RE: Case Name: James L. Dawkins and Delphine Dawkins v. Troy Lee Watts, Jr.  
Appellate Case No.: 2013-000666

Dear Ms. Kitchings:

Please find enclosed an original and one copy of my letter/motion wherein I am requesting an extension of time to serve and file the Respondent's Initial Brief and Designation of Matter, and a corresponding certificate of service.

I am hereby moving for an extension to serve and file the Respondent's Initial Brief and Designation of Matter in the present case.

The necessity of this motion arises as a result of the fact that I have actually tried four cases in the last four weeks and, as such, I have not been in a position to respond to this matter.

I would further move, that the time to file the Respondent's Initial Brief and Designation of Matter be held in abeyance, pending your decision with regard to this matter.

Just as important, please find enclosed the \$25.00 filing fee associated with this matter.

Also, please note, that by copy of this letter, I am placing all counsel for Appellants on notice that I have made this request.

As always, I thank you and your staff for all of the help and assistance that you repeatedly provide with regard to these matters.

Sincerely,

*M. K. McGarr*
