S.C. SUPREME COURT

William Smith v. State
Appellate case No. 2025-000513

To, Hon A PHP Rodite K. Kondros.

I am sending you a copy of this document to show you, that the S.C. Dept of Parole Release Service is in violation of my Due process, and how they are violating the law 17-27-20 A(5)B) and is holding me on a parole violation when there is no violation, this a violation of my 5. Amendment constitutional right. Violation of Double Jeopardy, 1 State agency the Solicitor office who Dismiss all 5 charge 19. months ago on 1-10-24, then the S.C. Dept. Parole Release Service was suppose take back to A Rework hearing Board and Reinstate my parole. They Refuse. They took me back to the parole Board on Feb 28, 2024

And Reject me on False Information. putting me Back
in prison, Back into a Routine parole hearing.
This is a violation of my Due process. Because my
Liberality Interest has Been taken From me, Because
I had conditional Freedom I was out on parole
6 year 9 month and 20 Day. And I was violated
For Being arrested on 8-9-22. Then I was taken
to A Adm. Strive hearing 11-23-22, the Evidence
use at this hearing is From all the charge that
has Been Dismiss By the Solicitor office on 1-10-22
When this happen all Evidence that was use at the
Adm. Hearing and the Final. got Dismiss too
Because I have Not Broken No State Federal or local
laws. I have Not Been found guilty with the court
how and I have Not plea guilty to Any New crime
So I have No violate my parole agreement
the law. State that even if a person get arrest, he is
Still innocent. until he is Found guilty wither the
Court of law By a Judge or a Jury at Trial
Or if he plea guilty (2)

use this case Before the Court. I am innocent, and
the S.C. Dept of parole is Broken the law Violate
My 5, 8, and 14 Amendment Right and Due process Right
By Not. Correcting My parole Record and Reinstating my
parole. And and this letter Date Aug. 12, 2023 Shut
the Due process, Because they keep saying Not only will
they Not Reinstating my parole, unless I get a Court
Order. But they can Do what they are Doing
Because the charge is Dismiss for 19 month
and the Solicitor Can Restore the charge as long
Just like they Never Been Dismiss. But. they can
make that call for the Solicitor, they Don't have Any
kind Jurisdiction after the Solicitor action. they were
parole. If I would have Been Found guilty or took
pleas of guilty then they could Violate my parole
But Not Violate my parole, and the Evidence they
is using is case and charge that Dismiss. or ~~can~~
Could Be Restore. ex Mean time I am Being
punish By parole for the Solicitor Dismiss the
Charge

And Because they say it can be restore. Hon Judge
Jam on parole for life, if I was guilty of these
Talent case or false information. The Solicitor
Office would not have Dismiss the charge.
They would Been take this Plea or we going
to Trial. They would Not have Dismiss all Scharge
Jam Not a lawyer But Jam Not so Dummy etc.
and Jam Show this Court my Burden of proof. to help
me, So they Cant, instead the Court Because the Document
Jam Showing the Court are Fact. to help me all Record.
And, Jam heavy empeer. I loss my Freedom, I loss my JOB
I loss my wife. all over a false arrest, and Because
the S.C. Dept parole Dont want to correct the Record
and go By the law; Saying if I Dont get the court
to correct. it Resolve on them, Because they Dere this
and Still Doing it. And Because Most people Dont write or
Seek the Judge help By Speaking Truth. with the Fact
and Record to show and prove what they are Saying.
Right is Right and wrong is wrong Who Inmate or man Broke
the law we are punish. When A. State agency Broke the
law Violate people Right. Dont they suppose to Pay or Be punish
too. I have to State all
over try get Back what loss. H Should I Be compensate too.

Please let me know. and I hope and pray
that this court Reinstate my parole so I can
go home to my Family. and have them By
Court order to correct all parole Record
and Due process Because they Dont have NO
Jurisdiction, to try hold me off what the Solicitor
might Do at a later Date. They Should Be Dealing
with Right Now. the Case and Charge are Dismiss
Nothing else Matter. But Right Now. NOT what could
happen that has Not taking Place in last 14 months

Thank You for time and
help in this matter.

Have a Bless Day
