To the Courts:

Enclosed is what Respondent styles as a request that either the Supreme Court revisit its transfer order issued this morning, or that the Court of Appeals transfer the case back to the Supreme Court again, as required by the South Carolina Energy Security Act of 2025.

As Respondent requests relief from either the Supreme Court or the Court of Appeals, but not both, it is unclear to counsel whether the \$50.00 filing fee should be filed with the Supreme Court or the Court of Appeals. Upon receiving guidance about where we should send our filing fee, we will remit the mandatory filing fee.

Thank you.
