in timely. But Ms. Claire, i have giving you everything i had and i also asked if there was anything else that was needed i wanted you to let me know. I do understand thats not your job to do that but i did stated i needed help because i had a lawyer who wouldn't help me.

So the reason for this rehearing because i did show that my appeal was put in timely and i served the attorney general twice with the appeal, also i showed the proof of service mailed to the attorney general office and my sentence papers was mailed in before the dead line was up. Anything else that was needed, i wasn't aware of. So im respectfully request that the court will grant me a rehearing to my dismissed appeal.
