

The South Carolina Court of Appeals

Troy Hinson, Claimant, Appellant,

v.

Merrill Gardens, LLC, Employer, and Church Mutual
Insurance Company, Carrier, Respondents.

Appellate Case No. 2024-001975

ORDER

This appeal arises out of an order of the Workers' Compensation Commission finding Appellant sustained a compensable injury but is not entitled to temporary total disability payments. The order specifically states all other issues are held in abeyance.

The order on appeal is not a final decision or final judgment as those terms are defined in precedent. *See* S.C. Code Ann. § 1-23-380 (Supp. 2024) (governing appeals from the South Carolina Workers' Compensation Commission and limiting this court's review to final decisions of the Commission or decisions that cannot be adequately remedied if reviewed after the final decision); *Bone v. U.S. Food Serv.*, 404 S.C. 67, 84, 744 S.E.2d 552, 562 (2013) (holding only judgments finally disposing of the whole subject matter of the action before the Workers' Compensation Commission are final decisions).

Further, the record does not demonstrate that this order decides issues that must be reviewed immediately for appellate review to be adequate. Claimant may appeal this intermediate order after a final decision is entered. If successful, he will be entitled to the relief provided by law.

For these reasons, we dismiss this case as not immediately appealable. The remittitur will be sent as provided by Rule 221(b), SCACR.
