

I recieved your letter last friday. The date on it was the 5th of sep. Didn't get it till the 11th. Now these people want let me go to the Law library to work on my case. Yall are aware of the fact that my attorney only had my case for a few months now. Something has to be done, Cause I'm to the point I got to get my people to go too the news station about all that I have had to go through while I have been locked up all this long time illegally. And I got proof. All this cruel & harsh treatment just to try to keep me locked up isnt gonna work. God got the last say so. I need something done asap about these issues cause I will get payed day for day I'm locked up illegally. I have been kidnapped.
