In Re. of Appellate Case No 2025-800

S.C. SUPREME COURT

Dear Supreme Court Justices,

I recently received an Order from the courts stating the SC Office of Appellate Defense has a conflict of interest in representing me, apparently for an ineffective assistance of counsel claim I submitted in my PCR Brief against Wanda H Carter, but subsequently re-appointed Christopher L Murphy, the same attorney that represented me in the PCR matter but did absolutely no investigative work as he stated in his initial letter I submitted with the PCR Brief he wouldn't do, only read part of the Questionnaire I prepared for the individuals who were subpoenaed. Didn't subpoena the individuals (Detective Sanchez affiant of the warrant, Matt Nickles federal attorney representing me on the lawsuit 2:21-cv-01376-RMG-MGB which completely breaks down the 4th Amendment violation Argument and Issue) I specifically asked and wrote clerk of Court to be subpoenaed. I feel as if his representation is a conflict of interest due to the fact I have claimed him to be ineffective in my Questionnaire presented in the PCR Brief, and I have as an issue in my Pro-Se Writ of Certiorari. I respectfully request that Mr. Murphy be removed as Counsel and I be appointed caring and competent counsel whom will have my best interests at heart. If not possible as I have had my legal liaison contact Mr. Murphy and let him know I would like for him to do a Johnsons Brief so that I can submit my own Brief in which I have been preparing since the PCR. I would also ask the courts to accept my Pro-Se writ of certiorari brief if counsel is deferred to another attorney so the issues I feel are important can be addressed for the Record.

Respectfully
