Re: Holtzclaw, Jerry v. Waldrep, Dennis
Appellate Case No. 2012-207852

Dear Ms. Allen:

I am in receipt of Appellant's Amended Record on Appeal. It still does not conform to various requirements as to form. It also continues to include matter which was not designated by either party, and to exclude matter which was designated for inclusion. Small portions of the trial transcript designated by Respondent and left out of the original record on Appeal have now been included. However, most of the missing portions of the transcript cited in Respondent's pending Motion to Dismiss and Memorandum are again not included in the Amended Record. Accordingly, the Amended Record on Appeal remains insufficient to allow for the proper preparation and presentation of Respondent's Final Brief.

In view of the uncertainty of the status of the Record on Appeal, I would respectfully request that you inform me if and when a proper Record on Appeal is received and accepted so that I will know when a Final Brief will be due.

Thank you for your efforts in this matter.

Very truly yours,

William C. Hood
