SC Court of Appeals

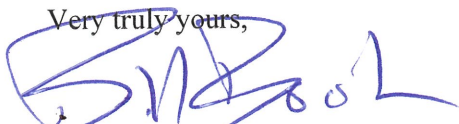

Dear All:

I represent the Appellant, Christine I. Funk, in the above-referenced appeal. I ordered the transcript through the online portal on July 18, 2025. I calculated that the 60 days for delivery of the transcript expired on September 16, 2025. Ten days have now passed and I am informing you under Rule 207(a)(5) that I have not received the transcript and I have not received notice of a request for an extension.

I did receive an email from Legal Eagle on September 11, 2025, that was also copied to Court Administration, indicating that they had received the request and would process the transcript within 60 days. I communicated with Legal Eagle today, copying Court Administration, and they indicated they would have the transcript completed by October 16, 2025.

I ask that you please advise.

Very truly yours,

William E. Booth III
