Re: Carolina Neurosurgery & Orthopedics, Inc., Appellant v. Michael A. Maucher, Esq.
and DeLuca & Maucher, LLP, Respondents
Appellate Case No. 2025-001304

Dear Ms. Harrison:

Our firm represents Carolina Neurosurgery & Orthopedics, Inc. in this appeal. Please allow this letter to serve as our response to the Court about the status of transcripts, as requested in this Court's letter dated September 4, 2025.

Amy Kelly, our paralegal, spoke with Jacqueline in your office today about the Court's September 4, 2025 letter. Ms. Kelly's recollection of the conversation is that Jacqueline indicated that we did not need to provide any more information about transcripts other than Ms. Kelly's email, dated and filed with this Court on September 9, 2025.

Our appeal requires three transcripts from hearings held on March 31, 2025, March 3, 2023, and March 3, 2022. Out of those transcripts, we have received one transcript—the March 31, 2025 transcript. Ms. Kelly's September 9, 2025 email was following up with Court Administration on the status of the transcripts for hearings held on March 2, 2022 and March 3, 2023.

Once we receive the transcripts for these two hearings, we will promptly notify the Court so that the briefing scheduling may begin.

Please let me know if you have any questions. Thank you for your assistance.

Very truly yours,

Bess J. DuRant
