Good afternoon,

Please find attached for filing Respondents' Motion to Strike certain parts of Appellant's Designations of Matter to be Included in the Record on Appeal and instructing Appellant to file and serve an Amended Initial Brief complying with the South Carolina Rules of Appellate Procedure, and staying the current deadlines until this motion is ruled upon with five (5) exhibits along with proof of service. The filing fee will be mailed to the Court today.

Given the non-standard motion and number of pages of documents, please advise if paper copies should be filed with the Court as well. Thank you,

Damon
